Hocking, 1991 *The Seven Laws of Christian Leadership* David Hocking, 2016-03-01 **The seven laws of Christian leadership** [7000 7000 7000 7000], 1996 **The Christian Leader**, 1929 **INGREDIENTS OF LEADERSHIP** PIOUS JOSEPH PAUL YANZUH, ALLEN JAY B. TADINA, 2019-08-07 Leadership is indeed an influence And it needs certain vital ingredients to build character formation One cannot influence with a bad character Leaders considers Character very important since it deals with personhood that affects both personality and professionalism Applying the Good Character traits as a leader will influence affect motivate encourage and inspire your followers Because of this leaders need ingredients which can help them to build a good character traits to win the trust and confidence of their followers This book will guide you on the steps of character formation and the dynamics to develop your leadership skills **Advice For Young Leaders: Christian Leadership for the Next Generation** Carl Shank, 2018-06-11 The real question for those daring to enter into full time professional ministerial service for the Lord Jesus Christ is how do I not fall and finally fail my Lord and Savior How do I make sure that my ministry years will be biblically fruitful and that I will remain faithful to Christ How can I leave a legacy of godliness and faithfulness that others can follow safely and surely This book explores some of the answers to those questions *The Light of Conscience* William Shore, 2005-08-09 AN INSPIRATIONAL MEDITATION ON THE POWER OF CONSCIENCE HOW A SIMPLE ACT A MOMENT OF PURPOSE CAN CHANGE YOUR LIFE YOUR COMMUNITY EVEN THE WORLD We all struggle at times to know what to do to seek and abide our conscience when right and wrong are not black and white when heart and head speak with different voices when our intentions and interests are not aligned If you believe that the outcome of these struggles affects the course of your life and the lives around you then this book is for you If you believe that there are times and places when the choice an individual makes to speak or be silent to eat or fast to remain seated or to stand up in a crowd to stare and remember or to walk on by and forget can be as powerful as a president s command a congressional appropriation or a military incursion then this book is for you This book is for you if your profession is rewarding financially but not spiritually or if you re ever worried that your career and conscience conflict This book is for you if you are a parent whose love of your children never wavers with the anxiety they cause you but sometimes leaves you wondering whether they will grow up to do the right thing even if no one is watching This book is for you if you question whether the countless small decisions you make each day add up to a larger judgment about your life s meaning Finally this book is for you if you believe that quiet often solitary acts of conscience have echoes louder than the original sound that individual acts have the potential to trigger large public consequences and continue to inspire others from generation to generation that such acts bring rewards to the individual that unforeseen benefits accrue that one gains more than was sacrificed and that there is a transformative power and richness to a life so lived **Biblical Leadership** Benjamin K.
