Thackeray And The Form Of Fiction:

   Thackeray and the Form of Fiction John Loofbourow,1964   **Thackeray and Form of Fiction** John Loofbourow,2015-12-08 In a critical examination of Thackeray s style Mr Loofbourow shows how Thackeray hybridized the genre of the romance by adapting the tone and language of the epic the chivalric romance and the pastoral and by carrying parody and satire to a high technical level Thackeray used these techniques with particular success in Vanity Fair and Henry Esmond Besides analyzing these two works Mr Loofbourow discusses the significance of epic in the 19th century the expressive values of the novel as a whole and the relevance of Thackeray s methods to the work of such writers as George Eliot Henry James Virginia Woolf and E M Forster His book is an attempt to come to terms with Thackeray s style and a work conceivably destined to become a landmark among the very few acceptable studies of English fiction It should prove indispensable to anyone interested in style in fiction and should at the same time precipitate a new trend in Thackeray scholarship Originally published in 1964 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905   *The Politics of Irony in Thackeray's Mature Fiction* Zelma Catalan,2009   **Conjectures of Order** Michael O'Brien,2004-03-01 In this magisterial history of intellectual life Michael O Brien analyzes the lives and works of antebellum Southern thinkers and reintegrates the South into the larger tradition of American and European intellectual history O Brien finds that the evolution of Southern intellectual life paralleled and modified developments across the Atlantic by moving from a late Enlightenment sensibility to Romanticism and lastly to an early form of realism Volume 1 describes the social underpinnings of the Southern intellect by examining patterns of travel and migration the formation of ideas on race gender ethnicity locality and class and the structures of discourse expressed in manuscripts and print culture In Volume 2 O Brien looks at the genres that became characteristic of Southern thought Throughout he pays careful attention to the many individuals who fashioned the Southern mind including John C Calhoun Louisa McCord James Henley Thornwell and George Fitzhugh Placing the South in the larger tradition of American and European intellectual history while recovering the contributions of numerous influential thinkers and writers O Brien s masterwork demonstrates the sophistication and complexity of Southern intellectual life before 1860   Thackeray's Novels ,1855   **The Forms of Historical Fiction** Harry E. Shaw,2018-03-15 No detailed description available for The Forms of Historical Fiction   **Thackeray's Cultural Frame of Reference** R.D. McMaster,1991-06-18 This study of The Newcomes explores the cultural density found within the novel and reveals how Thackeray exploited allusion in order to present an archetypal and cyclical vision of life questioning the status and value of fictions and blurring distinctions between

history and fiction   *Breeches and Metaphysics* S. S. Prawer,2017-12-02 This study traces the successive stages of Thackeray s contact with the German world and analyses the discourse he developed as a result The author is concerned with the fiction and criticism of Thackeray s Paris Sketch Book and the impressions related by the cockney traveller in Irish Sketch Book and Notes of a Journey from Cornhill to Grand Cairo Thackeray s own pictorial illustrations of his writings and those by Cruikshank Doyle and Walker which he supervised and supplemented are recognized as an integral part of his German discourse The study is a chronological one setting Thackeray s construction of German and the Germans against the background of his own development and of the social industrial cultural and political history of Britain and its continental neighbours   *Novels Behind Glass* Andrew H. Miller,1995-10-19 Drawing on work in critical theory feminism and social history this book traces the lines of tension shot through Victorian culture by the fear that the social world was being reduced to a display window behind which people their actions and their convictions were exhibited for the economic appetites of others Affecting the most basic elements of Victorian life the vagaries of desire the rationalisation of social life the gendering of subjectivity the power of nostalgia the fear of mortality the cyclical routines of the household the ambivalence generated by commodity culture organizes the thematic concerns of these novels and the society they represent Taking the commodity as their point of departure chapters on Thackeray Gaskell Dickens Eliot Trollope and the Great Exhibition of 1851 suggest that Victorian novels provide us with graphic and enduring images of the power of commodities to affect the varied activities and beliefs of individual and social experience   **The homely web of truth** Lawrence Jay Dessner,2018-12-03 No detailed description available for The homely web of truth   **Thomas Hardy's Legal Fictions** Trish Ferguson,2013-08-20 Explores Thomas Hardy s engagement with Victorian legal debates in his prose fiction Thomas Hardy s fiction is examined in this book in the context of the seismic legal reforms of the nineteenth century as well as legal discourse in the literature of the era The book examines the ways in which Hardy s role as a magistrate and his interest in the law impacted fundamentally on his prose fiction It demonstrates that throughout his prose fiction Hardy engages with contentious legal issues that were debated by legal professionals and literary figures of his day and argues that Hardy used fiction as a forum to question the extent to which legal reform improved the lives of women and the working classes The study also looks at the ways in which Hardy deployed criminal plots derived from sensation fiction and reveals that the genre s engagement with legal reform influenced not only his sensation novel Desperate Remedies 1871 but also the plots of his subsequent fiction   The Novel to 1900 ,1985   **English Fiction of the Victorian Period** Michael Wheeler,2014-01-14 Professor Wheeler s widely acclaimed survey of the nineteenth century fiction covers both the major writers and their works and encompasses the genres and minor fiction of the period This excellent introduction and reference source has been revised for this second edition to include new material on lesser known writers and a comprehensively updated bibliography   *The Longman Companion to Victorian Fiction* John Sutherland,2014-10-13 With over 900 biographical entries more than

600 novels synopsized and a wealth of background material on the publishers reviewers and readers of the age the Longman Companion to Victorian Fiction is the fullest account of the period s fiction ever published Now in a second edition the book has been revised and a generous selection of images have been chosen to illustrate various aspects of Victorian publishing writing and reading life Organised alphabetically the information provided will be a boon to students researchers and all lovers of reading The entries though concise meet the high standards demanded by modern scholarship The writing marked by Sutherland s characteristic combination of flair clarity and erudition is of such a high standard that the book is a joy to read as well as a definitive work of reference   Princeton Alumni Weekly ,1964   Victorian Novelists James Oliphant,1899   The Crime in Mind Lisa Rodensky,2003 This interdisciplinary study of legal and literary narratives argues that the novel s particular power to represent the interior life of its characters both challenges the law s definitions of criminal responsibility and reaffirms them By means of connecting major novelists with prominent jurists and legal historians of the era it offers profound new ways of thinking about the Victorian period   *University* ,1964   **Victorian Unfinished Novels** S. Tomaiuolo,2012-07-06 The first detailed study on the subject of Victorian unfinished novels this book sheds further light on novels by major authors that have been neglected by critical studies and focuses in a new way on critically acclaimed masterpieces offering a counter reading of the nineteenth century literary canon   **Virtual Play and the Victorian Novel** Timothy Gao,2021-04-15 Virtual paracosmic fictional Authorship omnipotence and Charlotte Bronte Plotting improvisation and Anthony Trollope Continuation attachment and William Makepeace Thackeray Description projection and Charles
