The 13th Juror:

The 13th Juror John T. Lescroart, 1995 He is obsessed with her innocence He will be destroyed by her guilt The walls were champagne The house was immaculate A prosperous doctor lived there with his son and his beautiful wife But the elegant walls hid a family's secret a wife's shame And one day shots rang out in the doctor's house Suddenly Jennifer Witt was in jail facing the death penalty Jennifer insisted that she had not killed her abusive husband and she could never have killed her own son Dismas Hardy believed her But Hardy was only part of the defense team and the only lawyer who continued to believe her even as her story was torn to pieces even as her lies came out even as she was found guilty of murder Now there's only one thing Jennifer can do to save her life and she refuses to do it So Hardy must do it for her And in a shocking case of violence betrayal and lies his only weapon is the truth *The 13th Juror* When innocence is not enough

[Can't Forgive](#) Kim Goldman, 2015-09-22. Don't tell her she needs to find closure. Don't ask her to forgive and forget. When Kim Goldman was just 22, her older brother Ron was brutally killed by O.J. Simpson, a horrifying event that led to one of the most public trials in American history. Ron and Kim were very close, and her devastation was compounded by the shocking not-guilty verdict that allowed a smirking Simpson to leave as a free man. Not only did Kim have to live with the painful knowledge that her brother's killer walked free, but she also struggled to keep her grief private from the media frenzy and outpouring of public opinion. Counseled by friends, strangers, and even Oprah to find closure, Kim chose a different route. She chose to fight, not just for her brother and her family, but for others, as she found her calling working with victims' families in pursuit of justice and peace. From her parents' devastating divorce and a life-changing car accident to living life as one of America's most famous victims and dating as a single mother, *Can't Forgive* tells of an ordinary person thrown into extraordinary circumstances at a very young age who had the courage, despite the discouragement of so many, to ignore conventional wisdom and never give up her fight for justice.

Searching for Sovereignty Anab Whitehouse, 2018-11-06. This book explores a variety of perspectives concerning the construction of constitutions as well as the idea of leadership. The discussion carries a great many implications for sovereignty, democracy, governance, and social relationships. The backdrop against which the first lengthy chapter of this book takes place is the Canadian constitutional debates of the 1980s. Nonetheless, the discussion throughout that chapter is intended to provide food for thought for anyone in any country with respect to fundamental themes involving the process of constructing constitutions. The book's two essays on leadership complement one another as well as the chapter on constitution-making. The initial essay on leadership critically analyzes some traditional and modern approaches to that concept, while the second essay on leadership critiques a number of ideas concerning leadership within a Muslim context. The final chapter, "Constitutional 9/11," examines some of the problematic issues surrounding several of the investigations into the events of 9/11. More specifically, this chapter explores both the 9/11 Commission and the NIST (National Institute of Standards and Technology) investigations of 9/11 and, in the process, outlines some of the ways in which those two studies violate fundamental principles in the Constitution. There is a deep need for our ideas about constitutions and leadership to be reconstructed on a regular basis. The present book is one attempt to address that need.

The Whispering Roots Cecil Day Lewis,1970 **The Death of Punishment** Robert Blecker,2013-11-19 For twelve years Robert Blecker a criminal law professor wandered freely inside Lorton Central Prison armed only with cigarettes and a tape recorder The Death of Punishment tests legal philosophy against the reality and wisdom of street criminals and their guards Some killers poignant circumstances should lead us to mercy others show clearly why they should die After thousands of hours over twenty five years inside maximum security prisons and on death rows in seven states the history and philosophy professor exposes the perversity of justice Inside prison ironically it s nobody s job to punish Thus the worst criminals often live the best lives The Death of Punishment challenges the reader to refine deeply held beliefs on life and death as punishment that flare up with every news story of a heinous crime It argues that society must redesign life and death in

prison to make the punishment more nearly fit the crime It closes with the final irony If we make prison the punishment it should be we may well abolish the very death penalty justice now requires
