

The Abortion Debate

**Philippe Besnard, Sylvie
Doutre, Anthony Hunter**

The Abortion Debate:

The Abortion Debate Johannah Haney, 2009-01-01 Examines the debate over abortion discussing both the pro life and pro choice sides of the argument the history and laws on abortion in the United States and finding a middle ground on the issue Provided by publisher

The Abortion Debate Claudia Caruana, 1992 Examines historic and contemporary legal decisions regarding abortion on both the state and federal levels *The Abortion Debate in the United States and Canada* Maureen Muldoon, 2021-03-19 First published in 1991 Over the last twenty five years or so the debate on abortion has not moved any closer to resolution in either the United States or Canada The courts the legislatures the pulpits the classrooms the hospitals and clinics and the media have provided the forums for this on going struggle Two groups of activists have dominated the debate The opponents of abortion who are referred to as anti abortion or pro life advocate restrictive policies on abortion while the pro choice groups direct their attempts to creating a permissive policy that allows a woman to make her own decision The anti abortion advocates and the pro choice advocates alike have learned the skills and developed the strategies to advance their own positions Whatever legal and public policy gains are made by one side are often countered by moves from their opponents There is available a vast amount of material related to the topic of abortion From the extensive and diverse literature this book draws a collection of relevant materials primarily representing aspects of the sociological philosophical religious and legal aspects of the abortion issue Its purpose is to serve as a source book for those interested in seeing how the abortion debate has been conducted within the recent past The book also serves as a reference work for further study

Beyond Pro-life and Pro-choice Kathy Rudy, 1996 Beyond Pro Life and Pro Choice is a gift to all who want to expand their understanding of the religious moral and philosophical aspects of the abortion debate Ethicist Kathy Rudy examines four systems of belief Catholicism evangelical Protestantism feminism and classical liberalism as expressed in the medical profession and reveals the role abortion plays in each She shows why in each case ideas about abortion are unlikely to change because they emerge from each community's deeply held values and concerns which vary from community to community She demonstrates that constructing the abortion debate as a choice between pro life and pro choice has distorted and misrepresented the ways that many people relate to the issue of abortion and has obscured the diversity of belief both among and within communities and individuals Finally she offers a provocative alternative that would allow every community involved to more freely develop and express its views about the morality of abortion

Contested Lives Faye D. Ginsburg, 1998-09-01 Based on the struggle over a Fargo North Dakota abortion clinic Contested Lives explores one of the central social conflicts of our time Both wide ranging and rich in detail it speaks not simply to the abortion issue but also to the critical role of women's political activism A new introduction addresses the events of the last decade which saw the emergence of Operation Rescue and a shift toward more violent even deadly forms of anti abortion protest Responses to this trend included government legislation a decline in clinics and doctors offering abortion services and also the formation of

Common Ground an alliance bringing together activists from both sides to address shared concerns Ginsburg shows that what may have seemed an ephemeral artifact of Midwestern feminism of the 1980s actually foreshadowed unprecedented possibilities for reconciliation in one of the most entrenched conflicts of our times **The Middleground** Bhavani Sitaraman,1994 After Roe Mary Ziegler,2015-06-08 In the decade after the 1973 Supreme Court decision on abortion advocates on both sides sought common ground But as pro abortion and anti abortion positions hardened over time into pro choice and pro life the myth was born that Roe v Wade was a ruling on a woman s right to choose Mary Ziegler s account offers a corrective *Interests in Abortion* Tracie Martin,2018-02-06 This title was first published 2000 Ever since Michael Tooley published his article on Abortion and Infanticide in 1972 the abortion debate has revolved around questions such as What is a person What is it that gives persons the right to life and Is it wrong to kill potential persons This study defends a position that accepts elements from both the liberal and conservative tradition Following Tooley Tracie Martin understands personhood in terms of psychological states and agrees that early fetuses who lack the relevant mental states are not persons While this might seem a victory for the liberal tradition Martin then goes on to provide an empirically based argument for the view that by 24 weeks gestation fetuses have acquired the relevant characteristics that provide strong grounds for thinking that it is directly wrong to kill such fetuses Abortion Meghan Green,2017-12-15 Should abortion be legal How late in a pregnancy should a woman be allowed to have an abortion What impact would outlawing abortion have on women especially those who live in poverty Readers learn about these and other abortion concerns all sides of the debate are discussed to help them form their own opinions Informative charts and in depth sidebars highlight important facts about this controversial topic and a list of discussion questions is included to give them a starting point for further debate and guided thinking about this complex issue *The Abortion Debate in the World Arena* Andrzej Kulczycki,1999 Using extensive interviews including discussions with heads of state and church and original research in Kenya Mexico and Poland Andrzej Kulczycki examines how cultural history women s movements the Catholic Church and transnational influences have shaped abortion policies in those nations and beyond *Whose Life?* Catherine Whitney,1991 A study of the abortion debate in a historical context and at the same time examining the contemporary issues Female Oppression and Resistance: A Historical Perspective Pasquale De Marco,2025-07-07 *Female Oppression and Resistance: A Historical Perspective* offers a comprehensive examination of the oppression and resistance faced by women throughout history with a particular focus on the United States Drawing on a wide range of sources this book explores the social economic and political forces that have shaped women s experiences It examines the cult of domesticity in the 19th century the rise of feminism in the early 20th century and the backlash against feminism in the 1980s and 1990s The book also examines the progress that women have made in all spheres of life from the workforce to politics and the arts However it also acknowledges that gender inequality persists in many areas and women continue to face discrimination and violence This book does not claim to provide an

exhaustive account of the history of female oppression and resistance Rather it offers a series of snapshots that illuminate the key challenges and turning points that have shaped women s experiences throughout history By examining the past we can better understand the present and work towards a more just and equitable future for all women This book is essential reading for anyone interested in women s history gender studies or social justice It is a valuable resource for students scholars activists and anyone who wants to learn more about the challenges and triumphs of women throughout history If you like this book write a review on google books

Computational Models of Argument Philippe Besnard,Sylvie Doutre,Anthony Hunter,2008 Focuses on the aim to develop software tools to assist users in constructing and evaluating arguments and counterarguments and or to develop automated systems for constructing and evaluating arguments and counterarguments This book includes articles which provide a snapshot of research questions in the area of computational models of argument

The Pro-Life/Choice Debate Mark Y. Herring,2003-07-30 Herring examines the issue from the debate s origin to its current state and expected future Narrative chapters include discussions of the pro and con arguments associated with abortion featuring quotes from doctors politicians religious figures and ordinary people

The Politics of Virtue Elizabeth Mensch,Alan Freeman,1993 Fiercely committed to the separation of church and state thoroughly pluralistic largely secular Where does a society like ours find common terms for conducting a moral debate In view of the crises surrounding the issue of abortion it is tempting to answer nowhere In this timely and provocative book Elizabeth Mensch and Alan Freeman urge that we challenge the extremes of both the pro life and pro choice views of the abortion issue and affirm the moral integrity of compromise Attempting to restore a level of complexity to the discussion and to enrich public debate so that we may move beyond our current impasse the authors argue that it is essential to understand how issues of legal rights and theological concerns interact in American public debate Returning to the years leading up to Roe v Wade Mensch and Freeman detail the role of religion and its relationship to the emerging politics of abortion Discussing primarily the natural law tradition associated with Catholicism and the Protestant ethical tradition the authors focus most sharply on the 1960s in which the present terms of the abortion debate were set In a skillful analysis they identify a variety of factors that directed and shaped the debate including among others the haunting legacy of Nazism the moral challenge of the civil rights movement the God is dead discourse school prayer and Bible reading Harvey Cox s *The Secular City* the Berrigans and Vietnam the animal rights movement and the movement of the church going population away from mainstream Protestant tradition toward evangelical fundamentalism By criticizing the rhetoric employed by both the pro choice and pro life camps Mensch and Freeman reveal the extent to which forces on either side of the issue have failed to respond to relevant concerns Since Roe v Wade the authors charge public debate has seemed to concede the moral high ground to the pro life position while the pro choice rhetoric has appeared to defend an individual s legal right to do moral wrong Originally published as a special issue of *The Georgia Law Review* Spring 1991 this revised and expanded edition will be welcomed by all those

frustrated by the impasse of debates so central to our nation's moral life **Challenging Reproductive Control and Gendered Violence in the Américas** Leandra Hinojosa Hernández, Sarah De Los Santos Upton, 2018-04-05 Challenging Reproductive Control and Gendered Violence in the Américas Intersectionality Power and Struggles for Rights utilizes an intersectional Chicana feminist approach to analyze reproductive and gendered violence against women in the Américas and the role of feminist activism through case studies including the current state of reproductive justice in Texas feminicides in Latin America raising awareness about Ni Una Más and anti-feminicidal activism in Ciudad Juárez and reproductive rights in Latin America amidst the Zika virus Each of these contemporary contexts provides new insights into the relationships between and among feminist activism reproductive health the role of the state local governments health organizations and the media and the women of color who are affected by the interplay of these discourses mandates and activist efforts

Abortion-- Murder Or Mercy? François B. Gérard, 2001 This book is meant to provide an overview of and gather the literature on abortion one of the most divisive issues of our times Honest women and men the world over must deal with this issue in their hearts and minds whether or not they ever face the issue personally It is hard to conceive of a single thinking person who doesn't have an opinion on abortion usually strongly held The arguments are cogent on both sides of the issue We hope that this collection will bring to the attention of readers the publications which shed light on the fundamental issues involved **Abortion Debate** Courtney Farrell, 2008-01-01 Discusses the controversial viewpoints regarding abortion

Moral Choices Scott Rae, 2018-10-16 Outlining the distinctive elements of Christian ethics Moral Choices is the standard text for college ethics courses Moral questions are at the core of life's most vital issues But today we see a breaking down of humanity's ability to distinguish between right and wrong After describing a seven-step procedure for thinking through ethical dilemmas author Scott Rae uses case studies to address some of today's most challenging ethical and social issues He guides students in thinking critically and biblically about issues including Abortion Euthanasia Capital Punishment Sexual Ethics War Technologies including reproductive and genetic Ethics and Economics Creation Care and Animal Rights Gun Control Race Gender and Diversity Immigration Refugees and Border Control This book also introduces other ethical systems and their key historical proponents including Plato Aristotle Augustine Thomas Aquinas and Immanuel Kant With its unique union of theory and application and its well-organized easy-to-use design the fourth edition of Moral Choices also offers extensive updates revisions and three brand new chapters all designed to help students develop a sound and current basis for making ethical decisions in today's complex postmodern culture FEATURES Relevant Case Studies throughout Discussion questions at the end of each chapter Sidebars with case studies for discussion Recommended further reading *Filled with Spirit and Power* Laura R. Olson, 2000-06-08 In *Filled with Spirit and Power* Laura R. Olson explores the variety of orientations urban Protestant clergy display regarding political involvement as well as the many factors that shape their activity In the typical urban setting of Milwaukee Wisconsin the choices pastors make about political involvement are shaped

in a profound way not only by their specific religious traditions but also by the socioeconomic status of the neighborhoods in which they serve Pastors who serve in economically disadvantaged central city neighborhoods spend the most time on politics because they come into contact with poverty and its consequences on a daily basis

While this might not be the The Abortion Debate full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Abortion Debate eBooks, including some popular titles.

FAQs About The Abortion Debate Books

What is a The Abortion Debate PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view

or print it. **How do I create a The Abortion Debate PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Abortion Debate PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Abortion Debate PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Abortion Debate PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
