The Hadj:

The Hadj Michael Wolfe, 2013-11-19 With this impassioned memoir an American convert to Islam lifts the veil on this ancient and sacred duty of making a pilgrimage to Mecca Publishers Weekly The hadj or sacred journey is the pilgrimage to Mecca that all Muslims are enjoined to make once in their lifetimes One of the world's oldest religious rites the hadj has continued without break for fourteen centuries It is like most things Islamic shrouded in mystery for Westerners Here Michael Wolfe an American born writer and recent Muslim convert recounts his experiences on this journey Wolfe begins his narrative in Marrakech Morocco Beginning with the month long fast of Ramadan he immerses himself in the traditional Muslim life of Morocco Then in Tangier he visits mystics and the American author Paul Bowles From there he journeys to Mecca the sacred desert city in Saudi Arabia closed to all but Muslims Though the buildup to the Gulf War hovers in the background the age old rites of the hadj are what most preoccupy Wolfe His experience profoundly strengthens his bond to the faith he has embraced as an outsider making it personal and alive At a time when the eyes of the world are on Islam The Hadj offers a much needed look at its human face

Street Without a Name Kapka Kassabova, 2012-05-23 After years on the outside Bulgaria has finally made it into the EU club but beyond the clichés about undrinkable plonk cheap property and assassins with poison tipped umbrellas the country remains a largely unknown quantity Born on the muddy outskirts of Sofia Kapka Kassabova grew up under Communism got away just as soon as she could and has loved and hated her homeland in equal measure ever since In this illuminating and entertaining memoir Kapka revisits Bulgaria and her own muddled relationship to it travelling back to the scenes of her childhood sampling its bizarre tourist sites uncovering its centuries old history of bloodshed and blurred borders and capturing the absurdities and idiosyncrasies of her own and her country's past Also available as an eBook

The Hajj and Europe in the Age of Empire, 2016-10-05 The present volume focuses on the political perceptions of the Hajj its global religious appeal to Muslims and the European struggle for influence and supremacy in the Muslim world in the age of pre colonial and colonial empires In the late fifteenth century and early sixteenth century a pivotal change in seafaring occurred through which western Europeans played important roles in politics trade and culture Viewing this age of empires through the lens of the Hajj puts it into a different perspective by focusing on how increasing European dominance of the globe in pre colonial and colonial times was entangled with Muslim religious action mobility and agency The study of Europe's connections with the Hajj therefore tests

the hypothesis that the concept of agency is not limited to isolated parts of the globe By adopting the tools of empires the Hajj in itself a global activity would become part of global and trans cultural history With contributions by Aldo D Agostini Josep Llu s Mateo Dieste Ulrike Freitag Mahmood Kooria Michael Christopher Low Adam Mestyan Umar Ryad John Slight and Bogus aw R Zag rski **The Late Dr. Charles Beke's Discoveries of Sinai in Arabia and of Midian with Portrait, Geological, Botanical, and Conchological Reports, Plans, Map, and Thirteen Wood Engravings** Charles Tilstone Beke,1878 "The" Late Dr. Charles Beke's Discoveries of Sinai in Arabia and of Midian Emily Beke,1878 **The Sketch**,1903 **Osama the Gun** Norman Spinrad,2016-11-15 THE NOVEL DEEMED TOO DANGEROUS TO BE PUBLISHED IN AMERICA IS FINALLY PUBLISHED IN AMERICA In this thought provoking work set in the near future and first published in 2007 Spinrad Raising Hell traces the course of his protagonist s life from naive youth to veteran soldier At its core the book is about a young man struggling with his faith and the politics that are rightly or wrongly attached to that faith and his choices feel plausible even to readers who would make very different ones Publishers Weekly Starred Review OSAMA THE GUN set in a not so far future when the Sons of Osama have established a powerful Islamic Caliphate with Pakistani nuclear weapons and Arabian oil money is the story of one of those sons of the martyr a naive and sincere young man who becomes a Caliphate secret agent to escape its closed confines and see the world and finds himself becoming the reluctant hero of the title Osama the Gun becomes a terrorist leader on a small scale by happenstance a mercenary used by Islamic forces fighting an American proxy invasion in the oil lands of Nigeria an iconic figure in the manner of El Che All the while he charms the reader as a likable sincere idealistic and sympathetic human doing very unsympathetic things to the interests of the United States of America I wanted the reader to hate the sin but love the sinner because I felt it had to be done and since no one else seemed to be willing to do it I had to try to do it myself come what may Because Islam was being confused with its radical Middle Eastern jihadhis and Arabs in general with terrorists and it seemed to me that the alien jihadist consciousness had to be experienced from within and empathetically understood Which was why OSAMA THE GUN had to be written and why as one foaming at the mouth rejection letter predicted no American publisher would touch this book Norman Spinrad *Travels in Syria and the Holy Land* John Lewis Burckhardt,1822 Journal of an Expedition to the Court of Morocco John H. Near East His foregrounding of empirical observation in a largely uncharted territory of his day was pioneering and his scholarly pursuits were driven by a desire to document the often overlooked histories of the Arabs and the significance of the Holy Land His adventurous life was marked by both scholarly ambition and the challenges of travel in a politically charged environment I highly recommend *Travels in Syria and the Holy Land* to readers interested in rich travel narratives that offer nuanced perspectives on culture and history This book not only serves as an invaluable resource for students of Middle Eastern history but also enchants lovers of literature with its expressive style and authoritative insights *Kapal Haji: Singapore And The Hajj Journey By Sea* Anthony Green, Mohd Raman Daud, 2019-09-23 The hajj calls Muslims to journey to Mecca from wherever they are across the world Of the far flung communities one of the largest is that of the Muslims of Southeast Asia and within that region in times past one of the principal centres for hajj transit and transport was Singapore If modern air travel bridges continents within hours before the 1970s pilgrim travel from Southeast Asia was by sea and distance and difficulties were far more strongly felt Hajj pilgrims then might take a lifetime to save for the journey so a great many were old and frail yet no real records remain and very few personal accounts exist of the experience the tests or fears along the way of the time spent under sail or by steam This book sets out to describe the development of hajj shipping and the historical place of Singapore in this network And through anecdotes and comparisons images and maps to paint a picture of what this hajj journey by sea entailed and in that sense to offer a kind of human face to the journey Related Link s

Notables and Clergy in Mount Lebanon Richard van Leeuwen, 2023-08-21 Notables and Clergy in Mount Lebanon analyzes the relations between the Maronite notables and the Church in the context of socio economic transformations in Mount Lebanon in the period 1736 1840 Special attention is given to the influence of external forces such as the economic interference of the European nations the Syrian and Ottoman administrative framework and the increasing involvement of the Vatican in the affairs of the Maronite community The emphasis is laid on the role of religious foundations or waqfs in the process of social and economic integration both within the Maronite community and in the wider frameworks in which it gradually became incorporated These external and internal factors can explain the remarkable political emancipation of the Maronite Church which assumed an important role in the history of Mount Lebanon in the 19th century *The Monthly Repertory of English Literature, ...
