The 2nd Royal Irish Rifles In The Great War

James W. Taylor

The 2nd Royal Irish Rifles In The Great War:

The 2nd Royal Irish Rifles in the Great War James W. Taylor, 2005 Following his acclaimed *The 1st Royal Irish Rifles in the Great War* James Taylor now completes his study of the regiment's Regular battalions Having been part of 3rd Division in the original Expeditionary Force they fought at places such as Mons Le Cateau the Aisne La Bass e Somme Messines and Bellewaarde ending the war as part of 36th Ulster Division They suffered in excess of 1 400 fatalities including men from every county in Ireland The book gives biographical details on over 320 officers and some other ranks In addition to the awards and casualty lists details are given of the 269 men who were court martialled including a transcript of the trial of the only member to be executed

The 1st Royal Irish Rifles in the Great War James W. Taylor, 2002 In addition to its narrative the book gives biographical details on nearly 300 officers including medical officers and chaplains this information unfortunately generally is not available for the enlisted men A series of appendices complete the picture Apart from the awards and casualty lists there are details of the 301 men who were court martialled including a transcript of the trial of the only member to be executed

Jacket *The History of the First Seven Battalions, the Royal Irish Rifles (now the Royal Ulster Rifles) in the Great War* Cyril Falls, 1925 *The Irish regiments in the Great War* Timothy Bowman, 2013-07-19 The British army was almost unique among the European armies of the Great War in that it did not suffer from a serious breakdown of discipline or collapse of morale It did however inevitably suffer from disciplinary problems While attention has hitherto focused on the 312 notorious shot at dawn cases many thousands of British soldiers were tried by court martial during the Great War This book provides the first comprehensive study of discipline and morale in the British Army during the Great War by using a case study of the Irish regular and Special Reserve battalions In doing so Timothy Bowman demonstrates that breaches of discipline did occur in the Irish regiments but in most cases these were of a minor nature Controversially he suggests that where executions did take place they were militarily necessary and served the purpose of restoring discipline in failing units Bowman also shows that there was very little support for the emerging Sinn Fein movement within the Irish regiments This book will be essential reading for military and Irish historians and their students and will interest any general reader concerned with how units maintain discipline and morale under the most trying conditions

The 1st Royal Irish Rifles in the Great War James W. Taylor, 2002 In addition to its narrative the book gives biographical details on nearly 300 officers including medical officers and chaplains this information unfortunately generally is not available for the enlisted men A series of appendices complete the picture Apart from the awards and casualty lists there are details of the 301 men who were court martialled including a transcript of the trial of the only member to be executed

Jacket *History of the Royal Irish Rifles. By Lieut-Colonel George Brenton Lawrie. (vol. 2. The History of the First Seven Battalions, the Royal Irish Rifles, Now the Royal Ulster Rifles, in the Great War. By Cyril Falls.) [With Plates and Maps.]. Great Britain. Army. Infantry. Regiments. Royal Irish Rifles, afterwards Royal Ulster Rifles, 1914* *Irish Voices from the Great War* Myles

Dungan,2014-07-07 This pioneering study first published in 1995 retains its rank as one of the most powerful histories ever written about Irish involvement in World War 1 This year the centenary of the war sees its timely re publication as the Irishmen who fought in that war re enter the national memory after decades of indifference and hostility The gradual softening of attitudes over the last twenty years amid great historic change on the island of Ireland is due in no small part to the efforts of historians such as Myles Dungan to tell thousands of forgotten stories Drawing on the diaries letters literary works and oral accounts of soldiers Myles Dungan tells some of the personal stories of what Irishmen unionist and nationalist went through during the Great War and how many of them drew closer together during that horror than at any time since This volume deals with a selection of the most important battles and campaigns in which the three Irish Divisions participated **Ulster, Ireland and the Somme** Catherine Switzer,2013-03-04 Ulster Ireland and the Somme tells the story of the relationship between Ulster Ireland and the Somme area of northern France which has now endured for nearly a century The 1916 Battle of the Somme is a key event in Irish memory of the Great War and thousands of people from both Northern Ireland and the Irish Republic visit the area each year but the history of the landscape and the memorials they see has never been told in any detail until now **History of the Royal Irish Rifles** George Brenton Laurie,1914 In 1881 the 83rd County of Dublin Regiment of Foot was linked to the 86th Royal County Down Regiment of Foot thus forming the 1st and 2nd Battalions of a new regiment the Royal Irish Rifles In 1921 the designation was changed to the Royal Ulster Rifles This regimental history extends over a period of 120 years beginning with the raising of the 83rd and 86th in 1793 and ending in 1912 The author has done a thorough job with this book so I was more than a bit surprised to read in the Foreword by the Colonel of the Regiment in his 98th year his reference to this little book that I have before me when you could do with a porter to carry it for you This is a goldmine for the genealogist or medallist for not only does the detail of the text abound with the names of personnel but also there is the complete list of officers who served in the 83rd 86th and after 1881 the Royal Irish Rifles The information against each name gives date of commission or date of transferring from another regiment dates of subsequent promotions and the date he left the regiment and the reason such as retired resigned half pay died transferred to Indian Army or to another regiment etc Another list gives the names of other ranks awarded the DCM showing campaign and reason for the award and yet another names the officers who received the Military General Service Medal for service in the Peninsular War and which clasps were awarded Another appendix lists the succession of Colonels 83rd 86th and Royal Irish Rifles with details of their military careers This is a very good history which begins with the raising of the regiments and continues with each chapter devoted to one or the other regiments for a specific period Thus for example Chapter III is headed Eighty sixth Regiment 1793 1799 and Chapter VIII Eighty third Regiment 1805 1817 Most of the 83rd s Battle Honours were won in the Peninsular War where it took part in the campaign from 1809 to 1814 both regiments were in India during the same period 1842 1859 The narrative not only describes in great detail the actions battles and skirmishes

with casualties but also all other events in the life of the regiments moves rations clothing equipment strength returns correspondence and so on The maps are very good and finally there is a chapter on dress the Colours and medals It is the story of a regiment *A Coward if I Return, A Hero if I Fall* Neil Richardson,2020-05-25 IRELAND S FORGOTTEN LEGACY In 1914 1918 two hundred thousand Irishmen from all religions and backgrounds went to war At least thirty five thousand never came home Those that did were scarred for the rest of their lives Many of these survivors found themselves abandoned and ostracised by their countrymen their voices seldom heard The book includes The first Victoria Cross Leading the way at Gallipoli and the Somme North and South fighting side by side at Messines Ridge Ireland s flying aces Brothers in arms heart rending stories of family sacrifice The lucky escapes of some the tragic end of others The homecoming why there was no hero s welcome Includes over 300 photographs and items of memorabilia from the lives of these brave men and their families An important book that opened up the conversation in Ireland about our role in World War I Updated and with a new introduction **The Oxford Handbook of Modern Irish History** Alvin Jackson,2014-03 Draws from a wide range of disciplines to bring together 36 leading scholars writing about 400 years of modern Irish history **A History of the Great War** Arthur Conan Doyle,2023-12-28 In *A History of the Great War* Arthur Conan Doyle presents a comprehensive and thought provoking examination of World War I highlighting its complexities and the human experiences that define it Utilizing a mix of meticulous research and vivid narrative Doyle offers readers insight into the political social and military dimensions of the conflict Written during the post war period this volume embodies a reflection on the tragedies and triumphs found in the annals of history enriched by Doyle s keen sense of storytelling and his ability to weave dramatic accounts with factual precision Arthur Conan Doyle renowned for his creation of the iconic detective Sherlock Holmes was deeply affected by the harrowing realities of the Great War His personal involvement as a volunteer physician in wartime hospitals and his advocacy for British volunteers together with his broad literary background shaped his perspective on the war This book not only serves as a historical account but also reflects Doyle s commitment to understanding and conveying the nuances of human courage and the somber lessons of war This compelling narrative is a must read for history enthusiasts and literary scholars alike Doyle s unique approach to the subject matter challenges readers to engage with the past critically and empathetically making it an essential work for anyone seeking to grasp the intricacies of one of history s most significant events **The Carlow War Dead** Tom Burnell,2011-02-01 Following on from the success of the *War Dead* series in counties Tipperary Wexford Wicklow and Offaly Tom Burnell now turns his attention to County Carlow and the unfortunate soldiers from this area who lost their lives during the First World War After tireless research Tom Burnell has put together a comprehensive record of the soldiers officers sailors airmen and nursing sisters who listed their next of kin as being from Carlow The men and women honoured in *The Carlow War Dead* died in the service of the British Army the Australian Army the New Zealand Army the American Army the Indian Army the Canadian Army the South African Army the Royal Navy or

the British Mercantile Marine Such a list combined with intricate data and never before seen correspondence and photographs is an essential addition to any local historian or military enthusiast's bookshelf

British Infantry Battalion Commanders in the First World War Peter E. Hodgkinson, 2016-04-15 Recent studies of the British Army during the First World War have fundamentally overturned historical understandings of its strategy and tactics yet the chain of command that linked the upper echelons of GHQ to the soldiers in the trenches remains poorly understood In order to reconnect the lines of communication between the General Staff and the front line this book examines the British army's commanders at battalion level via four key questions i How and where resources were found from the small officer corps of 1914 to cope with the requirement for commanding officers COs in the expanding army ii What was the quality of the men who rose to command iii Beyond simple overall quality exactly what qualities were perceived as making an effective CO and iv To what extent a meritocracy developed in the British army by the Armistice Based upon a prosopographical analysis of a database over 4 000 officers who commanded infantry battalions during the war the book tackles one of the central historiographical issues pertaining to the war the qualities of the senior British officer In so doing it challenges lingering popular conceptions of callous incompetence as well more scholarly criticism that has derided the senior British officer but has done so without a data driven perspective Through his thorough statistical analysis Dr Peter Hodgkinson adds a valuable new perspective to the historical debate underway regarding the nature of British officers during the extraordinary expansion of the Army between 1914 and 1918 and the remarkable yet often forgotten British victories of The Hundred Days

The Great War Herbert Wrigley Wilson, Sir John Alexander Hammerton, 1915

The Sherwood Foresters in the Great War, 1914-1919 W. C. C. Weetman, 1920

History of the Great War (All 6 Volumes) Arthur Conan Doyle, 2024-01-18 In *History of the Great War* Arthur Conan Doyle offers a comprehensive narrative that intricately covers the theater of World War I detailing the political social and military aspects that influenced the conflict Written with the meticulous care characteristic of Doyle's literary style the volumes combine vivid storytelling with extensive historical analysis utilizing first hand accounts and military records to provide an authoritative chronicle of the war The book serves as both a cohesive history and a poignant reflection on the human experience during one of the most devastating conflicts in history echoing themes of valor sacrifice and the complexities of modern warfare Arthur Conan Doyle best known for creating the iconic detective Sherlock Holmes was also a keen historian and an impassioned supporter of the British war effort His background as a physician and a life long observer of human behavior lent a unique perspective to his writing allowing him to capture the emotional and psychological dimensions of soldiers and civilians alike Doyle's own experiences during the war including serving as a volunteer physician deeply informed his insights and inflected his narrative with a sense of urgency and authenticity This extensive six volume work is indispensable for historians scholars and enthusiasts of military literature It not only illuminates the events of World War I but also invites readers to contemplate the broader implications of war on society Doyle's blend of

narrative prowess and historical rigor makes this series an essential addition to any library offering an invaluable resource for understanding the Great War's lasting impact. In this enriched edition we have carefully created added value for your reading experience. A comprehensive Introduction outlines these selected works unifying features, themes, or stylistic evolutions. The Author Biography highlights personal milestones and literary influences that shape the entire body of writing. A Historical Context section situates the works in their broader era, social currents, cultural trends, and key events that underpin their creation. A concise Synopsis Selection offers an accessible overview of the included texts, helping readers navigate plotlines and main ideas without revealing critical twists. A unified Analysis examines recurring motifs and stylistic hallmarks across the collection, tying the stories together while spotlighting the different works' strengths. Reflection questions inspire deeper contemplation of the author's overarching message, inviting readers to draw connections among different texts and relate them to modern contexts. Lastly, our hand-picked Memorable Quotes distill pivotal lines and turning points, serving as touchstones for the collection's central themes.

The Battles of the British Expeditionary Forces, 1914-1915 Fred R. van Hartesveldt, 2005-04-30. In this valuable resource, over 1,000 annotated sources from Great Britain, France, and Germany offer a historiographical reference for study of the British army at the beginning and in the first battles of World War I. Unique to this bibliography is the comprehensive coverage of sources, resulting in a more complete picture of the circumstances of activities of the British Expeditionary Force (BEF). Sources include coverage of the BEF's military role as well as background information about domestic military considerations and Allied and enemy efforts. This volume will support researchers and students in their efforts to find out what the Expeditionary Force's contributions were in World War I and for expanding their knowledge of the Great War and British military history. In this valuable resource, over 1,000 annotated sources from Great Britain, France, and Germany offer a historiographical reference for study of the British army at the beginning and in the first battles of World War I. Unique to this bibliography is the comprehensive coverage of sources, and it results in a more complete picture of the circumstances of activities of the British Expeditionary Force (BEF). Sources include coverage of the BEF's military role as well as background information about domestic military considerations and Allied and enemy efforts. This volume will support researchers and students in their efforts to find out what the Expeditionary Force's contributions were in World War I and for expanding their knowledge of the Great War and British military history. The volume includes four chapters of historiographical essays discussing the interpretations and controversies that surround the performance and leadership of the BEF in 1914-1915. The essays direct readers to the major sources that support various ideas and indicate gaps in the historiography of the subject. Following the historiographical essays is an annotated bibliography of more than 1,000 sources that are relevant to the study of the BEF.

Challenge of Battle Adrian Gilbert, 2014-02-20. Winston Churchill described the opening campaign of World War I as a drama never surpassed. The titanic clash of Europe's armies in 1914 is one of the great stories of 20th-century history and one in which the British

Expeditionary Force BEF played a notable part Previous assessments of the BEF have held to an unshakeable belief in its exceptional performance during the battles of 1914 But closer examination of the historical record reveals a force possessing some key strengths yet undermined by other significant failings Within an authoritative and well paced campaign narrative Challenge of Battle re evaluates the Army s leadership organization and tactics It describes the problems faced by commanders grappling with the brutal realities of 20th century warfare and explains how the British infantry s famed marksmanship has to be set against the inexperience and tactical shortcomings of the BEF as a whole However it also demonstrates the progress made by the British during 1914 concluding with the successful defence of Ypres against superior enemy forces The author examines the fateful decisions made by senior officers and how they affected the men under their command Making full use of diaries letters and other contemporary accounts he builds a compelling picture of what it was like to fight in the battles of Mons Le Cateau the Aisne and Ypres In this timely new book Adrian Gilbert clears away the layers of sentiment that have obscured a true historical understanding of the 1914 campaign to provide a full unvarnished picture of the BEF at war Officers Died in the Great War, 1914-1919 Great Britain. War Office,1919

Thank you enormously much for downloading **The 2nd Royal Irish Rifles In The Great War**. Maybe you have knowledge that, people have seen numerous times for their favorite books in the manner of this The 2nd Royal Irish Rifles In The Great War, but end taking place in harmful downloads.

The 2nd Royal Irish Rifles In The Great War Introduction

In the digital age, access to information has become easier than ever before. The ability to download The 2nd Royal Irish Rifles In The Great War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The 2nd Royal Irish Rifles In The Great War has opened up a world of possibilities. Downloading The 2nd Royal Irish Rifles In The Great War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The 2nd Royal Irish Rifles In The Great War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The 2nd Royal Irish Rifles In The Great War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The 2nd Royal Irish Rifles In The Great War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The 2nd Royal Irish Rifles In The Great War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The 2nd Royal Irish Rifles In The Great War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The 2nd Royal Irish Rifles In The Great War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The 2nd Royal Irish Rifles In The Great War is one of the best book in our library for free trial. We provide copy of The 2nd Royal Irish Rifles In The Great War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The 2nd Royal Irish Rifles In The Great War. Where to download The 2nd Royal Irish Rifles In The Great War online for free? Are you looking for The 2nd Royal Irish Rifles In The Great War PDF? This is definitely going to save you time and cash in something you should think about.
