There is no doubt that the subjects that have caused the most confusion divisions and disagreements among all religions and or denominations are the subjects of God the Trinity and water baptism But rest assure that after reading this book you will have no more doubts or confusion disturbing you because in this book its all explained step by step by the Word of God and not by the invented and assumed traditions of men that have changed the true Gospel of Christ Only the wise shall understand Daniel 12 10

God said to Moses I AM YAHWEH Exodus 3 14
In other words He said I AM ETERNAL THE EVER PRESENT ONE **The Son of Man Debate** Delbert Burkett,2000-01-13
The expression Son of Man used in the Gospels almost exclusively by Jesus has been the object of intensive study since the Protestant Reformation yet scholars have come to no agreement on its origin or meaning Research in this area has been described as a veritable mine field and a can of worms Because of the scope and complexity of the literature no comprehensive survey of the subject has been written in the twentieth century Delbert Burkett s book fills this need It provides a comprehensive historical overview of the debate from the patristic period to 1996 and gives an evaluation of that research and a summation of the present state of the question Burkett concludes that despite nineteen centuries of Son of Man study there is no consensus concerning the meaning or origin of the expression the debate is therefore a prime example of the limits of New Testament scholarship **The Saints Conformity to the Image of the Son; by Comparing Spiritual Things with Spiritual; ...
