Postcards from the Canyon Lisa Gitlin,2017-11-24 Lisa Gitlin s *Postcards from the Canyon* is a quirky snapshot of one woman s rapidly changing world where control is an illusion and chaos offers shelter from an unrelenting storm Faced with the sudden and unexpected death of her mother disillusioned novelist Joanna Jacobs begins chronicling her unruly childhood in 1960s Cleveland Ohio But the writing exercise that starts as a means to reflect and refocus becomes a journal of Joanna s rebellious existence Jewish and gay yet unwilling to expose herself to the accompanying scrutiny and rejection Joanna spends much of her youth fostering chaos and embracing self denial even while celebrating an affirming commitment to the psychiatric ward After an inadvertent bomb threat to a conservative talk show host brings the FBI knocking on her door Joanna finds herself navigating an unexpected immigrant invasion a crew of juvenile delinquents in her living room and a never ending low pressure system When the going finally gets too tough to wrangle alone Joanna turns to her lifelong friends for emotional support but this comfort is tempered by a confusing cocktail of lingering hurts unresolved anger and resurgent disappointment making it even more difficult for Joanna to put her life to paper *Fifteen Postcards* Kirsten McKenzie,2015-08-17 History shapes those who travel through it Following the unexplained disappearance of her parents and in a last ditch attempt to save the antique store she has inherited from financial ruin Sarah Lester takes on a deceased

estate Amongst the estate is a collection of vintage postcards which lead Sarah on a journey through time Sarah is unprepared for what these postcards hint at about their reclusive former owner and soon they complicate her life in unimaginable ways transporting her to Victorian London colonial New Zealand and to the British Raj in India Sarah has to fight her twenty first century instincts and a century of emancipation to survive Traversing three continents and two centuries where tiger hunts and ruby necklaces are irrevocably entwined with murders and mysteries auction houses and antiquities Sarah is drawn into the enigma that could solve her parents disappearance and the question of should she stay or should she go gets harder and harder to answer the deeper she delves into the past Perfect for fans of the Outlander series and lovers of The Time Travelers Wife What people are saying about Fifteen Postcards If history lessons had been this entertaining I would have scored an A Andrene Low author of the Excess Baggage series This story is one for devotees of adventurous historical fiction and tales of plucky young women finding their feet Stephanie Jones CoastFM Book Reviewer I think the author has done a commendable job in bringing the story to life and it s obvious that she has used extensive historical research to ensure that the story always feels authentic and that s not an easy feat to pull off JaffaReadsToo Book Blogger Kirsten McKenzie has written a very unusual novel part time travel part historical and part antique review Sarah s adventures in other times and other continents linked together by the postcards and the antiques are well researched and entertainingly written Historical Novel Society What reviewers are saying about Kirsten McKenzie McKenzie has done a spectacular job of combining well researched history with a hint of mysterious intrigue Anxious Canadian Blog Kirsten Mckenzie has written an excellent foray into historical fiction I m honestly not quite sure how she was able to keep up with and integrate the different settings time periods and characters without losing her place But she managed it magnificently Author Sean Whittaker McKenzie s descriptions of the shop are well drawn and wonderfully evoke the jumbled chaos of layers of leftovers from centuries of everyday life NZBookLovers blog
