The Origins Of The Equal Rights Amendment American Feminism Between The Wars:

American Studies Jack Salzman, 1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of American Studies An Annotated Bibliography of Works on the Civilization of the United States published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00 **The Origins of the Equal Rights Amendment American Feminism Between the Wars** Susan D. Becker, 2000 *Encyclopedia of American Civil Liberties* Paul Finkelman, 2021-02-25 Originally published in 2006 the Encyclopedia of American Civil Liberties is a comprehensive 3 volume set covering a broad range of topics in the subject of American Civil Liberties The book covers the topic from numerous different areas including freedom of speech press religion assembly and petition The Encyclopedia also addresses areas such as the Constitution the Bill of Rights slavery censorship crime and war The book s multidisciplinary approach will make it an ideal library reference resource for lawyers scholars and students *Women's Rights in the United States* Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women s rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women s rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women s activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights *Origins of the Equal Rights Amendment* Susan D. Becker, 1981-12-01 *Pan American Women* Megan Threlkeld, 2014-07-17 In the years following World War I women activists in the United States and Europe saw themselves as leaders of a globalizing movement to promote women s rights and international peace In hopes of advancing alliances U S internationalists such as Jane Addams Carrie Chapman Catt and Doris Stevens reached across the border to their colleagues in Mexico including educator Margarita Robles de Mendoza and feminist Hermila Galindo They established new organizations sponsored conferences and rallied for peaceful relations between the two countries But diplomatic tensions and the ongoing Mexican Revolution complicated their efforts In Pan American Women Megan Threlkeld

chronicles the clash of political ideologies between U S and Mexican women during an era of war and revolution Promoting a human internationalism in the words of Addams U S women overestimated the universal acceptance of their ideas They considered nationalism an ethos to be overcome while the revolutionary spirit of Mexico inspired female citizens there to embrace ideas and reforms that focused on their homeland Although U S women gradually became less imperialistic in their outlook and more sophisticated in their organizational efforts they could not overcome the deep divide between their own vision of international cooperation and Mexican women s nationalist aspirations Pan American Women exposes the tensions of imperialism revolutionary nationalism and internationalism that challenged women s efforts to build an inter American movement for peace and equality in the process demonstrating the importance of viewing women s political history through a wider geographic lens

The New Deal Fiona Venn,2013-12-16 This book offers a chronological introduction to the New Deal incorporating details of events and developments outside as well as within Washington D C and examining American and foreign reaction to the policies The main emphasis of the book is on policy formation and implementation and on the context in which the New Deal evolved A detailed chronology of events is provided and The New Deal ends with notes on further reading and an extensive index

Feminist Interpretations of Alexis de Tocqueville Jill Locke,Eileen Hunt Botting,2010-11-01

Women's Rights in the USA Dorothy E. McBride,Janine A. Parry,2016-02-05 Women s Rights in the USA is a rigorous examination of the intersection of gender roles and public policy and the implications for feminist activists The book places full information on state and federal statutes and court decisions in the context of the ebb and flow of debates that have engaged the public since the founding of the Republic This fifth edition includes updates on all topics and expanded attention to same sex marriage and lesbian issues pay equity conservative trends in courts and women in elective politics This text is a resource for the inquiry into women s rights politics and policies It is a record of the changes in the major areas affecting gender roles and the status of women constitutional law political participation reproduction family law education work and pay work and family sexuality and economic status It is more than a recital of laws statutes and court decisions The chapters focus on the development of the changes in debates over these issues and how the debates produce laws and provide the environment for their administration and interpretation It also highlights the role and impact of feminists in the debates

The Whole Wide World, Without Limits" Mary McCune,2005-06-14 An analysis of gender politics in the American Jewish community during the interwar period that reveals the role of gender and class in organizational politics and the importance of Jewish women in American political and activist history Often perceived as being removed from the rough and tumble world of male politics women involved in relief during World War I and the 1920s found themselves grappling daily with questions of ideology nationalism and political statehood Participation in large scale relief work provided Jewish women with a firm sense of their own capabilities and contributed to their heightened sense of gender consciousness Their experience provides powerful evidence that women activists in the post suffrage period sustained a

notable degree of separation from men even as they propounded gender equality thereby facilitating American Jewish women's entrance into the public realm without their having to sacrifice commitment to either Jewish or women's issues. Gendered and separatist strategies enabled women to bring their concerns into the public sphere, affect the course of American Jewish history, and shape modern American Jewish identity. *The Whole Wide World Without Limits* explores the international relief activities of three American Jewish organizations during this period: the National Council of Jewish Women, Hadassah, the Women's Zionist Organization of America, and the Workmen's Circle. Women in all three organizations vigorously raised money for Jews in the war zones and continued to help them after the armistice. Author Mary McCune demonstrates the significance of the work of each group while analyzing the interactions between class, ethnicity, religion, and gender consciousness both inside the Jewish community and in the broader American context. McCune looks at a wide variety of Jewish women: Zionists and anti-Zionists, religious and secular, capitalists and socialists, wealthy and working class, and sheds light on the myriad ways that personal identity shapes public activism. More importantly, this book reveals how women's charity work and their use of gendered strategies exerted influence over seemingly unrelated political events.
