The Habit Of Prayer:

Make Prayer a Habit Babes Tan Magkalas, 2017-01-05 How would you like to make praying a habit How would you like to automatically praise God upon waking up in the morning How would you like to automatically recall a verse or two from the Bible when you are anxious or troubled and then automatically pray based on those Bible verses How would you like to develop the habit of listening to God in not just one but in various ways These are just some of the benefits you will experience if you do the small action steps in this book small daily comfortable steps towards a meaningful prayer life and making God part of your daily life These small steps or actions which can be done in 30 seconds to a few minutes fit into the tightest schedule It also takes very little effort on your part When you think about it this is really how change happens step by step nothing drastic nothing radical These small easy improvements everyday will add to significant transformation later These SMALL changes while seemingly insignificant add up to something BIG The Make Prayer A Habit was first offered as a 28 Week digital program Below is a testimonial from someone who completed the program Thank you so much for all you've done to Make Prayer a Habit for me and for so many others Yes this has been very helpful for me for many reasons First it has gotten me into the habit of prayer of listening to God and how to talk to Him Secondly I have made it a habit to pray first thing in the morning as I am getting ready to go to church I go to daily Mass everyday For instance this morning as I got up and got ready to go to church I started to get upset about an incident that happened on Saturday Then I stopped myself and reminded myself about the Make Prayer a Habit lessons and immediately started praising the Lord and my anger about this incident just vanished and I can honestly say that the incident on Saturday doesn't bother me anymore Thirdly because of the lessons that I've learned I find myself praying and praising God more often during the day wherever I am I am sure that your 28 lessons will continue to sink in my heart and mind as I continue to develop better prayer habits in myself as time goes on I will always go back and reread the weekly lessons to keep it reinforced in my heart and mind Thank you for these very wonderful and helpful lessons Marian M There's a powerful saying that states a journey of a thousand miles must begin with the first step Begin taking small daily comfortable steps towards enhancing your prayer life and consequently build a closer personal relationship with our Creator
