Schoenberg Harvey Sachs,2023-08-15 A NEW YORK TIMES NOTABLE BOOK OF 2023 A New Yorker Best Book of the Year A n immensely valuable source for anyone desiring an accessible overview of this endlessly controversial and chronically misunderstood giant of 20th century music John Adams New York Times Book Review cover review An astonishingly lyrical biography that rescues Schoenberg from notoriety restoring him to his rightful place in the pantheon of twentieth century composers In his time the Austrian American composer Arnold Schoenberg 1874 1951 was an international icon His twelve tone system was considered the future of music itself Today however leading orchestras rarely play his works and his name is met with apathy if not antipathy With this interpretative account the acclaimed biographer of Toscanini finally restores Schoenberg to his rightful place in the canon revealing him as one of the twentieth century s most influential composers and teachers Sachs shows how Schoenberg a thorny character who composed thorny works raged against the Procrustean bed of tradition Defying his critics among them the Nazis who described his music as degenerate he constantly battled the anti Semitism that eventually precipitated his flight from Europe to Los Angeles Yet Schoenberg synthesizing Wagnerian excess with Brahmsian restraint created a shock wave that never quite subsided and as Sachs

powerfully argues his compositions must be confronted by anyone interested in the past present or future of Western music

Musicians & Composers of the 20th Century Alfred William Cramer,2009 Benny Goodman Dizzy Gillespie Jim Morrison Kurt Cobain these are the people who helped shape the history of music Their stories and others are told in Musicians and Composers of the 20th Century This five volume set offers biographical and critical essays on over 600 musicians in just about every genre imaginable from Accordion Players to Musical Theater Composers to World Music and everything in between Sourcebook for Research in Music Phillip Crabtree,Donald H. Foster,1993 This bibliography of bibliographies lists and describes sources from basic references to highly specialized materials Valuable as a classroom text and as a research tool for scholars librarians performers and teachers **Gabriel Faure** Edward R. Phillips,2011-04-14 First published in 2011 this research study includes a biography section as well as the works of Gabriel Urbain Faur born on 12 May 1845 Much of Faur s music especially the late pieces remain little played and little known as a result his reputation as a salon composer of pleasant music continues even among educated musicians The author suggests that it is more likely that the difficulty of much of Faur s music for the listener and the demands it places upon him or her are the principal reasons for its omission from concert programs and for a misunderstanding of Faur s place in the history of French music

The Symphony and Symphonic Thinking in Polish Music Since 1956 Beata Bolesławska,2019-05-22 1956 was a year of transition in Poland and an important year for Polish music This year saw the beginning of a political thaw sometimes called the Polish October in communist Poland It was also the year of the establishment of the Warsaw Autumn International Festival of Contemporary Music This was a time of great artistic ferment in Polish music which also deeply influenced symphonic thinking The year 1956 is thus an appropriate starting point for Beata Bolesławska s study of the contemporary Polish symphonic tradition Bolesławska investigates the influential Polish avant garde illuminating the ways in which new musical means and ideas influenced symphonic music and the genre of the symphony in the music of such important composers as Witold Lutosławski 1913 1994 Henryk Mikołaj Górecki 1933 2010 and Krzysztof Penderecki b 1933 Referring to the main elements of the European tradition as well as examining briefly the symphonic activity in Poland before 1956 the book concentrates on the symphonic writing in the context of avant garde trends represented by the so called Polish school of composers as well as on its later redefinitions proposed by Polish composers up to the present day A Dictionary of the Avant-Gardes ,2013-05-13 A Dictionary of the Avant Gardes recognizes that change is a driving force in all the arts It covers major trends in music dance theater film visual art sculpture and performance art as well as architecture science and culture

Reverberating Word Michael Denham,2018-06-12 Like sounds of beautiful music worship can renew us for God s glory and our good by the invigorating power of God s reverberating Word It is God s story that redeems all our stories We want to tell it again and again as best we can clearly conveying its message meaning richness claim and call Through its every facet and component worship that is biblically expositional can heighten how we proclaim God s story faithfully and creatively

pointing to the One who alone offers us true identity security and destiny If you seek me you will find me if you search with all your heart declares the Lord With the ancient prophets and apostles we must repeat and repeat and repeat the most wonderful truth that God wants to be found In Christian worship such tremendous and tender encounter is available to us as nowhere else *Composing a World* Leta E. Miller, Fredric Lieberman, 2004 Since its original publication *Composing a World* by Leta E Miller and Fredric Lieberman has become the definitive work on the prolific California composer Lou Harrison often cited as one of America s most original and influential figures *Composing a World* presents a compelling and deeply human portrait of an exceptionally beloved pioneer in American music This paperback edition is an updated version of the highly acclaimed *Lou Harrison Composing a World* The product of extensive research as well as seventy five interviews with the composer and those associated with him over half a century this new edition features an updated works catalog reflecting compositions completed after 1997 adds a brief description of the circumstances of Harrison s death and corrects a few minor errors It also includes an annotated works list detailing more than 300 compositions and a CD featuring over 74 minutes of illustrative Harrison compositions including several unique and previously unrecorded works Extending beyond simple biography *Composing a World* includes chapters on music and dance intonation and tuning instrument building music criticism political activism homosexuality and Harrison s Asian influences among other topics This indispensable study of Harrison s life and works currently out of print will be welcomed back by performing artists students and scholars of American music
