The Old Army in Texas Thomas Ty Smith, 2021-10-27 In The Old Army in Texas U S Army officer and historian Thomas Ty Smith presents a comprehensive and authoritative single source reference for the activities of the regular army in the Lone Star State during the nineteenth century Beginning with a series of maps that sketch the evolution of fort locations on the frontier Smith furnishes an overview with his introductory essay U S Army Combat Operations in the Indian Wars of Texas 1849 1881 Reprinted from the Southwestern Historical Quarterly Smith s essay breaks new ground in an innovative analysis of the characteristics of army tactical methods and the nature of combat on the Texas frontier introducing a unique historical model and methodology to examine the army Indians conflicts The second part of this guide Commanders and Organization Department of Texas 1848 1900 lists the departmental commanders the location of the military headquarters and the changes in the administrative organization and military titles for Texas Part III U S Army Sites in Texas 1836 1900 provides a dictionary of 223 posts forts and camps in the state It is the most extensive inventory published to date including essential information on all of the major forts as well as dozens of obscure sites such as Camp Las Lajas Camp Ricketts and Camp Lugubrious The fourth part Post Garrisons 1836 1900 gives a year by year snapshot of total army strength in the state the regiments assigned and the garrisons and commanders of each major fort and camp Supplying the only such synopsis of its kind the Summary of U S Army Combat Actions in the Texas Indian Wars 1849 1881 the guide s Part V offers a chronological description of 224 U S Army combat actions in the Indian Wars with vivid details of each engagement The 900 entries in the selected bibliography of Part VI are divided topically into sections on biographical sources and regimental histories histories of forts garrison life civil military relations the Mexican War and frontier operations In addition to being a helpful catalog of standard histories there are two important and unusual aspects to the bibliography It contains a complete range of primary source microfilm material from the National Archives

including the roll numbers of specific periods of forts and units and secondly the bibliography integrates nearly all of the published archeological reports into the section on fort histories The Old Army in Texas is an indispensable reference and research tool for students scholars and military history aficionados It will be of great value to those interested in Texas history especially military history and local and regional studies This superb reference work is illustrated with a number of maps and rare photographs of the U S Army in nineteenth century Texas **Beyond the Comfort Zone** Frank

Wilkins,2015-02-14 Questions We all have them rattling around in the back of our minds How did the country get to be like this We have a government thats repeatedly paralyzed by a Congress and president constantly at odds We have a monster bureaucracy churning out an avalanche of new medical regulations We have a shooting war thats been going on since 9 11 a war in which our terrorist enemies have struck at nations around the globe and might eventually acquire nuclear weapons And then theres the other war In nearly every state battles are being fought over issues which are central to the very fabric of life Our societys basic building blocks marriage family the concept of morality itself have been turned into political footballs This is a kind of war which has no end More questions How can all this be happening We thought that two World Wars and a four decade Cold War had settled everything What is it thats turning this world into a lunatic asylum Is there any way to make sense out of it all This book isnt about questions The symbol on the front cover says just the opposite Its about answers And that includes answers to the biggest question of all This book is about the war that never ends **Uncommon**

Valor Dwight Jon Zimmerman,John D. Gresham,2024-05-01 A fascinating look at six of our bravest soldiers who fought in Afghanistan and Iraq recipients of the highest military decoration awarded in America Winner of the Military Writers Society of America s Highest Honor The Founder s Award Since the Vietnam War ended in 1973 the Medal of Honor our nation s highest award for valor has been presented to only eight men for their actions above and beyond the call of duty Six of the eight were young men who had fought in the current war in Iraq Afghanistan or both All of these medals were awarded posthumously as all had made the choice to give their lives so that their comrades might live Uncommon Valor answers the searing question of who these six young soldiers were and dramatically details how they found themselves in life or death situations and why they responded as they did For the first time this book also provides a comprehensive history of the Medal of Honor itself one marred by controversies scandals and theft Using an extraordinary range of sources including interviews with family members and friends teammates and superiors in the military personal letters blogs posted within hours of events personal and official videos and newly declassified documents Uncommon Valor is a compelling and important work that recounts incredible acts of heroism and lays bare the ultimate sacrifice of our bravest soldiers **Surviving Bataan and**

Beyond Irvin Alexander,2005-06-29 Colonel Irvin Alexander was one of the few captured at Bataan to survive the nightmarish experience of imprisonment in Japanese prison camps His account is a harrowing description of one of the most notorious incidents in World War Two Originally published 1999 **American Generals of the Revolutionary War** Robert

P. Broadwater, 2024-10-17 At the outbreak of the American Revolution in 1775 the colonies faced the daunting task of creating the first American army and its requisite leadership capable of combating a global superpower whose standing army and general ship were among the finest in the world Built largely from state and local militias the colonial army performed surprisingly well and produced a number of fine generals Some were experienced before the war like George Washington of the Virginia Militia and the British born Horatio Gates while others were as green as the soldiers they led This book presents basic biographical information about America's first generals in the Revolutionary War Included are all generals of the Continental Army along with those commissioned in the colonies militias Drawn from primary sources including death and census records records of the Continental Congress and contemporary writings each biographical sketch provides date and place of birth prewar education and occupation wartime service date and place of death and place of burial Portraits of each general are included where available and appendices display important statistics including comparative ages occupations officers lost by death resignation murder or changing loyalty and states or countries of origin **Iranian Women and**

Gender in the Iran-Iraq War Mateo Mohammad Farzaneh, 2021-02-22 Eighteen months after Iran's Islamic Revolution in 1979 hundreds of thousands of the country's women participated in the Iran Iraq War 1980-88 in a variety of capacities Iran was divided into women of conservative religious backgrounds who supported the revolution and accepted some of the theocratic regime's depictions of gender roles and liberal women more active in civil society before the revolution who challenged the state's male dominated gender bias However both groups were integral to the war effort serving as journalists paramedics combatants intelligence officers medical instructors and propagandists Behind the frontlines women were drivers surgeons fundraisers and community organizers The war provided women of all social classes the opportunity to assert their role in society and in doing so they refused to be marginalized Despite their significant contributions women are largely absent from studies on the war Drawing upon primary sources such as memoirs wills interviews print media coverage and oral histories Farzaneh chronicles in copious detail women's participation on the battlefield in the household and everywhere in between *Defender of the Gate* Erwin N. The Harper Encyclopedia Of Military Biography Introduction

In today's digital age, the availability of The Harper Encyclopedia Of Military Biography books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Harper Encyclopedia Of Military Biography books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Harper Encyclopedia Of Military Biography books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Harper Encyclopedia Of Military Biography versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Harper Encyclopedia Of Military Biography books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Harper Encyclopedia Of Military Biography books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Harper Encyclopedia Of Military Biography books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries

often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Harper Encyclopedia Of Military Biography books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Harper Encyclopedia Of Military Biography books and manuals for download and embark on your journey of knowledge?
