The Other Animorphs 4:

The Message (Animorphs #4) K. A. Applegate, 2011-09-01 The wildly popular books by K A Applegate are back The Animorphs return in this update of the classic series It all started with the dreams But Cassie didn't pay much attention to them She and her friends have been having nightmares ever since they acquired the power to morph But when Cassie discovers that Tobias has been having dreams too the exact same dreams about the ocean and a voice that's calling to them for help she decides it's time to start listening Now she and the others have to figure out if the dreams are a message or a trap

The Other (Animorphs #40) K. A. Applegate, 2017-08-29 Ax and the Animorphs have always believed Ax was the only non-infested Andalite on Earth That he alone survived the terrible battle between his people and the Yeerks Until now There were other survivors Other Andalites And they're here on Earth Trying to keep a low profile Trying to find a way to defeat Visser Three Trying like Ax and the Animorphs to stay alive until help finally comes If help finally comes *Back to Before (Animorphs Megamorphs #4)* K. A. Applegate, 2018-03-27 What would you do if you had the opportunity to change your life Not just where you live or who you hang out with but your past present and future Sounds like it might be pretty cool right Well that's what Jake thought He thought it might be easier if the Animorphs had never existed If they'd never met Elfangor If they all had the chance to be normal kids Jake gets his wish But things aren't quite as simple as they seem Just because the Animorphs no longer exist doesn't mean the Yeerks no longer exist Except now Jake Rachel Tobias Cassie and Marco can't morph They don't even know the Yeerks are out there And it's not such a wonderful life *The Forgotten (Animorphs #11)* K. A. Applegate, 2017-06-27 There's been an accident Someone crash landed a Yeerk Bug fighter and the Yeerks have been trying to cover it up quickly When Tobias spots it before they get the chance the Animorphs decide to steal the ship to show the world that Earth has been invaded That's when things go terribly wrong Before they know it Jake and the other Animorphs find themselves in another place Another time And there's no way home

The Secret (Animorphs #9) K. A. Applegate, 2017-06-27 There's something pretty weird going on in the woods behind Cassie's house the place where Ax and Tobias call home It seems the Yeerks have figured out one very important fact Andalites cannot survive without a feeding ground Visser Three knows the Andalite bandits don't feed where he does so there can only be one other place Now the Animorphs have to figure out a way to stop a bogus logging operation Because if Visser Three finds Ax in the woods nothing will stop him from finding the Animorphs *Elfangor's Secret (Animorphs Megamorphs #3)* K. A. Applegate, 2018-03-27 We found out who Visser Four is And he has found the Time Matrix the machine Elfangor had hidden in the abandoned construction site The same place we met him on a night none of us will ever forget Especially me Now Visser Four has the Matrix and he plans to use it to become Visser One But Jake Rachel Cassie Marco Ax and I can't let that happen We can't let him alter time so that the Yeerks will win the invasion So we're prepared to make the ultimate sacrifice Eventually one of us will lose this fight

Applegate, 2018-03-27 He is called the Ellimist A being with the ability to alter space and time A being with a power that will never be fully understood He is the reason Elfangor came to Earth He is the reason the Earth now has a fighting chance And though his actions never seem quite right or wrong you can be certain they are never ever what anyone expects This is the beginning and the middle of the story A story that needs to be told in order to understand what might happen to the future The future of the Animorphs The future of humanity The future of Earth He is called the Ellimist And this is his story

Bowker's Guide to Characters in Fiction , 2003 **The Stranger (Animorphs #7)** K. A. Applegate, 2012-06-01 The wildly popular books by K A Applegate are back The Animorphs return in this update of the classic series Rachel isn t the kind of girl who backs away from a fight When her dad asks her to move across the country with him it hurts but Rachel won t desert her friends in their fight to save the world But then the Animorphs are contacted by a very old very powerful alien being that knows about their struggle He s called the Ellimist and he presents them with a choice They can abandon the planet with their families and be taken to safety or they an stay to fight the Yeerks and lose
