**Quantum God** Michelle Langenberg, 2013-07-10 If Quantum God were a Who God would not be the judgmental biased and sometimes malicious Old Man in the Sky many of us grew up with but rather the All where everything is possible and pulsating with potential If Quantum God were a What God might be the fabric that connects every idea every desire every personality and everything in a pulsating energetic ever Becoming Whole If Quantum God were a Where God could be the Higgs Boson God Particle upon which angels dance or an everywhere with ever burgeoning dimensions well beyond our comprehension of the universe as we know it If Quantum God were a Why God would exist because creativity cannot be contained or restrained but seeks free flowing expression expanding in waves and ripples of idea become event Yet Quantum God may be most like a How the how behind everything we know and laws we can only guess at the how that lays the groundwork for miracles as commonplace occurrences and composes a theme from the frequency or vibration of joy Quantum God How Life Really Works sheds light on the misconceptions that limit us and offers insights that can free us to be the true powers we really are seemingly magical beings who create with godlike abilities When we understand the invisible workings of the universe we stop being victims of creative laws we don't understand These laws rule our lives whether we comprehend them or not What could we do if we understood them Is there anything we could not do Miracles are the way life

is meant to work Quantum God tells about how we shortchange ourselves our true creative potential how our hopes and dreams fears and feelings of inadequacy create our experiences how to rise out of depression victimhood and blame to find joy and peace how to believe in ourselves and live with confidence and optimism You are now what you think you are but youre actually so much more You can become whatever you believe is possible Learn how to redefine yourself
