The Wilderness Family Kobie Kruger, 2014-11-28 When Kobie Kruger her game ranger husband and their three young daughters moved to one of the most isolated corners of the world a remote ranger station in the Mahlangeni region of South Africa's vast Kruger National Park she might have worried that she would become engulfed with loneliness and boredom Yet for Kobie and her family the seventeen years spent in this spectacularly beautiful park proved to be the most magical and occasionally the most hair raising of their lives Kobie recounts their enchanting adventures and extraordinary experiences in this vast reserve a place where bathed in golden sunlight hippos basked in the glittering waters of the Letaba River storks and herons perched along the shoreline and fruit bats hung in the sausage trees But as the Krugers settled in they discovered that not all was peace and harmony They soon became accustomed to living with the unexpected the sneaky hyenas who stole blankets and cooking pots the sinister looking pythons that slithered into the house and the usually placid elephants who grew foul tempered in the violent heat of the summer And one terrible day a lion attacked Kobus in the bush and nearly killed him Yet nothing prepared the Krugers for their greatest adventure of all the raising of an orphaned prince a lion cub who when they found him was only a few days old and on the verge of death Reared on a cocktail of love and bottles of fat enriched milk Leo soon became an affectionate rambunctious and adored member of the family It is the rearing of this young king and the hilarious endeavours to teach him to become a real lion who could survive with his own kind in the wild that lie at the heart of this endearing memoir It is a memoir of a magical place and time that can never be recaptured

Elephant Dance Tammie Matson, 2009-10-01 It's the middle of the night in the Namibian desert when zoologist Tammie Matson wakes with a start to find two elephants standing beside her tiny tent She makes a promise If you just let me survive tonight I will give up Africa I'll give it all up Just don't let them stand on me It's not a promise she will easily keep At 29 Tammie has spent nearly half her life in Africa her first love working as a conservationist But as her 30s approach Tammie is conscious of not having ticked those boxes no house no kids and no husband Broke and with her visa running out it seems like Africa may just force her to give it up after all On returning to Australia Tammie lands a job at the Worldwide Fund for Nature WWF in Sydney There she meets Andy a charismatic Brit and Africa suddenly has a rival But she's not ready to give up on the elephants yet From the magic of Bushmanland to the banks of Chobe River in Botswana to the civil strife of Assam India Elephant Dance takes us to the heart of a conservationist's fight to find a way for elephants to live peacefully in a world with too many people too few resources and the increasing threat of climate change Passionate funny and moving Elephant Dance is also a classic story of self discovery love and the courage it takes to follow your calling especially when it takes you places you least expected

Mahlangeni Kobie Kruger,2012-10-02 Mahlangeni the Tsonga word for meeting place is one of the most remote ranger stations in the Kruger National Park Far from everywhere this isolated corner of the wilderness was home for eleven years to Kobie Kruger wife of the ranger in charge of the station and their three daughters Running a household and raising a family in a place where leopards elephants snakes and the like are your only neighbours where you have no telephone and where a trip to town means first crossing a river full of hippos and crocodiles is hardly a straightforward business But Kobie Kruger tackled each problem with undaunted pragmatism and an energy that gives new meaning to the word resourceful Written with warmth humour and a charm that reflects her deep love of the solitude of the wilderness and her respect for its creatures great and small her story of life at Mahlangeni will delight all lovers of wild places
