Both professional practitioners and casual massage enthusiasts will learn to raise their practice to an art with this step-by-step guide to foot massage as traditionally taught in Thailand. The practical sections of the book clearly cover the different parts of the massage process, and color photos and graphics provide clear explanations to help learners utilize the techniques with confidence. The book also covers the history and theory behind Thai foot massage, including discussions about the reflex points on the feet and the concept of Sen energy lines that flow throughout the body to help explain how this ancient healing art works. Though Thai foot massage is not a curative in itself, the featured techniques can promote general health and well-being. **Patients Beyond Borders Thailand Edition** Josef Woodman, 2009-10-01. *Patients Beyond Borders Thailand Edition* is the first comprehensive, easy-to-understand guide to medical tourism in Thailand, written by the world's leading spokesperson for international health travel.
