**Greek to GCSE: Part 1** John Taylor, 2016-09-08 First written in response to a JACT survey of over 100 schools and now endorsed by OCR this textbook has become a standard resource for students in the UK and for readers across the world who are looking for a clear and thorough introduction to the language of the ancient Greeks Revised throughout and enhanced by coloured artwork and text features this edition will support the new OCR specification for Classical Greek first teaching 2016 Part 1 covers the basics and is self contained with its own reference section It covers the main declensions a range of active tenses and a vocabulary of 250 Greek words to be learned Pupil confidence is built up by constant consolidation of the material covered After the preliminaries each chapter concentrates on stories with one source or subject Aesop Homer s Odyssey and Alexander the Great providing an excellent introduction to Greek culture alongside the language study Written by a long time school teacher and examiner this two part course is based on experience of what pupils find difficult concentrating on the essentials and on the understanding of principles in both accidence and syntax minor irregularities are postponed and subordinated so that the need for rote learning is reduced It aims to be user friendly but also to give pupils a firm foundation for further study

**Writing from the Core** Dona Young, 2009-09 Writing from the Core is more than a handbook it is a roadmap that leads to correct and effective writing An effective writing style begins with well written sentences sentences that speak to the reader clearly and concisely Structure and style cross paths at the sentence core gain control of the sentence core and you also gain control of your editing and revising skills In fact once you can edit and revise with skill you may spend more time mulling over your writing and reaching deeper insight improving substance as well as style Writing from the Core takes the mystery out of how to produce correct clear and concise writing building confidence along with skill I love this approach it s practical yet personal Writing from the Core is a guide with personality it takes theory and makes it real Elizabeth Anderson Writing Instructor College of DuPage A straight forward handbook that has been infinitely more useful than any handbook or workbook I ve used in college Dominic Schiralli Fine Arts major Indiana University Northwest Students who use this method have a much easier time with composition Structure becomes easy so they can focus on building their writing skills This is a great method producing fantastic results Peggy Patlan Adult Education Instructor Moraine Valley Community College

*Trask's Historical Linguistics* Robert McColl Millar, R. L. Trask, 2023-05-18. Trask's *Historical Linguistics* provides an accessible introduction to historical linguistics, the study of language change over time. This engaging book is illustrated with language examples from all six continents and covers the fundamental concepts of language change, methods for historical linguistics, linguistic reconstruction, sociolinguistic aspects of language change, language contact, the birth and death of languages, language and prehistory, and the issue of very remote relations. The fourth edition of this renowned textbook is fully revised and updated and covers the most recent developments in historical linguistics, including a thorough reworking of sections on morphological and syntactic change, incorporating progress in areas such as grammaticalization and the discussion of the Indo-European homeland. Discussion and analysis of folk historical linguistics and its connection with some of the more eccentric views of professional linguists. An expanded discussion of language contact, historical sociolinguistics, and language planning, including a discussion of contemporary competing views on the genesis and nature of creoles and their importance in our understanding of radical linguistic change. Updated support material including suggestions for essay questions and a larger number of supporting examples of the phenomena described in the book. Trask's *Historical Linguistics* is essential reading for advanced undergraduate and postgraduate students of historical linguistics, as well as any student looking for a grounded introduction to the English language.
