your tween prepared for what's ahead. It used to be that middle school was the time to talk to kids about topics like modesty and body image. Unfortunately, the at-risk demographic for distorted views on the body is now girls ages 8-10. Fortunately, Dannah Gresh has provided a resource for this need. True Girl is geared to helping tween girls understand their dignity in Christ. It features a creative self-help text format that includes sidebars, quizzes, games, exploded quotes, and graphics to help them absorb the message. Here's what author Dannah Gresh has to say about the motivation behind the book: "My past fifteen years of studying at-risk teen and tween behavior has over and over again led me to good news: girls who are exposed to an age-appropriate Bible-based understanding of beauty and fashion between the ages of 8-12 tend to be less likely to engage in early sexual activity or have body image issues. They are also more likely to have healthy friendships, excel academically, and become positive social contributors in their communities all while expressing their beauty and value appropriately. It's not rocket science. It is social science paired with a whole lot of prayer and Bible study. We can change what tween girls see when they look in the mirror by changing what's inside their hearts. This is the heart behind True Girl: a desire to teach tween girls how valuable they are and how to honor their God-given dignity. Ultimately, it's about grounding girls in their identity in Christ so the tumultuous teen years don't uproot them. This book pairs with True Girl Mom Daughter Devos, allowing moms a helpful resource for walking through this formative time with their tween girl."

This set includes Lies Young Women Believe and Lies Young Women Believe Companion Guide. In Lies Young Women Believe, Nancy DeMoss and Dannah Gresh expose 25 of the lies most commonly believed by your generation. They share real-life accounts from some of the young women they interviewed along with honest stories about how they've overcome lies they believed themselves. They get down in the trenches of the battle with you. Best of all, they'll show you how to be set free by the Truth. Through a nationwide survey and in-depth discussion groups, DeMoss and Gresh have listened carefully to the heart of your generation. And here are some things they've heard: "I know God should be the only thing that satisfies, but if it could be Him and my friends, then I could be happy. It seems like I have been struggling with depression forever. I always feel like I am not good enough. I tell myself that I don't really listen to the song lyrics, but once I hear a song a few times and start thinking about what they're saying, I realize that it's too late. It's already stuck in my head. For me, the whole wife and mom thing is overrated. It isn't cool to want a husband and a family. Maybe you can identify. Trying to listen to the right voices can be difficult. This book has been written by friends who will help you find the Truth. Maybe your heart is telling you that some things in your life are way off course. Certain habits and relationships have left you confused and lonely. This is not the way it's supposed to be.
