North Dakota Joseph L. Gavett, 2008 **The Art of Self-Deception** William Kronick, 2011-09 Before turning to novel writing William Kronick enjoyed a long career as both a documentary and theatrical filmmaker As writer director his highly acclaimed Network Specials ranged from the National Geographic s *Alaska* to six Plimpton entertainments to *Mysteries of the Great Pyramid* In the feature arena he directed the comedy *The 500 Pound Jerk* and the *Second Unit* on such major productions as *King Kong* 1976 *Flash Gordon* and others His first novel *The Cry of Sirens* 2004 was followed by *Cooley Wyatt* then *N Y L A* All three explore in the framework of morality tales the dynamics of authentic artistic talent celebrity and commerce in our modern culture Each one centers on a violent act involving a physical or moral crime committed by the protagonist both he and the reader must decide what represents appropriate justice His fourth novel *All Stars Die* tells of two lovers for whom morality is not the issue but their dark secrets are *The Art of Self Deception* returns to the themes of Mr Kronick s first three novels *The World's First Football Superstar* Owen Arthur, 2022-08-25 Buried in an unmarked grave in the churchyard of the small village of Benson in Oxfordshire lies the body of a footballing world champion from a bygone era shrouded in the mists of time His name was Stephen Smith This footballer of the Victorian and Edwardian era could claim as many league title winning medals as John Terry and Wayne Rooney more league winners medals than Eric Cantona Frank Lampard Cristiano Ronaldo Thierry Henry and Alan Shearer This book is the never before told story of a footballer born at the end of the Industrial Revolution son of agricultural labourers who became a miner working underground combining that job with one as a professional footballer to rise to the top of the footballing world Smith won trophy after trophy in the best and only professional league anywhere in the world at that time He also scored the goal that made England World Champions in 1895 Smith at the top of his game in a move that mirrored the Premier League breakaway of 1992 and the recent ill fated European Super League then joined the newly formed Southern League at a time when the Football League started to cap player wages He did this in order to ensure his family s future as well as end his reliance on his part time earnings from mining Football s zeitgeist has fundamentally changed very little in the last 130 years for those inside the industry This is the story of Stephen Smith and the quest to find the support and funds to mark and commemorate one of the most decorated yet underappreciated footballers in the history of the game *Our Journal Our Journey* - Tammy Bimrose, 2013-02-06 The journey continues with more laughter more thrill and Michael being typical Michael This journey has many twists and turns and one twist I have found to be spiritually captivating not just for me but all who call this planet home This journey started with the first volume where it opened our minds to fathom that there is in fact an afterlife I have been informed by Jesus that time is of the essence and now is the most important period of our lives where all Religious beliefs all Prophecies and Mythology converge It is time to allow yourself to further open your minds and accept the reality that is contained within In your hands is hope for a better tomorrow If you are willing we are here to give you wings so you can learn to soar the skies as yesterday has come and gone today you hold hope for a better tomorrow So if you dare to rise

up we will be alongside you Michael Jackson in spirit God Jesus Siddhartha Gautama Buddha Meher Baba and Michael Jackson have their say Are you ready to listen What have you got to lose A foreshadowing that you should not ignore **Lost to the Shoah** Vera Schiff, Jeff McLaughlin, 2020-01-17 It is important to remember not just what the Holocaust was but the individuals who were the subjects of its unrelenting Nazi brutalities Written by a survivor about the people she knew and cared for these eight stories fight against the depiction of Jews as victims and victims only and individualize a tragedy that is too often abstracted into dates and statistics Amidst the dramatic narrative there is a brutal honesty and frankness that makes these stories far more infuriating sad and shocking than any fictional attempt to convey what it was like to be human in such inhuman circumstances These biographies remind readers of the consequences of hate upon the fragile beauty and complexity of human life **A School in Africa** A. Megahey, 2005-06-09 When Peterhouse School opened in 1955 the British Empire in Africa was still intact and the Federation of Rhodesia and Nyasaland had just come into being It was a boarding school founded on the British model but with the intention that it would adapt all that is best in the Public School tradition to African conditions The story of Peterhouse is not only about work and sport music and drama chapel and syllabus changes It is set in the context of educational development and political changes in a Southern Africa country The school became a pioneering multi racial institution in white Rhodesia shared the sufferings of the country during the bush war expanded greatly in the new Zimbabwe survived the contradictions of a black Marxist government and has kept its firm commitment to being a Church School Despite the uncertainties and challenges of the new century this is a story of faith and vision

Theodore Powys's Gods and Demons Zouheir Jamoussi, 2016-08-17 The life of Theodore Francis Powys the man and the writer 1875 1953 is a story of determined withdrawal from the contemporary world While his two literary brothers John Cowper and Llewellyn travelled a great deal abroad Theodore after early unsuccessful attempts to join the active world settled into a sedentary life in a remote rural part of Dorset In his retreat protected from the outside world by his omnipresent hills Powys constructed a world half real and half imaginary in which the man and the writer reality and fancy and past and present coexisted and sometimes merged For Powys fear in its various manifestations as fear of God of evil of death and of self was a powerful incentive to write and a source of inspiration for almost everything remarkable in his writings It did not take Powys long to realize that allegory was a literary genre better suited to his literary leanings and peculiar turn of mind than the realism of his early novel writing ventures Under the combined influence of the Bible Bunyan and Hawthorne he adapted allegory to his specific literary purpose In that regard two distinctive aspects of his allegorical stories namely supernatural visitors and animal symbolism generally overlooked by his critics deserve close attention and are the special focus of this book Few writers have been so strongly and avowedly marked by so many literary and philosophical influences as Powys These range from the Bible Bunyan and Hawthorne to Darwin Hardy Lawrence and Freud However Powys's short stories fables and novels also stand as a unique and original achievement Indeed the influence he himself

exerted on some novelists of the younger generation such as William Golding testifies to the power and originality of his writings
