Dad's Best Memories and Recollections Charles J. Humber, 2016-01-19 DAD S BEST MEMORIES AND RECOLLECTIONS is Chazzz Humber s epithaph casting a very long and sentimental shadow across North America and beyond This 230 page volume is his granite monument well polished It lavishly records 125 of his best memories over a life span of nearly eighty years The vignettes are serenaded with more than 400 illustrations Those discovering this volume likely will find themselves wanting to record in their own sunset years their personal memories and recollections And when they do they are apt to recall what it was like to live in their fluctuating world dominated by a variety of personalities and cascading events Mr Humber vividly describes what it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston With lively enthusiasm he reports what it was like to live in post World War II Boston to cook a lobster for a former President of the United States or to sell a pair of elevator shoes to one of Hollywood s shortest celebrities or to shine the shoes of a Derby hatted father of a future President of the United States It is not a remarkable achievement to reflect to recall or to have memories that are treasured But to tell them with literary aplomb to recall the events that happened nearly seventy five years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow Mr Humber but by those who might like to imitate what he has monumentally achieved in Dad s Best Memories and Recollections

USS Solomons CVE 67 Joseph E. Comeau Jr., 2008-07-31 This book is an Historical Account some may say it is a Museum Exhibit all by itself of the USS SOLOMONS CVE 67 and U860 which was sunk by the USS Solomons CVE 67 It is told by the crewmen and their photos Its in the format of a Family Photo Album by the time you finish reading this book you will know these men Personally This book makes it blatantly clear how important it is that we talk to our Veterens record their stories and make copies of their photos Who would have ever thought that 60 men could have enough stories to fill 547 pages and over 810 photos and documents or that

they would be so Happy And willing to share Their Memories Additionally this book shows just how little time we have left to record their memories Since I started this project in February of 2002 until now March 2005 five of the men that contributed to this book have already passed away They will never get to see the book that they helped write They are now Gone Forever BUT They will now be Remembered Forever along with their stories and photos The five men are David R Green S1 c USS Solomons CVE 67 Passed Away 27 April 2002 Age 77 Frank S Rojewski S1 c USS Solomons CVE 67 Passed Away 10 May 2003 Age 76 Joseph Ernest Comeau S1 c USS Solomons CVE 67 My Dad Passed Away 26 June 2003 Age 77 Adolf Lundquist U860 Crewman U860 was sunk by USS Solomons CVE 67 Passed Away December 2003 Age 90 Joseph Montana USS Solomons CVE 67 Passed Away 12 January 2005 Age 78 Read this book Then talk to the Veteran that you know write down His or Her stories and make copies of any photos Put them in a folder give each of His or Her Family members a copy so that the Veteran will NEVER BE FORGOTTEN OUR VETERANS HAVE EARNED THE RIGHT TO BE REMEMBERED THANK YOU

center REVIEWScenter Joseph Comeau s book on the history of this can do carrier and her World War II crew reads like a veteran s scrapbook which it is in a way There s no narrative in the traditional sense the book consists of first hand accounts rare personal snapshots and reproductions of contemporary documents such as a Welcome Aboard pamphlet produced for new arrivals aboard the SOLOMONS Comeau s father Joseph E Comeau Sr served aboard the SOLOMONS and the book is a tribute to Comeau Sr and his shipmates The book is a wealth of obscure photos and the small details of life aboard a jeep carrier during the Atlantic War Doug Buchanan Editor of Anchor Watch The Official Journal of the Historic Naval Ships Association July 2005 This is a big book large format over 540 pages and 810 photographs but regardless of its size this book is clearly a labor of love For years Joseph Comeau would ask his father Joseph Comeau Sr about his days in the Navy His father would simply reply that he was on an Escort Carrier and that they were in the Atlantic He sometimes added that he was also rather sad that there had never been a reunion for his fellow shipmates that served with him on the USS Solomons CVE 67 In February 2002 Joseph Jr got an idea Using the far reach of the Internet he began tracking down former Solomons crewmembers quickly finding 35 men in just a few short months Each time he found one he would ask that individual to write down memories of the ship and to send a copy of any photos he may have Joseph Jr stashed these materials away in a folder which soon grew to over 235 pages This he presented to his dad on Father s Day of that year It was the reunion that his father never had Sadly Joseph Comeau Sr answered the final Call to Muster on 26 June 2003 This book based on the original folder as well as further research is a great piece of history It is not necessarily a start to finish history of the USS Solomons although there is a considerable amount of information on the ship but rather individual stories of people with a common experience centered around the vessel in which they served during a war that all fought This is a chronicle of the past in the most personal sense There is a ton of history here and we highly recommend picking up a copy of this book We would like to thank Joseph Jr for undertaking this project a gift from a son to his dad David G Powers Editor of Logbook Great Aviation
