happens in the area of crime and terrorism Do wars happen What are the effects on cultures What was the impact of widespread fear and public hysteria of increased suspicion and scapegoating of the spread of rumors and conspiracy theories Jenkins sobering analysis is riveting and thought provoking reading for general readers and specialists alike and throws welcome light into what many fear is a dark future     **Warranting Assent** Edward Schiappa,1995-01-01 This book is a book about how individuals decide that arguments or excuses are valid or invalid sound or unsound strong or weak ethical or unethical with many examples and applications     **The Green Bag** ,1890 Includes index 1 v
