**The Triumph of the Thriller** Patrick Anderson, 2007-02-06 There's been a revolution in American popular fiction. The writers who dominated the bestseller lists a generation ago with blockbuster novels about movie stars and exotic foreign lands have been replaced by a new generation writing a new kind of bestseller: one that hooks readers with crime suspense and ever-increasing violence. Patrick Anderson, *The Washington Post's* man on the thriller beat, calls this revolution the triumph of the thriller and lists among its stars Thomas Harris, Michael Connelly, George Pelecanos, Dennis Lehane, Sue Grafton, and Elmore Leonard. In his provocative, caustic, and often hilarious survey of today's popular fiction, Anderson shows us who the best thriller writers are and the worst. He shows how Michael Connelly was inspired by Raymond Chandler, how George Pelecanos toiled in obscurity while he mastered his craft, how Sue Grafton created the first great woman private eye, and how Thomas Harris transformed an insane cannibal into the charming man of the world who made FBI agent Clarice Starling his lover. Anderson shows Scott Turow inventing the modern legal thriller and John Grisham translating it into a stunning series of bestsellers. He casts a cold eye on Tom Clancy's militaristic techno-thrillers and praises Alan Furst and Robert Littell as world-class spy novelists. He examines the pioneering role of Lawrence Sanders, the offbeat appeal of Dean Koontz, the unprecedented success of *The Da Vinci Code*, and the emergence of the literary thriller. Most of all, Anderson demands that the best of these novelists be given their due: not as genre writers but as some of the most talented men and women at work in American fiction. Don't trust the literary elites to tell you what to read; he warns, make up your own minds. *The Triumph of the Thriller* will convince many readers that we've entered an important new era in popular fiction. This book can be your guide to it.

**The Lineup** Otto Penzler, 2009-10-21 The best book of its kind. An exciting omnibus volume delivering memorable revelations about the mystery genre and its different incarnations. Janet Maslin, *New York Times*. A great recurring character in a series you love becomes an old friend. You learn about their strange quirks and their haunted pasts and root for them every time they face danger. But where do some of the most fascinating sleuths in the mystery and thriller world really come from? What was the real-life location that inspired Michael Connelly to make Harry Bosch a Vietnam vet/tunnel rat? Why is Jack Reacher a drifter? How did a brief encounter in Botswana inspire Alexander McCall Smith to create Precious Ramotswe? In *The Lineup*, some of the top mystery writers in the world tell about the genesis of their most beloved characters or, in some cases, let their creations do the talking. This book will delight any mystery lover. Cleveland Plain Dealer. Who are more equipped to discourse on the origins, the motivations, the foibles, and the triumphs of their life's work than some of the best-known and most successful mystery and thriller writers on the planet? Los Angeles Times. Tremendous fun, clever, wide-ranging, revealing, even surprising. Bet you can't read just one. Raleigh News and Observer. Fiery. The authors take different approaches but all offer an opportunity to see a familiar character in a new way. It's also a great way to get a taste of some of the series you haven't read yet.
