The 30 Trials Of Ix And The Angels:

The 30 Trials of Ix and the Angels Mark Durant,2004-09-16 The 30 Trials of Ix and the Angels follows Ix Pantheos from his awakening in a ruined castle through his travels to the moon the sun and beyond carried along by the songs of thirty angels as they initiate him into the mysteries of consciousness and the nature of existence The answer seemingly found and the journey apparently nearing its end Ix then finds that he must suffer the destruction of his former self and face a new struggle to hold onto all that was revealed to him Born of a series of meditations performed by the author and utilizing an eclectic mix of various world religious and occult philosophies the story is a surreal journey into the depths of the mind echoing Ix s own quest to redeem both himself and mankind While it stands alone as an engaging read for those unacquainted with the various schools of inquiry that comprise the fertile field within which it took root it retains that symbolism which may prove insightful to like minded readers who find themselves treading its obscure paths *Studies in the Book of Daniel, 2 Volumes* Robert Dick Wilson,2002-05-29 With thoroughness Wilson tackles some of the questions raised regarding the historical statements in the Book of Daniel The authenticity of Daniel has been doubted or disparaged for a variety of reasons No one person has examined in more detail the claims of those who point out the flaws in Daniel than did Robert Dick Wilson Each of the eighteen chapters in his first book deals with a separate allegation and with characteristic thoroughness he defends the book against its critics In the second volume Wilson deals forthrightly with the relationship of Daniel to the canon of the Old Testament discussing the apocalypses and date of Daniel and then significantly measuring the influence background and prophecies of Daniel Wilson discusses the principles underlying the objections leveled at the book of Daniel He states each principle along with the assumptions on which it is based lists reasons why the assumptions are false and finally draws conclusions from the discussion Readers will appreciate the expertly prepared indexes **Journal of Theological Studies** ,1901 *Word Studies in the New Testament* Marvin R.
