*She's Got A New Attitude and That's How She Found Love* Dsharay Richards,2010-11-01 Realizing the power that every woman possess is not being displayed Dsharay took it upon herself to help women regain the love for self The time has come for women to learn to use their emotions to get the guy of their dreams That s right we may be emotional women but God gave us those emotions for a reason After meditating on all the conversation she s had with girlfriends she compiled a guide for women A guide to your soul mates heart The only way to truly find and keep your soul mate In She s got A new Attitude That s How She Found Love Dsharay aims to show you how love can love you back She will prepare you and give you solutions to questions and quarries of the heart such as Listening to the conversation in your head While understanding the conversation in you heart If your tired of being confused about love you ll clear your head here Dsharay helps you understand what s been holding you back from love Guiding you to your life mate      *The Women of Country Music* Charles K. Wolfe,James Edward Akenson,2003-07-31 Women have been pivotal in the country music scene since its inception as Charles K Wolfe and James E Akenson make clear in *The Women of Country Music* Their groundbreaking volume presents the best current scholarship and writing on female country musicians Beginning with the 1920s career of teenage guitar picker Roba Stanley the contributors go on to discuss Polly Jenkins and Her Musical Plowboys 50s honky tonker Rose Lee Maphis superstar Faith Hill the relationship between Emmylou Harris and poet Bronwen Wallace the Louisiana Hayride s Margaret Lewis Warwick and more      **Ocean of Love, or Sea of Troubles?** Geoffrey Harris,2016-12-22 The title of Dr Harris book suggests that life is like a two sided coin it can be an Ocean of Love but can also be a Sea of Troubles The subtitle clarifies this paradox first there are many signs of God s reality and activity in the world and the first section of the book examines ways in which people are aware of God as both a creative and immanent presence in life The signs of God are not philosophical proofs but empirical realities accessible to all people In the second section the biblical responses to suffering in the world are explored through both Old and New Testaments In the third section the writings of two modern apologists C S Lewis and Philip Yancey are assessed and then finally there is a chapter of interviews with people who have known suffering in their lives      The Delights of Wisdom Concerning Conjugal Love: After which Follow the Pleasures of Insanity Concerning Scortatory Love. Translated from the Latin Emanuel Swedenborg,1811      **Studies in John's Epistles** George Findlay,2024-06-23 Foreword by Cyril J Barber Findlay describes in practical terms how Christians can enter into and remain in the blessings of rest and fellowship      **The History of Feudalism** David Herlihy,1971-06-18      *Ever Present Lord* Joseph Gerry,Joseph John Gerry,2002-09 As abbot of St Anselm s Abbey in Manchester New Hampshire and later as Bishop of Portland Maine Bishop Gerry reflects on Scripture the meaning of religious commitment and the religious implications of contemporary events The book is filled with humility humor and common sense      **Searchlights from the Word G.** Campbell Morgan,2010-04-01 1188 sermon suggestions One from every chapter in the Bible Morgan s expositions sparkle as

they enhance Bible texts from every chapter in the Bible Concise and delightfully free of redundancy these selections reveal the master expositor's keen analytical insight into God's Word To encourage preachers and Bible teachers to develop their own sermon and lesson themes creatively the author mentions that these are sermon suggestions not sermons or sermon outlines He intentionally left the notes untitled preferring to let the text of Scripture be their only caption These penetrating truths firmly anchored in Scripture are best described by G Campbell Morgan himself On every page of the God breathed Writings there are many thoughts which stretch out like long clear arms of light across the darkness discovering things which otherwise were hidden and often illuminating wider areas than those of the immediate context They are searchlights From the multitude of these I have selected one in each chapter of the Bible Perhaps the work will also serve to illustrate a method of showing how focal points of radiating light gather their radiance from the context

**How the World Began** Helmut Thielicke, 2016-11-24 The question of where we come from and where we are going is one of the elementary challenges of life Perhaps it is the question of life Only when we get an answer to it do we learn who we are So begins *How the World Began* a book that asks the most fundamental of all questions who are we And what did God intend us to be Despite perhaps even because of the immense technological advances of our time and the frightful consequences for the human race of the misuse of that power humanity is brought face to face time and again with the essential problem that has haunted us since the beginning of time the mystery of good and evil Helmut Thielicke's work in these sermons on the first eleven chapters of Genesis is thought provoking and exceptionally powerful *The Works of John Owen, D.D.* John Owen, 1853

**Romantic Love** Yolanda van Ede, 2006 **The Delights of Wisdom Pertaining to Conjugal Love** Emanuel Swedenborg, 1856 **The Fear of God** Stephen C. Yohn, 2018-01-27 In the book of Ecclesiastes King Solomon concludes with the warning to fear God Yet it seems most people default to what they want to believe about God instead of believing what God has actually disclosed about himself in the Bible that he is a God of justice and judgment In *The Fear of God* author and pastor Stephen C Yohn explores the neglected biblical doctrine of the fear of God noting that this theme runs through all the books of the Bible He shows how we must guard against wanting to believe something about God but dismissing all the other biblical declarations about God for God's Word is complete and must be taken as a whole Like the Bible God is not one dimensional and while he is a God of joy and peace he will also bring every work into judgment before he offers us this joy and peace Don't be deceived We're warned numerous times in the Bible that those who practice evil will not inherit the kingdom of God Galatians 5:21 So if we want and expect justice in this world then we must not hope that it will be absent in the world to come Fearing God and keeping his commandments not merely our own is how we can accept his justice and his offer of salvation *Heaven and its Wonders, and Hell. ... **Available Means** Joy S. Ritchie,Katharine J. Ronald,2001-07-12 I say that even later someone will remember us Sappho Fragment 147 sixth century BC Sappho s prediction came true fragments of work by the earliest woman writer in Western literate history have in fact survived into the twenty first century But not without peril Sappho s writing remains only in fragments partly due to the passage of time but mostly as a result of systematic efforts to silence women s voices Sappho s hopeful boast captures the mission of this anthology to gather together women engaged in the art of persuasion across differences of race class sexual orientation historical and physical locations in order to remember that the rhetorical tradition indeed includes them Available Means offers seventy women rhetoricians from ancient Greece to the twenty first century a

room of their own for the first time Editors Joy Ritchie and Kate Ronald do so in the feminist tradition of recovering a previously unarticulated canon of women's rhetoric Women whose voices are central to such scholarship are included here such as Aspasia a contemporary of Plato's Margery Kempe Margaret Fuller and Ida B Wells Added are influential works on what it means to write as a woman by Virginia Woolf Adrienne Rich Nancy Mairs Alice Walker and Hélène Cixous Public manifestos on the rights of women by Hortensia Mary Astell Maria Stewart Sarah and Angelina Grimké Anna Julia Cooper Margaret Sanger and Audre Lorde also join the discourse But Available Means searches for rhetorical tradition in less obvious places too Letters journals speeches newspaper columns diaries meditations and a fable Rachel Carson's introduction to *Silent Spring* also find places in this room Such unconventional documents challenge traditional notions of invention arrangement style and delivery and blur the boundaries between public and private discourse Included too are writers whose voices have not been heard in any tradition Ritchie and Ronald seek to unsettle as they expand the women's rhetorical canon Arranged chronologically Available Means is designed as a classroom text that will allow students to hear women speaking to each other across centuries and to see how women have added new places from which arguments can be made Each selection is accompanied by an extensive headnote which sets the reading in context The breadth of material will allow students to ask such questions as How might we define women's rhetoric How have women used and subverted traditional rhetoric A topical index at the end of the book provides teachers a guide through the rhetorical riches Available Means will be an invaluable text for rhetoric courses of all levels as well as for women's studies courses
