The Abingdon Bible Commentary Frederick Carl Eiselen, Edwin Lewis, David George Downey, 1957 **The Abingdon Bible Commentary**, 1929 The Abingdon Bible Commentary Carl Eiselen Frederick (Lewis, E . Downey, D ., Ed), *The Abingdon Bible Commentary. Edited by F.C. Eiselen ... Edwin Lewis ... and David G. Downey* Frederick Carl EISELEN, David George DOWNEY, Edwin LEWIS (Professor in Drew Theological Seminary.), 1929 **The Abingdon Bible Commentary** Frederick Carl Eiselen, Edwin Lewis, David George Downey, 1929 **Eiselen-Abingdon Bible Commentary Regular** David George Downey, 1941-03 Basic Bible Commentary Brady Whitehead, Abingdon Press, 1994-06 Revised and updated Based on the NRSV and NIV translations Covers every book verse by verse Each volume also contains maps charts a pronunciation guide and a glossary Available in sets or individually **Abingdon Old Testament Commentaries: Ruth** Prof. Judy Fentress-Williams, 2012-06-01 From the Introduction Described by Goethe as the most charming little whole of antiquity Ruth has long been recognized for its literary quality This beautifully composed narrative continues to attract readers across generations and boundaries of gender class and ethnicity In fact the beauty of the book often distracts from the practical nature of the narrative For all of its appeal Ruth is after all a story about family and survival The marriage between Ruth and Boaz is a levirate marriage The goal of this practice is to ensure the continuation and stability of the family line Thus this charming little whole has as its subject preservation of life in the face of death and upholding memory to ward off the loss of identity This story of survival is short it consists of four chapters with elements of loss and recovery famine and harvest barrenness and fruitfulness life and death These elements afford the book a broad appeal as it speaks to various stages and seasons of life all the while upholding the power of faithfulness against an ever changing backdrop Named after one of the major characters the book of Ruth tells the story of Naomi of Bethlehem and her family in the days when the judges ruled So much of what happens in Ruth happens where no one can see Ruth binds herself to Naomi in the in between place of Moab and Judah No one is there to witness it Similarly Ruth asks Boaz for redemption in the middle of the night when we presume everyone else is asleep These events allow for the inclusion of Ruth as Boaz s people first as a gleaner and then as a wife The pattern of what happens away from our observation and then bursts forth where we can see it draws on the images of planting and harvest conception and birth On a theological level it suggests that even in the famine times God is planting seed preparing for the next harvest even when we cannot see it We must assume then that whatever we know or recognize about the work of God is only a small piece of the larger whole We cannot know it all Chapters Introduction A Dialogue of Determination Terms of Endearment A Cloaked Covenant A Dialogue of Identity Conclusion **Abingdon Bible Handbook** Edward Payson Blair, 1975-01-01 *Abingdon New Testament Commentaries* | John Dwight Moody Smith, 1999 In this volume Smith views the Fourth Gospel within several contexts in order to illuminate its specific purposes and achievements A growing consensus of recent scholarship including Martyn Raymond E Brown Meeks seeks the roots of this Gospel and its

traditions in the conflict between Jesus followers and opponents within Judaism In their struggles Jesus followers are encouraged and strengthened by his continuing presence in the Spirit which articulates his meaning for new situations Although distinctive Johannine Christianity does not develop in complete isolation from the broader Christian Gospels Out of a fascinating if complex setting develops the strikingly unique statement of Christian faith practice and doctrine found in the Gospel of John The purpose of this commentary is to enable the reader to comprehend that statement in historical perspective in order to appreciate its meaning and significance **John** Norman P. Madsen,1994 Revised and updated Based on the NRSV and NIV translations Covers every book verse by verse Each volume also contains maps charts a pronunciation guide and a glossary **Abingdon Old Testament Commentaries: Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, Malachi** Dr. Julia M. O'Brien,2011-09-01 The Abingdon Old Testament Commentaries provide compact critical commentaries on the books of the Old Testament for the use of theological students and pastors The commentaries are also useful for upper level college or university students and for those responsible for teaching in congregational settings In addition to providing basic information and insights into the Old Testament writings these commentaries exemplify the tasks and procedures of careful interpretation all to assist students of the Old Testament in coming to an informed and critical engagement with the biblical texts themselves The six books found at the close of the Minor Prophets Nahum Habakkuk Zephaniah Haggai Zechariah and Malachi present distinctive understandings of God humanity and the future This commentary engages those understandings considers what the books may have meant in the past and describes how they resonate with contemporary readers With attention to issues of gender violence and inclusivity O'Brien explores the ethical challenges of the books and asks how faithful readers can both acknowledge the problems these biblical books raise and appreciate their value for contemporary theological reflection *Michigan Christian Advocate* ,1928 The Journal of Religion ,1929 Includes section Book reviews *London Quarterly Review* ,1926 *Why Early A.A. Succeeded* Dick B,2011-07-26 Early AAs studied the Bible took their basic recovery ideas from the Bible and stressed reading it They called it the Good Book The Good Book was read at the beginning of almost every pioneer meeting It was read at the Quiet Times held each morning at the home of Dr Bob and Anne Smith for AAs and their families It was the subject of almost every book article and devotional they used in their own Quiet Times Bill W later wrote Rev Sam Shoemaker that he would like to see Bible study groups of AAs studying the Word in church basements Well and good We know early AAs did study Jesus Sermon on the Mount Matthew 5 to 7 1 Corinthians 13 the Book of James Psalms 23 and 91 and many other verses and chapters cited in the Christian literature they circulated But what precisely did they study and borrow Where do you begin today if you wish to adopt their highly successful practice Just which portions will bring the power peace joy liberty forgiveness healing and deliverance from alcoholism and their other problems that early AAs sought and achieved in relying on their Creator How do you begin if you are in A A or another 12 Step program and want to understand the program by using the Good Book in the

way A A s founders and pioneers did Author Dick B has spent 21 years researching the biblical roots and sources of early A A s program He has published 42 titles on the subject And four of his recent titles are specifically devoted to and useful for Good Book study and Good Book groups in recovery programs such as A A Al Anon and the many other 12 Step groups The four books including this very title are 1 The Good Book and The Big Book A A s Roots in the Bible 2 Good Morning Quiet Time Morning Watch Meditation and Early A A 3 By the Power of God A Guide to Early A A Groups 4 Why Early A A Succeeded The Good Book in Alcoholics Anonymous Yesterday and Today A Bible Study Primer for AAs and other 12 Steppers We recommend you obtain and use all four as a set This particular title has the much requested much needed and highly useful guides for AAs and other self help people in today s recovery arena The power and deliverance and love of the Creator are available today They have simply been obscured by New Age language on spirituality higher powers any god and just plain idols that abound in today s room talk and literature There are plenty of books on Bible study There is none that addresses early A A s own endorsements of Bible study its own approach to the Good Book and the particular release from prisons that AAs and others need and can find in the Bible itself This is a how to book It doesn t tell you what to believe how to believe or what to join It does tell you how to read the Bible understand early A A ideas and victories founded on the Bible and put the whole deliverance picture together for yourself The set of four books will point up four different areas of need and the solutions First what is the evidence in A A of Bible ideas and language The Good Book and The Big Book Second what is the meaning of real meditation and Quiet Time as they were practiced Good Morning Third how did they and can you today accomplish coordinating recovery ideas with God s own ideas in groups By the Power of God Finally in this title just what can you look for and use in the Bible now Why Early A A Succeeded Treat yourself to the facts You will no longer find them in Twelve Step Recovery or Therapy writings Yet they were the heart of early A A s Program and successes

The Creation
Everett Jenkins, 2003 The major monotheistic religions of the world Judaism Christianity and Islam have certain elements in common particularly in their scriptures concerning the beginnings of life and the early history of human beings This shared beginning is compellingly worth further study Common ground and common threads can only help a dialogue between people of different faiths This reference work could be a tool toward greater understanding of other faiths and focuses on the story of the creation of the universe and of humans Part One traces the development of the earth and its inhabitants from a scientific viewpoint so that the humanistic perspective may be contrasted with the scriptural accounts to follow Part Two features an introduction to the Tanakh information on the Torah and what is known about its authors and other influences on the Jewish religion followed by actual scriptures from the Torah from the creation through the destruction of the Tower of Babel Then a section each is devoted to an explanation of the Catholic Protestant and Fundamentalist Christian interpretations of these stories citing scripture as appropriate Part Three affords a Muslim perspective with excerpts from the Sirah that refer to events and characters from the early chapters of Genesis The appendices are rich various chronologies

of similar events based on the different scriptures tables of contents for the various holy books tables presenting summaries of a particular perspective on a subject or comparisons between two perspectives and much more *No Place for a Woman* Shirley Hall-Williams,2010-11 Thousands of women have held positions in church pulpits throughout America and around the world Are they out of place Have they been called by God or have they climbed the mountain of selfish pride and rebellion against God s will What will ultimately be the result of their decision to stand in the pulpit In her eye opening book *No Place for a Woman* Shirley Williams answers these questions examines the consequences establishes solutions and offers Christian women a more biblical way to serve God Aggressively responding to modern beliefs Williams defines what Christian leadership should look like and what place women have in Christianity *No Place for a Woman* shows biblically based principles and how these were given for the good of men and women Achieve a better understanding of God s call for women and where there is *No Place for a Woman* **The Living Church** ,1946 Cured Dick B.,2006 Early AAs were cured of Alcoholism For a decade the pioneers said so Alcoholism can still be cured and this book explores in detail the myth that revisionists therapists and treatment folk have perpetuated while ignoring that the original cures were achieved by reliance on the Creator The whole meaning history and detours of the cure situation are thoroughly explored
