Marcel A. Müller

The Heart Of Chicago:

The Heart of Chicago Alexai Budziszewski, 1999 The Heart of Chicago , 1986 **The Heart of Toronto** Daniel Ross, 2022-04-01 From the 1950s to the 1970s downtown North America was reconfigured for the suburban age Municipal officials planned renewal schemes merchant groups lobbied for street improvements developers built bigger and taller Everywhere attention turned to the problems and possibilities at the commercial and civic heart of cities The Heart of Toronto follows one such example of reinvention downtown Yonge Street Efforts to keep pace with or even lead urban change included the street s conversion into a car free public space a clean up campaign targeting the sex industry and the construction of North America s largest urban shopping mall These revitalization projects were all connected to wider trends of postwar decentralization economic restructuring and cultural transformation Interweaving histories of development civic activism and corporate clout The Heart of Toronto widens our understanding of the actors and power dynamics involved in remaking downtown in Canada s largest city a process that is far from over **The Heart of Justice** Daniel

Engster, 2007-04-26 The Heart of Justice proposes a new framework of political justice based upon the practice of caring Integrating the insights of earlier care theorists with the concerns of traditional justice theorists Engster forges a new synthesis between care and justice and further argues that the institutional and policy commitments of care theory must be recognized as central to any adequate theory of justice Engster begins by offering a practice based account of caring and a theory of obligation that explains why individuals should care for others He then systematically demonstrates the implications of this account of caring for domestic politics economics international relations and culture In each of these areas he reviews the contributions of earlier care theorists and then extends their arguments to provide a more complete description of the institutions and policies of a caring society Care ethics is further put in dialogue with diverse cultural and religious traditions and used to address the challenges of multicultural justice cultural relativism and international human rights More fully than other works on care theory this book provides an over arching account of the institutions and policies of a caring society The Heart of Justice provides the first full account of a theory of justice based upon care ethics and should be of interest to anyone interested in thinking about the nature of our moral obligations and the institutions of a just society

Heart of Chicago Chicago, 1994 **The Heart of a City** Alexander Miller, 2007-06 Dying before birth and then miraculously revived Alexander Miller s first moments seemed to set the tone for the rest of his life Taken from a safe and loving environment by their mother Alex and his sibling s travel back to Chicago Escaping death numerous times on the egregious streets of Chicago s Southside surviving the abuse of neglecting caretakers and eventually on the verge of being placed in custody of the state the ten year old begins to lose many things including sanity Later relocating to California to live with his father Alex is once again reunited with the more peaceful and tame side of life Quickly catching on in school and later in sports his life does a complete 360 Problems after high school arise and seem to almost crush him however and see

him contemplating life's worth in a mental intervention program Through a series of miracles as well as hardships Alex is taught many lessons in life earlier than most Stern yet speckled with humor *The Heart of a City* provides an honest bold and sometimes disturbing look into the life of a man with an uncanny story to tell *The Heart of a Woman* Rae Linda Brown, 2020-06-22 Book Prize Winner of the International Alliance for Women in Music of the 2022 Pauline Alderman Awards for Outstanding Scholarship on Women in Music *The Heart of a Woman* offers the first ever biography of Florence B Price a composer whose career spanned both the Harlem and Chicago Renaissances and the first African American woman to gain national recognition for her works Price's twenty five years in Chicago formed the core of a working life that saw her create three hundred works in diverse genres including symphonies and orchestral suites art songs vocal and choral music and arrangements of spirituals Through interviews and a wealth of material from public and private archives Rae Linda Brown illuminates Price's major works while exploring the considerable depth of her achievement Brown also traces the life of the extremely private individual from her childhood in Little Rock through her time at the New England Conservatory her extensive teaching and her struggles with racism poverty and professional jealousies In addition Brown provides musicians and scholars with dozens of musical examples *The Heart of the Matter* Wesley M. Collins, 2016-11-16 Can a culture have a theme that unifies seemingly unrelated practices In this volume Collins suggests that Maya Mam customs as different as constructing a house staying healthy seeking God disciplining children agreeing to a contract or just speaking the language all originate from the same concept a search for the center This is far more than mere balance long recognized as a Mayan cultural value Rather center space is a place of physical and metaphysical peace acceptance meaning health happiness and home Collins also shows how centeredness is deeply embedded in the grammar of Mam its lexicon morphology syntax and discourse structure This relatedness of Mam culture and linguistics provides an unusually detailed contribution to the debate on linguistic relativity and the Sapir-Whorf hypothesis Collins combines historical accounts with firsthand ethnographic and linguistic methodology to explore the concept of centeredness Detailed accounts of his personal interaction with the Mam illustrate and enrich the book's concepts This volume will interest students of the relationship between language and culture generally and specifically those interested in the study of Maya of Mexico and Guatemala *The Heart of Time* Sabina Knight, 2020-03-23 By examining how narrative strategies reinforce or contest deterministic paradigms this work describes modern Chinese fiction's unique contribution to ethical and literary debates over the possibility for meaningful moral action How does Chinese fiction express the desire for freedom as well as fears of attendant responsibilities and abuses How does it depict struggles for and against freedom How do the texts allow for or deny the possibility of freedom and agency By analyzing discourses of agency and fatalism and the ethical import of narrative structures the author explores how representations of determinism and moral responsibility changed over the twentieth century She links these changes to representations of time and to enduring commitments to human heartedness and social justice Although Chinese fiction may

contain some of the most disconsolate pages in the twentieth century's long literature of disenchantment it also bespeaks Knight argues a passion for freedom and moral responsibility Responding to ongoing conflicts between the claims of modernity and the resources of past traditions these stories and novels are often dominated by challenges to human agency Yet read with sensitivity to traditional Chinese conceptions of moral experience their testimony to both the promises of freedom and the failure of such promises opens new perspectives on moral agency

The Heart of Judgment Leslie Paul Thiele, 2006-09-04 The Heart of Judgment explores the nature historical significance and continuing relevance of practical wisdom Primarily a work in moral and political thought it also relies extensively on research in cognitive neuroscience to confirm and extend our understanding of the faculty of judgment Ever since the ancient Greeks first discussed practical wisdom the faculty of judgment has been an important topic for philosophers and political theorists It remains one of the virtues most demanded of our public officials The greater the liberties and responsibilities accorded to citizens in democratic regimes the more the health and welfare of society rest upon their exercise of good judgment While giving full credit to the roles played by reason and deliberation in good judgment the book underlines the central importance of intuition emotion and worldly experience

The Heart of the Constitution Gerard N. Magliocca, 2018 This is the untold story of the most celebrated part of the Constitution Until the twentieth century few Americans called the first ten constitutional amendments drafted by James Madison in 1789 and ratified by the states in 1791 the Bill of Rights Even more surprising when people finally started doing so between the Spanish American War and World War II the Bill of Rights was usually invoked to justify increasing rather than restricting the authority of the federal government President Franklin D Roosevelt played a key role in that development first by using the Bill of Rights to justify the expansion of national regulation under the New Deal and then by transforming the Bill of Rights into a patriotic rallying cry against Nazi Germany It was only after the Cold War began that the Bill of Rights took on its modern form as the most powerful symbol of the limits on government power These are just some of the revelations about the Bill of Rights in Gerard Magliocca's *The Heart of the Constitution* For example we are accustomed to seeing the Bill of Rights at the end of the Constitution but Madison wanted to put them in the middle of the document Why was his plan rejected and what impact did that have on constitutional law Today we also venerate the first ten amendments as the Bill of Rights but many Supreme Court opinions say that only the first eight or first nine amendments Why was that and why did that change The Bill of Rights that emerges from Magliocca's fresh historical examination is a living text that means something different for each generation and reflects the great ideas of the Constitution individual freedom democracy states rights judicial review and national power in time of crisis

The Heart of Pastoral Counseling Richard L Dayringer, 2013-04-03 The relationship between pastor and parishioner is the essence of pastoral counseling a simple truth with profound implications Dr Richard Dayringer explores these implications in *The Heart of Pastoral Counseling: Healing Through Relationship* Revised Edition to help pastoral counselors understand how to use the relationship

to bring about the desired ends in the therapeutic process Drawing on research from the disciplines of psychiatry psychology marriage counseling family therapy and pastoral counseling this book lays the foundation for utilizing the pastoral counseling relationship to bring about positive change as it explores topics such as observation listening communication handling transference and termination of therapy Because the interpersonal relationship is the vehicle of therapy it is critical that pastoral counselors understand the psychological assumptions that play a large part in the characteristics of relationships as well as the factors requiring attention in order to establish a secure counseling relationship The Heart of Pastoral Counseling will help you attain this understanding as you also improve your knowledge on how pastoral relationships may be applied outside the therapeutic hour in general pastoral work eclectic methods for clarifying feelings developing intellectual insight interpreting questioning and assigning certain behavior employing the problem oriented record in pastoral counseling distinguishing relationship from transference and countertransference the unique problem that counseling acquaintances presents personality traits that attract people to the minister pastoral counselor counselor attitudes that foster relationship how a client's view of the counselor has an impact on the effectiveness of therapy The Heart of Pastoral Counseling brings a solid base of research to pastoral counselors seminary students graduate students in counseling professors of counseling and specialists in pastoral psychotherapy so that you might better understand the nature of pastoral counseling relationships and how they are helpful and constructive in people's lives You will be challenged to rethink your role in initiating and carrying out therapeutic change and realize why you should build your ministry on relationships rather than on friendships

The Heart of an Assassin Tony Bertot, 2009-04 A young boy growing up on the streets of New York City Tyler is exposed to both the good and bad of urban life His future is determined by his relationship with a stranger a drive by shooting and an uncle a police officer who ends up raising him Twenty years later his thirst to make things right overshadow his need to fight crimes that take lives as easily as swatting flies He joins the police force and is entrusted with a mission to prevent an assassin's bullet from reaching its target an assassin who was hired by a crime family an assassin who has never failed

"Eat the Heart of the Infidel" Andrew Walker, 2018-04-01 Boko Haram's appetite for violence and kidnapping women has thrust them to the top of the global news agenda In a few years they all but severed parts of Nigeria Africa's most populous state and largest economy from the hands of the government When Boko Haram speaks the world sees a grimacing ranting demagogue who taunts viewers claiming he will eat the heart of the infidels and calling on Nigerians to reject their corrupt democracy and return to a pure form of Islam Thousands have been slaughtered in their campaign of purification which has evolved through a five year bloody civil war Civilians are trapped between the militants and the military and feel preyed upon by both Boko Haram did not emerge fully formed In Northern Nigeria which has

witnessed many caliphates in the past radical ideas flourish and strange sects are common For decades Nigeria s politicians and oligarchs fed on the resources of a state buoyed by oil and turned public institutions into spoons for the pot When the going was good it didn t matter But now a new ravenous force threatens Nigeria

The heart of the railroad problem

Frank Parsons,2023-07-09 In The Heart of the Railroad Problem Frank Parsons confronts the multifaceted challenges facing the railroad industry at the turn of the twentieth century Employing a blend of analytical rigor and persuasive prose Parsons dissects economic theories and operational practices while advocating for systemic reform in management and regulation The text reflects the burgeoning context of American industrialization where railroads were pivotal to national growth yet beset by inefficiencies and monopolistic practices Parsons meticulously presents data case studies and compelling arguments making the work instrumental for readers interested in transportation economics and public policy Frank Parsons a renowned economist and philosopher was deeply influenced by the rapid expansion of the American railway system and its implications for society An advocate for social reform his expertise in economics and dedication to public service likely propelled him to explore these pressing issues within the railroad sector His passion for merging theory with practice shines through in this work as he seeks not only to understand but to improve the trajectories of industries vital to the American economic landscape This book is essential for students economists and historians alike providing a detailed examination of the railroad industry s complexities Parsons insights resonate well beyond his time encouraging readers to contemplate the balance between economic progress and ethical governance making this text a significant precursor to modern discussions on transportation and public policy

Heart of a Soldier James B. Stewart,2009-11-24 From Pulitzer Prize winner James B Stewart comes the extraordinary story of American hero Rick Rescorla Morgan Stanley security director and a veteran of Vietnam and the British colonial wars in Rhodesia who lost his life on September 11 When Rick Rescorla got home from Vietnam he tried to put combat and death behind him but he never could entirely From the day he joined the British Army to fight a colonial war in Rhodesia where he met American Special Forces officer Dan Hill who would become his best friend to the day he fell in love with Susan everything in his remarkable life was preparing him for an act of generosity that would transcend all that went before *Heart of a Soldier* is a story of bravery under fire of loyalty to one s comrades of the miracle of finding happiness late in life Everything about Rick s life came together on September 11 In charge of security for Morgan Stanley he successfully got all its 2 700 men and women out of the south tower of the World Trade Center Then thinking perhaps of soldiers he d held as they died as well as the woman he loved he went back one last time to search for stragglers *Heart of a Soldier* is a story that inspires offers hope and helps heal even the deepest wounds

At the Heart of Work and Family

Anita Ilta Garey,Karen V. Hansen,2011-02-01 At the Heart of Work and Family presents original research on work and family by scholars who

engage and build on the conceptual framework developed by well known sociologist Arlie Russell Hochschild. These concepts such as the second shift, the economy of gratitude, emotion work, feeling rules, gender strategies, and the time bind are basic to sociology and have shaped both popular discussions and academic study. The common thread in these essays covering the gender division of housework, childcare networks, families in the global economy, and children of consumers is the incorporation of emotion, feelings, and meaning into the study of working families. These examinations like Hochschild's own work connect micro level interaction to larger social and economic forces and illustrate the continued relevance of linking economic relations to emotional ones for understanding contemporary work family life.

Reverence for the Heart of the Child Leander S. Harding, 2011-04-01. Are children little angels or little devils or are they like their parents a little of each? Must they go through a definite moment of conversion or can they grow up always knowing themselves to be Christian? How do theological ideas about human nature, sin, and salvation affect how parents see and treat children? Starting with Horace Bushnell's classic 19th century study *Christian Nurture*, Leander Harding brings the discussion up to date with the help of insights from contemporary psychoanalytic thought and Family Systems Theory. Included are practical suggestions for parents and parishes.
