Thank God I39m Manic:

I'm Not Crazy Just Bipolar Wendy K. Williamson, 2010-11-09 Just as a photographer might shoot a photo through a colored lens Wendy Williamson skillfully holds up the filter of mania and depression for her reader to peer through With heart wrenching honesty and humor she shows the effects of bipolar disorder on the mind body and soul of those who suffer from it Publisher s Weekly says Williamson s prose is direct and thankfully not given to flowery language or circumspectness about her condition The book is straightforward and the author achieves something difficult in a memoir she remembers feelings from a period of her life while still providing distance and perspective Williamson s analysis of the mental health field and mental health professionals is insightful without being preachy and she presents her story with grace and humor National Alliance on Mental Illness The Advocate skillfully weaves together several levels of a young woman s life it is like its title an assertion that a life touched by bipolar disorder is still a life with its own logic The book does a great job at describing that logic

Mania and Marjorie Diehl-Armstrong Jerry Clark, Ed Palattella, 2017-09-22 Marjorie Diehl Armstrong as one judge described her was a coldly calculated criminal recidivist and serial killer She had experienced a lifetime of murder mayhem and mental illness She killed two boyfriends including one whose body was stuffed in a freezer And she was convicted in one of the Federal Bureau of Investigation s strangest cases the Pizza Bomber case in which a pizza deliveryman died when a bomb locked to his neck exploded after he robbed a bank in 2003 near Erie Pennsylvania Diehl Armstrong s hometown Diehl Armstrong s life unfolded in an enthralling portrait a fascinating interplay between mental illness and the law As a female serial killer Marjorie Diehl Armstrong was in a rare category In the early 1970s she was a high achieving graduate student pursuing a career in education but suffered from bipolar disorder Before her death she was sentenced to serve life plus thirty years in federal prison In *Mania and Marjorie Diehl Armstrong* Jerry Clark and Ed Palattella examine female serial killers by focusing on the fascinating and tragic life of one woman This book also explores mental illness and forensic psychology and provides a history of how American jurisprudence has grappled with such complex and controversial issues as the insanity defense and mental competency to stand trial The authors account shows why Marjorie Diehl Armstrong was unlike any other criminal man or woman in American history Accounts of Diehl Armstrong s travails her difficult childhood her murder trials her hoarding are interpolated with chapters about mental disorders and the law

Bipolar Girl: My Psychotic Self Maricela Estrada, 2017-08-24 Maricela Estrada was raised in East Los Angeles by her widowed traditional Mexican mother The author felt depressed most of her life and missed having a father Her first suicide attempt happened at age 14 and she survived multiple suicide attempts After high school Maricela had a psychotic episode and was admitted into a psychiatric hospital where she was diagnosed with bipolar disorder with psychotic features She felt stigmatized and was in denial about her mental illness Accepting it was the hardest thing she has ever done But once she accepted it her life changed in a beautiful way allowing her to accomplish all her goals and embrace a beautiful life Maricela

THE CHRONICLES OF MANIA Brian W. Walker,2024-06-06 This book is not about bipolar disorder but rather what the severe mania and delusions associated with the illness can do to someone when it is unknown unchecked and unbridled for more than fifty years Brian Walker s entire life has been ruled and governed by the mania that results from being bipolar This mania has driven him to do things so far and beyond the grade that in many cases his actions and behaviors seem to defy all boundaries of sensibility Whether it s building a two man submarine to explore the subsea world in Fiji to inventing a toy of unbelievable success to creating a rocket to be the first person to the edge of space in a home built missile he has always pushed the limits of sanity in many of his projects Even after decades of failures where seemingly everything that he attempted to do was relegated to the trash heap of broken dreams he always lived by the saying Success is going from failure to failure without a loss of enthusiasm Trying to thrive and survive in a normal world with an abnormal brain has never been easy His life has been an ongoing effort to discover the next big thing as well as to just be able to get through another day And his journey thus far has been an amazing one **Mania** J. R. Johansson,2015-07-08 With an attack by the body stealing Takers imminent Jack and Parker must put aside their grief and track down the ingredients of their father s formula one that will rein in the power hungry Takers to keep their family and friends out of danger Their only hope lies in a riddle where each brother unknowingly possesses a piece of the solution **MANIA** B.S.,2012-04-14 When JJ joins the military he hopes that

his commitment will help him gain a better perspective Before he knows it he deploys to the Middle East as part of Operation Iraqi Freedom Unfortunately life in a conflict zone makes no sense to him Given his circumstances JJ does not concern himself with the occupational hazards or army standards He s only fascinated with the absurd language that bombards him daily As he attempts to understand the chaotic world around him JJ takes a shot at deciphering the bureaucratic dialogue that disguises the truth As JJ journeys from a confused young man to one who becomes enlightened he must battle a true enemy that leads him to discover that nothing is ever guaranteed when it comes to war In this modern military tale an American soldier encounters pandemonium over ambiguous bureaucratic dialogue amid the chaos of the Iraq War *Mania* Stuart Wood,2025-06-19 FEATURING A FOREWORD BY ROD STEWART Stuart Wood s love of music was ignited at fourteen when he along with three schoolmates formed a band By the time he turned fifteen he had left school to pursue a career as an electrician blissfully unaware of the whirlwind that awaited him Suddenly he found himself living the life of a superstar whisked away in limousines pursued by frenzied fans on every continent and thrust into the ranks of one of the bestselling groups in history Between 1971 and 1977 Edinburgh s Bay City Rollers achieved ten top ten hit singles four top ten albums two number one singles and two number one albums For five years they were the biggest pop teen sensation since the Beatles But the music industry was not all glitz and glamour Stuart had no inkling of the ruthless machinery behind the scenes exploiting his talent and dreams Rollermania swept the globe the Bay City Rollers conquered hearts and charts selling a staggering 300 million records While many claim to know the full Rollermania story for the first time Stuart one of the few people who lived it tells his story *Mania* is a celebration of one of the world s biggest bands and their enduring legacy a rollercoaster ride through fame fortune and the unforgettable music that defined an era *Set Free Through Christ Who Strengthens Me* Amy Zillner,2021-07-26 Have you ever wondered what it would take for a brainwashed suicidal victim of a cult to be able to live a normal life I know a little more than some about deliverance Once I was told I was possessed by demons and a danger to all those around me I stayed up many a night being delivered coughing up demons Told I didn t have enough faith or I was in love with the demon inside of me and I didn t want to let it go I went to many a prayer meeting but the demons wouldn t let go Or so I thought The demons were not what was inside of me it was the company I kept who was around me They piled lie upon lie upon lie in my mind Why I don t know For manipulation for control for kicks or maybe out of ignorance It almost broke me It took me to the edge of my sanity and let me tell you it s been a long way coming back Have you ever been there What darkness do you face Are you on the edge of your sanity Let me tell you there is a peace that belongs to those who belong to Christ This book will show you how a life with Christ is the only way to be fully set free from the situation that you face This book will shine the light of hope into your life *Set Free through Christ Who Strengthens Me* is my journey from being a victim of a cult to living a full life with Christ Come share the journey with me and see how Christ will be your strength when you are at your darkest hour **Journaling Through Bipolar Disorder** Max
