The Only War We've Got Early Days In South Vietnam:

The Only War We've Got Daniel Ford, 2001 **The Only War We've Got** Daniel Ford, 2017-07-31 **Cowboy** Daniel Ford, 2018-05-01 Cowboy was handsome flamboyant courageous clever and cruel He got his nickname from the Green Berets who worked with him in the Highlands of South Vietnam in the 1960s You've got to take the bad with the good one Special Forces captain said of him And Cowboy is a good interpreter And in the end he was murdered by his own side the Montagnard rebels who were equally opposed to the Communists in Hanoi and the generals in Saigon A compelling look at a country and a people caught up in a Cold War they couldn't understand and which in the end destroyed them *The Vietnam War in Popular Culture* Ron Milam, 2016-11-07 Covering many aspects of the Vietnam War that have not been addressed before this book supplies new perspectives from academics as well as Vietnam veterans that explore how this key conflict of the 20th century has influenced everyday life and popular culture during the war as well as for the past 50 years How did the experience of the Vietnam War change the United States not just in the 1950s through the 1970s but through to today What role do popular music and movies play in how we think of the Vietnam War How similar are the recent wars in Iraq and Afghanistan and now Syria to the Vietnam War in terms of duration cost success and failure rates and veteran issues This two volume set addresses these questions and many more examining how the Vietnam War has been represented in media music and film and how American popular culture changed because of the war Accessibly written and appropriate for students and general readers this work documents how the war that occurred on the other side of the globe in the jungles of Vietnam impacted everyday life in the United States and influenced various entertainment modes It not only covers the impact of the counterculture revolution popular music about Vietnam recorded while the war was being fought and after and films made immediately following the end of the war in the 1970s but also draws connections to more modern events and popular culture expressions such as films made in the aftermath of September 11 2001 Attention is paid to the impact of social movements like the environmental movement and the civil rights movement and their relationships to the Vietnam War The set will also highlight how the experiences and events of the Vietnam War are still impacting current generations through television shows such as *Mad Men* **Congressional Record** United States. Congress, 1973 *The Price of Power* Seymour Hersh, 2013-10-29 *Price of Power* examines Henry Kissinger's influence on the development of the foreign policy of the United States during the presidency of Richard Nixon **The Cold War: Origins and Developments** United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Europe, 1971 *The Vietnam War* Geoffrey C. Ward, Ken Burns, 2017-09-05 NATIONAL BESTSELLER Based on the celebrated PBS television series the complete text of an engrossing history of America's least understood conflict a significant milestone that will no doubt do much to determine how the war is understood for years to come The Washington Post More than forty years have passed since the end of the Vietnam War but its memory continues to loom large in the national psyche In this intimate history Geoffrey C Ward and Ken Burns have

crafted a fresh and insightful account of the long and brutal conflict that reunited Vietnam while dividing the United States as nothing else had since the Civil War From the Gulf of Tonkin and the Tet Offensive to Hamburger Hill and the fall of Saigon Ward and Burns trace the conflict that dogged three American presidents and their advisers But most of the voices that echo from these pages belong to less exalted men and women those who fought in the war as well as those who fought against it both victims and victors willing for the first time to share their memories of Vietnam as it really was A magisterial tour de force The Vietnam War is an engrossing history of America s least understood conflict *The Cold War: Origins and Developments* United States. Congress. House. Foreign Affairs,1971 Vietnam War Truong Vinh Truong,Vinh Truong,2010-03 The author discusses the three Axioms in the dominant interpretation of the U S Vietnam War that were established by the invisible permanent government right after the National Security Council meeting on September 21 1960 They are There was never a legitimate non communist government in Saigon dissolution GVN The U S had no legitimate reason to be involved in Vietnamese affairs Tonkin Gulf Incident The U S could not have won the war under any circumstances U S troops honorable withdrawal There are many reasons why the author decided to write this book The New Legion He felt compelled to write it for the longest time after spending thirteen years in the Communists so called reeducation camp He escaped from a canal in the Mekong Delta and drifted in a rickety old boat similar to a child s toy from South Vietnam for fourteen days until he reached the nearest Pacific island Palawan Islands Philippines He knew the pain that all the people who were involved suffered yet he thought that perhaps it might be best to let it become a not so distant memory Now he has finally decided to write the truth at last It is the story of loyalty duty honor and love
