Tromly,2018-12-10 Sir Walter Raleigh s biographers have given little attention to his tragic relationship with his son Wat Walter They began in proud identification each seeing himself in the other But after the father s political downfall and imprisonment for treason he lost his authority in the family and the son began to reject paternal advice and his studies and to engage in violent quarrels and duels Often the father used his influence to rescue his son from his rash acts Things came to a head after Wat was sued by a young woman for violent assault and imprisoned The aged Raleigh had been freed from the Tower to lead an expedition to Guiana and as recently discovered documents reveal he delivered his son from the law by commissioning him as a captain on his flagship ominously named the Destiny In a shared tragedy Wat was killed in a skirmish and the grieving Raleigh returned to England broken in spirit and ready for the execution that awaited him **The Biography Book** Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals *The Anchor Book of Sixteenth Century Verse* Richard D. Sylvester,2013-06-05 This comprehensive anthology contains selections from the work of twenty five poets of the sixteenth century Employing the original rather than normalized texts the volume includes complete non excerpted poems by John Skelton Philip Sidney and others The selections which include such works as The Steele Glass Richard S Sylvester examines the evolution of English poetry through the century tracing the development of the early Tudor poets through the eloquence of Surrey **The Atlantic World and Virginia, 1550-1624** Peter C. Mancall,2018-01-15 In response to the global turn in scholarship on colonial and early modern history the eighteen essays in this volume provide a fresh and much needed perspective on the wider context of the encounter between the inhabitants of precolonial Virginia and the English

This collection offers an interdisciplinary consideration of developments in Native America Europe Africa the Caribbean and the Chesapeake highlighting the mosaic of regions and influences that formed the context and impetus for the English settlement at Jamestown in 1607 The volume reflects an understanding of Jamestown not as the birthplace of democracy in America but as the creation of a European outpost in a neighborhood that included Africans Native Americans and other Europeans With contributions from both prominent and rising scholars this volume offers far ranging and compelling studies of peoples texts places and conditions that influenced the making of New World societies As Jamestown marks its four hundredth anniversary this collection provides provocative material for teaching and launching new research Contributors Philip P Boucher University of Alabama Huntsville Peter Cook Nipissing University J H Elliott University of Oxford Andrew Fitzmaurice University of Sydney Joseph Hall Bates College Linda Heywood Boston University James Horn Colonial Williamsburg Foundation E Ann McDougall University of Alberta Peter C Mancall University of Southern California Philip D Morgan Johns Hopkins University David Northrup Boston College Marcy Norton The George Washington University James D Rice State University of New York Plattsburgh Daniel K Richter University of Pennsylvania David Harris Sacks Reed College Benjamin Schmidt University of Washington Stuart B Schwartz Yale University David S Shields University of South Carolina Daviken Studnicki Gizbert McGill University James H Sweet University of Wisconsin Madison John Thornton Boston University

Three Golden Ages Alf J. Mapp, 1998-11-13 Historian Alf J Mapp Jr delves into the economic social and artistic characteristics of three of the most intensely creative periods in Western history to explore the qualities that enabled these societies to make staggering jumps in scientific knowledge develop new political structures and create timeless works of art With his insight into Renaissance Florence Elizabethan England and Revolutionary War era America and his discussion of the key leaders and thinkers who helped shape each period Mapp heightens our understanding of the elements that nurture sparks of progress and innovation in every civilization

Walter Raleigh's "History of the World" and the Historical Culture of the Late Renaissance Nicholas Popper, 2012-10-30 Imprisoned in the Tower of London after the death of Queen Elizabeth in 1603 Sir Walter Raleigh spent seven years producing his massive History of the World Created with the aid of a library of more than five hundred books that he was allowed to keep in his quarters this incredible work of English vernacular would become a best seller with nearly twenty editions abridgments and continuations issued in the years that followed Nicholas Popper uses Raleigh's History as a touchstone in this lively exploration of the culture of history writing and historical thinking in the late Renaissance From Popper we learn why early modern Europeans ascribed heightened value to the study of the past and how scholars and statesmen began to see historical expertise as not just a foundation for political practice and theory but as a means of advancing their power in the courts and councils of contemporary Europe The rise of historical scholarship during this period encouraged the circulation of its methods to other disciplines transforming Europe's intellectual and political regimes More than a mere study of Raleigh's History of the World Popper's book reveals how the

methods that historians devised to illuminate the past structured the dynamics of early modernity in Europe and England

The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson, I. R.

Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries The Broadview Anthology of

Sixteenth-Century Poetry and Prose Marie Loughlin, Sandra Bell, Patricia Brace, 2011-10-24 The Broadview Anthology of Sixteenth Century Poetry and Prose makes available not only extensive selections from the works of canonical writers but also substantial extracts from writers who have either been neglected in earlier anthologies or only relatively recently come to the attention of twentieth and twenty first century scholars and teachers Popular fiction and prose nonfiction are especially well represented including selections from popular romances merchant fiction sensation pamphlets sermons and ballads The texts are extensively annotated with notes both explaining unfamiliar words and providing cultural and historical contexts The Interrupted Forest Neil Rolde, 2024-10-01 Add to this the thousands of farms that have grown back to woods

since the Civil War and you have the most forested state by percentage in the United States But the uninterrupted forest that Henry David Thoreau first saw in the 1840s was never exactly that Loggers had cut it severely European settlers had gnawed into it and much earlier native people had left their mark This book takes you deep into the past to understand the present allowing you to hear the stories of the people and events that have shaped the woods and made them what they are today
