Thats How It Was:

And That's How It Was, Officer Ralph Sholto,2016-11-23 When Uncle Peter decided to clean out the underworld it was a fine thing for the town but it was tough on the folks in Tibet That's just how it was back then Reba Leo,2025-06-10 Reba's Childhood stories are stories I have experienced in my childhood growing up on a farm Reba my anonymous character's author's name the 14th child of sharecroppers Reba shares her personal life stories in hope that young children will enjoy reading them and that understand rules and family values matters Hoping also that the readers will gain some wisdom and ability to make good choices as they embrace and imagine visions of my childhood adventures with family and friends In this text Reba hope for the reader to gain a glimpse of southern culture in the 1960's 70s and those children know how much they really do have to be grateful for as they read and image the values and rules changing during this area that their grand or great grandparents grew up in compared to how values and rules are now The moral to these short stories is there are always consequences to the choices one makes That's just the way it was back then Remember that it is important to Listen to and respect your parents Think about what you chose to do before you do it Do not make choices that will put yourself and others in danger That's Just How It Was Edward Rupp,2019-12-13 I had done everything right just as I had been taught I had set a goal and worked toward it I thought that if I saved all that I could my dream would soon come true I was eleven years old As the day for my great reward neared my bubble was broken I watched as my trophy slipped through my fingers and into the hands of someone else It hurt at first thinking about all of the fun times that I had missed working many jobs and saving every penny for a new bicycle Yet in a profound way the Lord and my parents were teaching us about compassion and giving and working toward a goal My older brother and I were blessed beyond measure by that lesson I reach out to parents and especially Christian parents to be creative with solid life lessons and your children will be solid believers when they grow old If you are a grandparent you will want to read this story to your grandchildren They will be blessed and you will return to times past when life was simple Much has changed since those days but that's just the way it was growing up in our house
