The Takeover Cara Tanamachi, 2024-01-30 Sometimes when you ask the universe for your soulmate you wind up with your hate mate instead On Nami's 30th birthday she's reminded at every turn that her life isn't what she planned She's always excelled at everything until now Her fiancé blew up their engagement Her pride and joy the tech company she helped to found is about to lose funding And her sister Sora is getting married to the man of her dreams Jack and instead of being happy for her as she knows she ought to be she's fighting off jealousy Frustrated with her life she makes a wish on a birthday candle to find her soulmate Instead the universe delivers her hate mate Nami's old high school nemesis Jae Lee the most popular kid from high school who also narrowly beat her out for valedictorian More than a decade later Jae is still as effortlessly cool charming and stylish as ever and to make matters worse is planning a hostile take over of her start up Cue sharp elbows and even sharper banter as the two go head to head to see who'll win this time But when their rivalry ignites a different kind of passion Nami starts to realize that it's not just her company that's in danger of being taken over but her heart as well Readers will cheer on this pair of sparring hearts
