That Was Then:

That Was Then... Melody Carlson, 2010-04-21 This Is Now It's Kim's senior year and while everyone's looking forward to graduation she's got so much going on she can barely make it through the day Natalie pregnant with Benjamin O'Conner's baby believes it's God's will for them to marry and Ben sees it as his Christian responsibility to do so Major red flag He doesn't love her Then surprise Kim's birth mother in Korea sends her an intriguing letter making Kim question her reluctance to get to know another mom And what about Maya Is God calling Kim and her father to open their hearts and home to Kim's biracial cousin whose mother was just sentenced to five years in state prison Kim has been through so much already but that was then Does she have enough faith for now Saturday November 11 I've talked to Nat twice this week But only on the phone Both times she just glossed over what happened last weekend She told me everything was fine But without any details It was the kind of reassurance that isn't reassuring at all I know she's covering something up That was then Kim Peterson has had a lot going on the past few years writing a teen advice column finding a new faith dating and breaking up for the first time losing her mom to cancer Kim has learned to turn it all over to God day by day relying on Him like she never has before Now Kim's best friend Nat is pregnant and soon to be married to Ben O'Conner Caitlin's younger brother Nat is starry-eyed believing that once she and Ben are married God will bless them and everything will work out because they're doing the right thing Kim's not so sure Is marriage the only solution for two seventeen-year-olds with a baby on the way Why won't they consider adoption Kim knows about that firsthand and is about to find out even more Reader's guide included Story Behind the Book In book four Kim's life is still shadowed by the loss of her mother but her faith is deepening My best friend lost her mother to cancer in high school and I was very involved in counseling encouraging and praying with my friend as she worked through her grief That experience helped me write Kim's story from an insider's perspective Melody Carlson *That Was Then* M.K. Tod, 2024-06-11 A page-turning tale filled with rich characters family secrets love politics ambition and risky journalistic pursuits Lisa Barr New York Times bestselling author of *Woman on Fire* Andrea Larson never imagined she would have to face her worst nightmare again But when she discovers that her rapist is running for Governor of Massachusetts she knows she can't stay silent With the help of her identical twin Andrea hatches a plan to take down Brad Greiner and expose his true nature to the world Set against the backdrop of the cutthroat world of politics *That Was Then* follows Andrea as she infiltrates Greiner's inner circle using her skills as a journalist to gather evidence against him But the closer she gets the more dangerous it becomes The stakes get even higher when a group intent on controlling American democracy gets involved Someone knows what the twins are up to And they're closing in *That Was Then* Brenda Tate Groat, 2012-01-25 *That Was Then* is a heart-warming and entertaining account of growing up in the fifties and sixties with a very special family with a very special and unique father Readers will laugh cry and relate to the author's life Ms Groat's first book *Teaching 30 Years of My Life* depicted reflections of teaching in a public school and working with eighth graders That
