Thanks a Lot, Universe Chad Lucas, 2021-05-11 Now in paperback a moving contemporary middle grade novel for anyone who s ever felt like they don t belong Brian has always been anxious whether at home or in class or on the basketball court His dad tries to get him to stand up for himself and his mom helps as much as she can But after he and his brother are placed in foster care Brian starts having panic attacks And he doesn t quite know if there s something wrong with him Ezra s always been popular He s friends with most of the kids on his basketball team even Brian who doesn t talk to many people But now some of his friends have been acting differently and Brian seems to be pulling away Ezra wants to help but he worries if he s too nice to Brian his friends will realize that he has a crush on him But when Brian and his brother run away Ezra has no choice but to take the leap and reach out to Brian And Brian realizes that he could really use a friend right now As the two get closer they ll have to decide if they re willing to risk being vulnerable with each other and share parts of themselves they d rather hide from the world But if they can be brave they might just find the best in themselves and each other With a lively voice and moving story Thanks a Lot Universe is about finding your community and learning to trust your heart

'Thanks a Lot, Murphy!' (Plus - 'Tales of a Lion') Chuck Morris, 2020-01-03 Thanks a Lot Murphy By Chuck Morris I am You are He is And so is She We are all Murphies We should all change our middle name to Murphy because although we don t want to admit it we are our own worst enemies Murphy is our alter ego No one wants to admit that we suffer minor or severe pain due to our own stupidity It is foresight versus hindsight that always has the inside post position But this is natural As human beings we are not programmed to do everything step by step and in the exact right order Both parts of this collection narrate the autobiography of Chuck Morris through his adventures which include a fascinating trip to Hong Kong stewed chicken heads anecdotes and tasty recipes from Louisiana

A Mental Note William Roberts, William Roberts Peglerpegler, 2011-06-01 Description A Mental Note is a novel based on the life and times of a man who suffers from a mental illness Will who has been diagnosed as a paranoid schizophrenic tells his story about living with this illness focusing mainly

on specific periods and events relating to this condition and the reasons for it He describes life before becoming unwell the diagnosis and treatment as well as other incidents These are all included to show how Will s life developed during his ordeal Although most of the book is factual some areas have been dramatised to bring the story to life Also many of the fictional passages have been included to give a sense of the nature of the illness and the thought process that goes with it For example a schizophrenic can create his or her own deluded perception of reality that although it isn t real seems perfectly believable to the sufferer The book is comical in places and some of the fun in the book is designed to show that even when suffering from a mental illness it is still possible to have a good time and enjoy oneself I have tried to focus mainly on the good experiences for this reason but I have also referred to the darker sides of the illness so that people in similar situations can possibly relate to them Hopefully this may give others a bit of an insight into living with the disease and its harrowing effects I hope this book will be of considerable interest to anyone who either suffers from or is involved with someone who suffers from any similar mental health problems I also think that it makes for a stimulating insightful and humorous read for a wide range of other people concerned with such issues Finally because of some of the geographical locations in the book especially references to Shrewsbury I think people from those areas mentioned would enjoy reading this book too About the Author William is a man with a story of courage He was born in Shrewsbury Shropshire UK in 1980 He was educated privately in Shrewsbury and at Adams School Newport Shropshire where he achieved 8 healthy GCSEs Trouble set in in his mid teens when he was caught between the Sixth Form College Shrewsbury and the Radbrook College Shrewsbury where he transferred from an academic to a practical career prospect studying to be a chef From Shrewsbury to Croydon near London he pursued his chef career He had a breakdown out of which he has pulled himself together and written A MENTAL NOTE an imaginative and dynamic fictional testimony to what it is to be like to be pained by schizophrenia but to work one s way through He is currently living in Birmingham and writing his next imaginative books
