become attuned to the mind which was in Christ Jesus followed by several days of meditative inner plane work There was little progress until he took a break from the project and went for a long walk in the woods And it was there that he heard the central message of the Code a challenge for all of us to embrace a new Model of Reality and change our perspective on what it means to be spiritual in this world From this mystical experience came specific steps to higher consciousness a ladder to climb to a new dimension where the illusions of sickness scarcity and discord are shattered and a world of wholeness abundance and right relations is revealed John was also given a glimpse of the future as we enter the millennium and was shown how lasting peace will finally come to planet Earth The Yoga of Wealth Adrian Jnanadev Nathaniel,2016-12-01 The path of yoga reveals that the potential for an extraordinary fulfilling life is contained within each one of us By uniting all the parts of your being you will experience the life you were meant to live one of deep connection and supreme fulfillment This is the essential teaching of Purushartha the ancient Vedic science of human endeavor It states that not only is it possible to enjoy a harmonious integration of worldly success consciousness and sensuality but it is your dharma your destiny and your birthright as a human being Take the journey within and discover the following How to harmonize worldly success and consciousness with joy and purpose The keys to attracting unlimited wealth in all areas of your life Practical steps of how to create wealth consciously How to become more congruent and align with your wealth dharma The process of conscious wealth creation will not only benefit yourself but also the environment your family your community and generations to come

QUOTES YOU WILL FIND IN THE TOLLBOOTH

Most people live their lives in a state of hypnosis, never really living life the way it's supposed to be lived. One must be diligent in keeping one's attention off of the undesirable condition. In meditation, contemplation, and prayer, one should take the time and energy to focus on the desired condition. When you meditate, contemplate, or pray, give thanks for the good things in your life. You don't become healthy by becoming an expert on disease, which for the most part is how medical doctors are trained. You must become an expert on health. We were made in God's image. We are designed to fulfill our inner nature. As God's children, we were made to be everything our inner voice tells us that we can be. This is the Truth of the physical universe over which God has given us dominion. Forget opinions. That's why now is the time for you to break free of them. I've been where you are. Confusion, frustration, harassment from your loved ones, the death of a loved one, a yearning inside, passion eating at you, fear of everything I've been there. But now is the time for you to free yourself of all the shackles that bind you. The most important thing I see in you is the beautiful music your heart is making. It's singing out in wonderful harmony. It's so obvious. You've got to listen to it. You are as ready as you'll ever be to live your life as it was meant to be lived. Go for it.

WHY 40 DAYS

In Biblical and spiritual terms, the number 40 stands for a period of gestation, of waiting, of growth, of cleansing, and of the development of spirit. During this period, a soul desirous of enlightenment will find him or herself wandering in a spiritual wilderness and undergoing tests and trials on all planes of being. For example, During the Great Flood, it rained for 40 days and 40 nights. The Israelites wandered the desert for 40 years in search of the Promised Land. Moses spent 40 days on Mount Sinai in commune with God. After he was baptized, Jesus spent 40 days meditating in the desert. The Catholic Lent is for 40 days. After the resurrection, Jesus appeared to the apostles for 40 days. Buddha sat for 40 days under a tree before achieving enlightenment. The Archangel Gabriel first appeared to Mohammad when he was 40 years old. A child lies some 40 weeks in the womb. Strangely enough, the author was 40 years old when he finished this book in 1998.
