The Orthodox Faith Volume II Worship An Elementary Handbook On The Orthodox Church:

Theology and Sexuality Susannah Cornwall, 2013 The SCM Studyguide Pastoral Theology designed to support undergraduate courses for the training of clergy and lay pastoral workers at an accessible introductory level The book aims to develop pastoral wisdom and integrity through a critical integration of theology and the human sciences Introducing key themes in theological anthropology and pastoral practice it shapes a creative pastoral vision which is deeply rooted in a Christian vision of what it means to be human and what it takes to care Working with case studies the book will introduce broad frameworks of understanding of issues such as growth loss and sexuality together with critical perspectives on important aspects of practice such as language power and boundaries The book provides an accessible overview of key concepts in pastoral theology offering key entry points for further discussion and study Each chapter includes discussion questions and or reflective exercises at the end of each chapter together with a short bibliography Throughout the text key summaries of learning will be indicated by boxed Practice Points

Marginalized Voices Timothy B. Cremeens, 2018-06-28 The Orthodox Church has been characterized by some as the best kept secret in North America Making use of personal interviews and correspondence magazine and news articles and other publications Timothy Cremeens weaves the story of a spiritual renewal movement that began in the United States in the early 1960s and rapidly spread around the globe touching millions of Roman Catholics and Protestants what is today called the Charismatic Renewal Movement In 2017 this Movement celebrated its 50th Jubilee anniversary in the Roman Catholic Church However Cremeens presents here the never before heard story of that Movement among the Orthodox Churches in North America He recounts the history of this spiritual renewal movement through the first hand accounts and eyewitnesses of Orthodox clergy and laity who testify to their life changing encounters with the Holy Spirit

SCM Core Text Theology and Sexuality Susannah Cornwall, 2013-02-18 The SCM Core Text Theology and Sexuality provides a clear overview of the theological debate surrounding sexuality as broadly understood It gives an outline of the major themes surrounding sexuality in theological perspective focusing on key thinkers concepts and areas of discussion This student friendly textbook is aimed at theology students and ordinands studying at undergraduate level 3 and MA level who are undertaking modules on theology and sexuality gender sex and the human body It is also accessible to Christian clergy and laypeople who wish to engage with issues of sexuality in congregations The use of extensive glossaries breakout definitions and examples makes the book accessible to those with little existing knowledge of contemporary debates on theology and sexuality The book includes chapters on definitions of sexuality sexuality in the Christian tradition Christian approaches to marriage celibacy and virginity and same sex relationships

Biblical Interpretation in the Russian Orthodox Church Alexander I. Negrov,2008 Alexander Negrov surveys the history of biblical interpretation within the history of the Russian Orthodox church from the Kiev period tenth to thirteenth centuries until the Synodal period 1721 1917 He presents a coherent analysis of the essential elements of Orthodox biblical hermeneutics as it developed over a period of several centuries critical to the defining of the Orthodox church BOOK JACKET

The Oxford Handbook of Religion and Education Liam Francis Gearon,Arniika Kuusisto,2025-04-29 The Oxford Handbook of Religion and Education offers a multi disciplinary work of scholarship and research highlighting the global significance of a critical interface of cultural and social political and theological importance Drawing on historical perspective and contemporary reflection the collection provides a uniquely transformative analysis of why the interface of religion and education is of such critical significance With contributions from some of the leading thinkers in the field this Handbook presents a cumulatively powerful argument to reassess the complexities of the intersection of religion and education With ambitious and yet accessible intellectual engagements the Handbook here furthers a central thesis that the interface of religion and education is not merely a matter of arcane disputation about a domain of ancient origin or a rudimentary matter of formal educational process but a vibrant domain of critical contestation fundamental to knowing understanding and living in the modern world
