Abstract

This paper examines how conceptualizations of 'election' have changed in post-colonial Hong Kong. Drawing on Burgers' (2016) approach to model how metaphors change their focus on social topics over time, we study the uses of ELECTION metaphors in speeches by government leaders. These changes are classified as either fundamental changes (the use of metaphorical terms from a different domain) or incremental changes (changes in mapping principles within the same domain). We found a reliance on JOURNEY metaphors in framing ELECTION issues. Incremental changes within the ELECTION IS A JOURNEY metaphor highlight a change between the first (1997-2007) and second decades (2008-2017) after the handover from Britain to China. Our study shows that analysing changes in metaphorical frames in discourse is a practical approach to reflect the conceptualizations of social change.

The selection of a source domain highlights specific aspects of the target domain and simultaneously downplays other aspects (Lakoff and Johnson, 1980/2003, p. 10). This function makes metaphor an important linguistic device for framing in both communication and cognition (Burgers et al., 2016; Semino, Demjén, & Deramen, 2018). Since metaphor has the ability to reason about abstract concepts and has been used to frame various issues ranging from national politics in the US (Lakoff, 1996/2002; Cienki, 2004) and Europe (Chilton, 1996; Chilton and Ilyin, 1993; Musolff, 2017), to trade (Burgers and Ahrens, 2020), free economy (Zeng, Burgers, & Ahrens, 2021), and gender issues (Kollet, 2004a, b; Zeng, Toy, & Ahrens, 2020), analysing changes in metaphorical frames in discourse is a practical approach to reflect the conceptualizations of social change (Burgers, 2016).

This study focuses on the diachronic changes in ELECTION metaphors in order to conceptualize the social changes in the Hong Kong Special Administrative Region (HK) over a two-decade period. We elaborate on the metaphorical frames

Social Change An Anthology

Social Change An Anthology:

Communication for Social Change Anthology Alfonso Gumucio Dagron, Thomas Tufte, 2006 Contains nearly 200 readings published between 1927 and 2005 in English or translated from other languages on the historical roots and pioneering thinking regarding communication for social change Covers a variety of topics including the radio tv and other mass communication information and communication technology the digital gap the formation of an information society national information policies participatory decision making communication of development pedagogy and entertainment education HIV AIDS communication for prevention etc *Ethnicity and Social Change* Gangmumei Kabui, 2008 Ethnicity And Social Change Is An Anthology Of Essays Written By Professor Gangmumei Kamei A Profound Scholar And Historian The Book Divided Into Three Parts Deal S With Three Groups Is Issues Ethnicity And Social Change Federalism And Colonialism An [Social Change](#) Roxanne Friedenfelds, 1998 To find more information on Rowman Littlefield titles please visit us at www.rowmanlittlefield.com *Social Change* Roxanne Friedenfelds, 1998 **Politics and the Media in Twenty-First Century Indonesia** Krishna Sen, David Hill, 2010-11 This book examines the media in the post authoritarian politics of twenty first century Indonesia It considers how the media is being transformed its role in politics and its potential impact in enabling or hampering the development of democracy in Indonesia [The Global Social Change Reader](#) Lisa Meyer, 2017-08-18 The Global Social Change Reader Development in an Unequal World explores development globalization and inequality within and between countries This introductory anthology gives readers an overview of social change since World War II change driven by public and private sector agents at the international national and local levels The book is organized into five main sections These cover developmental indicators theories and critiques the colonial and decolonization periods institutions and sectors of development views on prospects and progress and specialized topics such as the environment gender health and population Readers will learn about theory policy and practices as viewed through diverse perspectives from academics and practitioners in the field The Global Social Change Reader is well suited to introductory courses in sociology political science and international relations *Media and Identity in Africa* John Middleton, Kimani Njogu, 2010-01-04 What is the role of the media in Africa How do they work How do they interact with global media How do they reflect and express local culture Incorporating both African and international perspectives Media and Identity in Africa demonstrates how media outlets are used to perpetuate question or modify the unequal power relations between Africa and the rest of the world Discussions about the construction of old and new social entities which are defined by class gender ethnicity political and economic differences wealth poverty cultural behavior language and religion dominate these new assessments of communications media in Africa This volume addresses the tensions between the global and the local that have inspired creative control and use of traditional and modern forms of media *Place* Danny Butt, Jon Bywater, Nova Paul, 2021-02-03 *Place Local Knowledge and New Media Practice* explores tensions between global cosmopolitanism and local practices in the new media

environment This edited collection of work by practitioners and scholars emphasises political issues raised by artists working in an indigenous cultural setting Indigenous epistemologies provide sophisticated structures for negotiating belonging among communities who may become widely dispersed from their homelands New media by contrast demonstrates biases toward the the dislocated a cosmopolitanism implicitly located in the urban where communities form and fragment in virtual environments Nonetheless questions of belonging and identification remain for those of us who use new media networks Through analysis of a range of contemporary art and film projects and tracking recent developments in cultural theory the book provides diverse perspectives on how long held attachments to place are transforming in the new media context

Communicating Development with Communities Linje Manyozo, 2017-07-14 Development theory and practice are often taught in a manner that strips them of their historical context and obscures alternative intellectual assumptions and critical frameworks This prevents students from acquiring a holistic understanding of the world and consequently when it comes to development practice most lack the skills to live and engage with people It has become crucial to properly consider what it means to conceive and implement participatory development out in the field and not just in the boardroom Building on the work of Robert Chambers and Arturo Escobar *Communicating Development with Communities* is an empirically grounded critical reflection on how the development industry defines imagines and constructs development at the implementation level Unpacking the dominant syntax in the theory and practice of development the book advocates a move towards relational and indigenous models of living that celebrate local ontologies spirituality economies of solidarity and community ness It investigates how subaltern voices are produced and appropriated and how well meaning experts can easily become oppressors The book propounds a pedagogy of listening as a pathway that offers a space for interest groups to collaboratively curate meaningful development with and alongside communities This is a valuable resource for academics and practitioners in the fields of Development Studies Communication for Development Communication for Social Change Social Anthropology Economic Development and Public Policy Foreword by Robin Mansell

Communication for Another Development Wendy Quarry, Ricardo Ramirez, 2013-07-04 This lively book argues that in the development process communication is everything The authors world experts in this field as teachers practitioners and theorists argue that Communication for Development is a creative and innovative way of thinking that can permeate the overall approach to any development initiative They illustrate their argument with vivid case studies and tools for the reader drawing on the stories of individual project leaders who have championed development for communication and using a range of situations to show the different possibilities in various contexts Free from jargon and keeping a close look at how development is actually being implemented at ground level this book is an important contribution to development studies not just for students but also for development practitioners and policy makers

Communication in International Development Florencia Enghel, Jessica Noske-Turner, 2018-05-23 International development stakeholders harness communication with two broad purposes to do

good via communication for development and media assistance and to communicate do good via public relations and information This book unpacks various ways in which different efforts to do good are combined with attempts to look good be it in the eyes of donor constituencies at large or among more specific audiences such as journalists or intra agency decision makers Development communication studies have tended to focus primarily on interventions aimed at doing good among recipients at the expense of examining the extent to which promotion and reputation management are elements of those practices This book establishes the importance of interrogating the tensions generated by overlapping uses of communication to do good and to look good within international development cooperation The book is a critical text for students and scholars in the areas of development communication and international development and will also appeal to practitioners working in international aid who are directly affected by the challenges of communicating for and about development

Anatomy of Development Bikram Pattanaik, 2025-03-20 This book details the fundamentals of development studies by adopting a multi disciplinary approach It presents a balanced mix of economic social political cultural and administrative premises of development and analyzes its theoretical and practical dimensions It also provides insight into the role of the stakeholders of development in different sectors The volume provides a holistic understanding of development effectively demonstrating how it differs from economic growth Beginning with development theories paradigms and actors involved in the development process this book goes on to explain the concepts of development administration development governance development planning development management and development communication One of the fundamental components of the book is the elucidation of Development Theories classical neoclassical developmental and heterodox theories essential to the discipline of development This book will be useful to undergraduate and postgraduate students researchers teachers of development studies economics sociology political science and public administration It will also be useful to administrators and development administration officials of state and central governments planners policymakers and people working in NGOs in addition to corporate sector functionaries dealing with corporate social responsibilities and those handling developmental issues and challenges

Moved by the State Tina Loo, 2019-06-01 Why don't they just move This reductive question is asked whenever reports surface of the all too common lack of social services and economic opportunities in Canada's rural and urban communities But why are certain people and places vulnerable And who is responsible for a remedy From the 1950s to the 1970s the Canadian government relocated people often against their will in order to improve their lives Moved by the State offers a completely new interpretation of this undertaking seeing it as part of a larger project of development and focusing on the bureaucrats and academics who designed implemented and monitored the relocations rather than on those who were uprooted In this finely crafted history Tina Loo explores the contradiction between intention and consequence as diverse communities across Canada were resettled In the process she reveals the optimistic belief underpinning postwar relocations the power of the interventionist state to do good

Good Data Angela Daly, Monique

Mann, S. Kate Devitt, 2019-01-23 Moving away from the strong body of critique of pervasive bad data practices by both governments and private actors in the globalized digital economy this book aims to paint an alternative more optimistic but still pragmatic picture of the datafied future The authors examine and propose good data practices values and principles from an interdisciplinary international perspective From ideas of data sovereignty and justice to manifestos for change and calls for activism this collection opens a multifaceted conversation on the kinds of futures we want to see and presents concrete steps on how we can start realizing good data in practice *The Bloomsbury Handbook of Global Education and Learning* Douglas Bourn, 2020-02-20 2021 PROSE Award Finalist Reference Works Learning about global issues and themes has become an increasingly recognised element of education in many countries around the world Terms such as global learning global citizenship and global education can be seen within national education policies and international initiatives led by the UN UNESCO European Commission and OECD The Bloomsbury Handbook of Global Education and Learning brings together the main elements of the debates provides analysis of policies and suggests new directions for research in these areas Written by internationally renowned scholars from Brazil Canada Finland Germany Ireland Italy Japan Pakistan Poland South Africa Spain Sweden Taiwan UK and the USA the handbook offers a much needed resource for academics researchers policy makers and practitioners who need a clear picture of global learning Civil Society Media and Global Governance Arne Hintz, 2009 How do community alternative and citizens media activists and advocates interact with global media policy processes Are their concerns recognised and do new forms of multi stakeholder governance offer a place for them Focusing on the United Nations World Summit on the Information Society Civil Society Media and Global Governance examines agendas and strategies of media actors traces successes and failures and proposes a new conceptual framework for the relation of these media with global policy processes **The Handbook of Global Interventions in Communication Theory** Yoshitaka Miike, Jing Yin, 2022-03-10 Moving beyond the U S Eurocentric paradigm of communication theory this handbook broadens the intellectual horizons of the discipline by highlighting underrepresented especially non Western theorists and theories and identifies key issues and challenges for future scholarship Showcasing diverse perspectives the handbook facilitates active engagement in different cultural traditions and theoretical orientations that are global in scope but local in effect It begins by exploring past efforts to diversify the field continuing on to examine theoretical concepts models and principles rooted in local cumulative wisdom It does not limit itself to the mass interpersonal communication divide but rather seeks to frame theory as global and inclusive in scope The book is intended for communication researchers and advanced students with relevance to scholars with an interest in theory within information science library science social and cross cultural psychology multicultural education social justice and social ethics international relations development studies and political science **Global Communication** Karin Wilkins, Joe Straubhaar, Shanti Kumar, 2013-09-11 This volume interrogates what global means in the context of communication and who benefits from global communication

practices and industries Emerging scholars contribute their unique perspectives in communication scholarship charting innovative directions for research that connects empirical evidence with pressing questions of social significance This critical reflection leads to considering problems that result from the way global communication becomes mobilized in the practice of journalism and development as well as the ICT industry Global Communication defines the term globalization through understanding the cultural geography of global regional national and local media Critical evaluations of media production distribution and consumption practices within cultural contexts offer insights into how people mediate the global Chapters draw attention to communications in Latin America the Arab World and South Asia complicating territorial boundaries and exploring how local audience and industry practices work within global as well as local configurations

The Routledge Handbook to the Culture and Media of the Americas Wilfried Raussert, Giselle Liza Anatol, Sebastian Thies, Sarah Corona Berkin, 2020-03-02 Exploring the culture and media of the Americas this handbook places particular emphasis on collective and intertwined experiences and focuses on the transnational or hemispheric dimensions of cultural flows and geocultural imaginaries that shape the literature arts media and other cultural expressions in the Americas The Routledge Handbook to the Culture and Media of the Americas charts the pervasive asymmetrical flows of cultural products and capital and their importance in the development of the Americas The volume offers a comprehensive understanding of how inter American communication is constituted framed and structured and covers the artistic and political dimensions that have shaped literature art and popular culture in the region Forty six chapters cover a range of inter American key concepts and dynamics divided into two parts Literature and Music deals with inter American entanglements of artistic expressions in the Western Hemisphere including music dance literary genres and developments Media and Visual Cultures explores the inter American dimension of media production in the hemisphere including cinema and television photography and art journalism radio digital culture and issues such as freedom of expression and intellectual property This multidisciplinary approach will be of interest to a broad array of academic scholars and students in history sociology political science and cultural postcolonial gender literary globalization and media studies

Strategic Communication for Non-Profit Organisations Evandro Oliveira, Ana Duarte Melo, Gisela Goncalves, 2019-03-28 Communication in the public sphere as well as within organizational contexts has attracted the interest of researchers over the past century Current forms of citizen engagement and community development partly enabled through digital communication have further enhanced the visibility and relevance of non profit communication These are performed by the civil society which is the organized expression of the values and interests of society Castells 2008 in the public sphere Non profit communication feeds the public sphere as the discursive processes in a complex network of persons institutionalized associations and organizations whereas those discourses are a civilized way of disagreeing openly about essential matters of common concern Jensen 2002 Despite the relevance in the public sphere non profit communication was never properly defined within communication research The aim of the present book is to offer an

overview and report on Strategic Communication for Non Profit Organisations and the Challenges and Alternative Approaches Considering the assumption that a key principle of strategic communication is the achievement of organisational goals the majority of research developed in the field has used business environments to develop theories models empirical insights and case studies Here we take a step towards new approaches centred on the concept of non profit in various dimensions and from various perspectives showing the diversity and complexity around this subject and at the same time the need of further theoretical and empirical work that provides frameworks and also tools for further understanding of the phenomena

Thank you very much for downloading **Social Change An Anthology**. Maybe you have knowledge that, people have search numerous times for their favorite novels like this Social Change An Anthology, but end up in harmful downloads. Rather than enjoying a good book with a cup of coffee in the afternoon, instead they are facing with some infectious virus inside their laptop.

Social Change An Anthology is available in our digital library an online access to it is set as public so you can get it instantly. Our digital library hosts in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Social Change An Anthology is universally compatible with any devices to read

Social Change An Anthology Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Change An Anthology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Change An Anthology has opened up a world of possibilities. Downloading Social Change An Anthology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Change An Anthology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Change An Anthology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Change An Anthology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Change An Anthology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Change An Anthology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Social Change An Anthology Books

What is a Social Change An Anthology PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Social Change An Anthology PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Social Change An Anthology PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Social Change An Anthology PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Social Change An Anthology PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, iLovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering

information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
