The 70th Week M L Brough,2005-12-01 THE 70TH WEEK YOUR FUTURE IN PROPHECY OF THE SEVEN SEALS THE SOON COMING 7 YEAR TRIBULATION AND DATING OF THE RAPTURE **Understanding the Book of Revelation for This Generation** Earl B. Schrock,2022-10-27 Attempting to understand and interpret Bible prophecy has been the goal of Bible students from every generation since the prophecies were first written read and made public Each succeeding generation interpreted Bible prophecy with the knowledge and mindset they possessed Each generation from the time the book of Revelation became available to the public attempted to make each prophecy personal applying it to themselves for the day in which they lived and experienced believing it applied to them living in the last days We all have absorbed accepted and have believed what we have been taught from those living in the generation before us Many people today are satisfied with the past interpretations and understandings of Bible prophecy which they learned from others and have no interest in seeking a possible better conclusion or prophetic interpretation But what about this generation Should we be content abiding beneath the understanding of the people which lived generations before us Unless a person sets aside preconceived ideas of Bible prophecy then what they have been taught by those who were taught by others will continue to believe and teach the same truth and errors to future generations We need to study the Bible for ourselves to be sure what we believe is the truth as per the Bible as it applies to our generation The timely day in which we live does not allow us to just accept the past opinion of others Who shall ascend into the hill of the LORD or who shall stand in his holy place He that hath clean hands and a pure heart who hath not lifted up his soul unto vanity nor sworn deceitfully He shall receive the blessing from the LORD and righteousness from the God of his salvation This is the generation of them that seek him that seek thy face O Jacob Selah Psalm 24 3 6 KJV BIBLE PROPHECY IT S ALL ABOUT WORSHIP Earl B Schrock **The Rapture: Don't Be Deceived** Billy Crone,2016-07 If there s one thing you don t want to be deceived about in life it s the Biblical truth concerning the Rapture The Bible says that for those who are left behind after this next great event on God s end time prophetic calendar they will be thrust into the 7 year Tribulation which is not a party Rather it s an outpouring of God s wrath upon this wicked and rebellious planet which will soon turn into mankind s greatest nightmare Unfortunately there seems to be multitude of opinions out there concerning the purpose and timing of the Rapture which is starting to cause a lot of unnecessary confusion and division Therefore The Rapture Don t Be Deceived takes a detective s approach towards the Biblical teaching of the Rapture and examines the many Scriptural facts surrounding it , **The Pretribulation Rapture Theory and Dispensationalism Revisited** J. Mike Byrd,2014-08-15 The Pretribulation Rapture Theory and Dispensationalism Revisited reviews and critiques a confusing array of popular theories that address the return of Jesus Christ and the churchs rapture It proposes that a clarifying approach rests in letting Scripture interpret Scripture which yields a simpler more natural and consistent explanation of the pretribulation rapture and dispensationalism Drawing upon thousands of hours of Bible study J

Mike Byrd presents an analysis and a related proposal that avoid both unthinking conformity to popular notions and oversimplification for the sake of palatability The Pretribulation Rapture Theory and Dispensationalism Revisited addresses methods of interpretation defines dispensationalism and the Dispensational Principle examines the scriptural testimony surrounding the day of the Lord and the day of Gods wrath surveys the issues regarding imminence and discusses the rapture the resurrection and Christs second coming If you wonder what Scripture clearly teaches about the this worlds demise the end of human existence and the onset of Gods sure and certain work to establish his reign then The Pretribulation Rapture Theory and Dispensationalism Revisited should offer you the scripturally grounded review analysis and explanation you need to understand the Scriptures teachings on these ultimate issues **God's Endgame for Planet Earth** Derek Mailhiot,101-01-01 The Second Coming of Jesus Christ will be the most spectacular event in human history In God s Endgame for Planet Earth the events which precede accompany and come after the Second Coming are thoroughly examined in easy to understand plain language Learn what the Bible actually says about the end time events Who are the Antichrist the False Prophet and the Kings from the East Who are the Two Witnesses and the 144 000 What happens during the Great Tribulation When does the Rapture happen In the aftermath of the Battle of Armageddon Jesus returns as the Warrior Messiah to rule the nations for 1 000 years Jesus finds a world which has been devastated by war famine and disease in utter economic and environmental chaos He literally returns to save mankind from extinction and will rule by force to end war injustice and poverty But the nations ultimately reject Christ s rule and wage war against Him in the infamous Battle of Gog and Magog So is the Millennium really a time of peace and prosperity predicted by so many What really happens during the Millennium What is the purpose of the Millennium And do God s people really spend eternity in Heaven or do they spend eternity on earth in New Jerusalem as the book of Revelation predicts **Got Questions?** Louis J Pantuosco, Jr,Louis Pantuosco Jr.,2007-10 In a non threatening manner this book anticipates the concerns of the readerusing Scripture to provide logical explanations to frequently asked questionsabout life faith prayer and purpose **A Verse by Verse Study of the Book of Revelation** Glenn Earle Cummings,2007-02 *The Flow of Endtime Events* Richard Suchy,2003-04-06 A personal relationship with Jesus Christ and the leading of the Holy Spirit are required as first steps in understanding the Bible God then requires that believers diligently study His Word with open hearts and minds as they seek His truth This book is intended as a study aid in understanding Bible prophecy Questions addressed include How will victory over world terrorism lead to something even more horrifying What can we deduce about the personality and cultural background of Antichrist What part does the ancient Wailing Wall in Jerusalem play in prophecy Why do so many people believe in a seven year Tribulation when the Bible teaches that the first half of this period is a time of peace How will religious freedom lead to the outlawing of true Christianity Why will God allow His people to suffer at the hands of Antichrist Why do so many people believe in the imminent return of Christ when the Bible clearly indicates that certain events must happen first Why will most

of the earth's population look to Satan as the world's hope of salvation and see Jesus Christ as the super villain of the universe

Biblical Studies on the Prophecies of the Rapture and Revelation Larry Phillip Russell, 2017-11-16 Biblical Studies on the Prophecies of the Rapture and Revelation is an introduction to and exploration of the Bible's teachings on the Second Advent of Jesus Christ. It distinguishes the Rapture from the Revelation. It affirms the Premillennial Pre-tribulation Rapture and Dispensational views. Explored are various theological positions of the Return of Christ. Biblical history, Church history, and insights from key Scripture passages. Russell writes for inquiring laity, clergy, and seminarians. This work provides edification, inspiration, a wealth of Biblical knowledge, working together strands of history, theology, Biblical studies, statistics, and even humor. The book addresses the Unconditional Covenant God made with Israel, kindly refutes Replacement theology, the Amil and Postmil views, defines Daniel's 70th Week, considers the future Tribulation Millennium, reminds of God's Sovereignty and Providence, warns of sensationalism, date setting, presents signs of the times, and touches on Apostasy. The book is a comprehensive eschatological work with significant amounts of doctrine, Biblical history, the history of Christianity, and interrelated eschatological considerations. It also admonishes practical Christian living and encourages seeking paths of holy living. If you desire to understand the distinctions between the Rapture and the Revelation, seek a challenging and rewarding journey of study, and if you would find your faith strengthened and your understanding increased, this book will be a helpful guide to your exploration.

Exposing the Fallacies of the Pre-Tribulation Rapture Billy Broadwater, 2014-06-19 The Pretribulation Rapture theory has had a foothold on many Christians in America for over a hundred years. This teaching is not allowed to be challenged in many Christian circles. Exposing the Fallacies of the Pretribulation Rapture takes the building blocks of this theory and dismantles them one by one in a serious, thought-provoking analogy of this doctrine. Is the seven-year tribulation really a biblical term? Is the church literally raptured in Revelation chapter 4? Are there signs that precede the return of Christ? Is the rapture really an invisible event? Are Christians exempt from tribulation? Where did the true roots of the pretribulation rapture come from? What does the day of the Lord have to do with the rapture? These questions and many more are answered in Exposing the Fallacies of the Pre-Tribulation Rapture. Not only is there a thorough examination of the rapture, but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming. Billy Broadwater's in-depth Bible-based research for over twenty years brings home the truth about the rapture.

The Great Tribulation! Richard Guthrie, 2014-12-12 The end times contain many exciting events we are all familiar with and think we fully understand. The appearance and domination of the Antichrist throughout the world. The rise and global domination of the Revised Roman Empire resulting in a One World Government. The Mark of the Beast that makes trade impossible anywhere on the Earth. The universal devastation wrecked by the Four Horsemen of the Apocalypse. The appearance of the spiritual harlot of Mystery Babylon and the end time false religion. However, consider the following: What if the Antichrist will not become the universal or worldwide leader? What if the Mark of the Beast is regional rather than global? What if there is no Revised Roman Empire? What if the Four Horsemen of the Apocalypse have already been loosed? What if Mystery Babylon could never be the Roman Catholic Church? Who did Jesus identify as the Mystery Babylon of Revelation? What if the Twelfth Imam, the Islamic Messiah, is slain in the rebuilt Jewish Temple? Why is it impossible to know the identity of the Antichrist until certain events unfold? Why are the dates of the Rapture and that of the Second Coming both unknowable? Who is left to enter

into the Millennial Kingdom if there is a Post Tribulational Rapture Why are the identities of the two end time prophets unknowable What country is poised to play a major role within these end time events In a detailed and thorough analysis of Scripture The Great Tribulation explores these and many more questions related to the end time events in a step by step approach Using a literal interpretation of Scripture this eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic and straightforward for the novice *Theomatics II* Del Washburn,1994-07-21

Guthrie,2014-04

The Pre Tribulational Rapture theory of the end times is the most prevalent and well known end time scenario of the Bible It is well entrenched and established in most fundamental churches The Pre Tribulational Rapture has been popularized by the Left Behind book and movie series However consider the following What if the blessed hope was not a promise of the Rapture What if the wrath the Church was not appointed to had nothing to do with the Tribulation What if the Rapture is not and cannot be an imminent event What if the Antichrist will not and cannot rule over the entire world What if the Church is not missing during any portion of the book of Revelation What if the falling away in 2 Thessalonians 2:3 is only a reference to the end time apostasy of the Church predicted by Jesus What if only unbelievers enter into the Millennial Kingdom What if Enoch is no more a representation of a Pre Tribulational Rapture than Elijah is a representation of a Post Tribulational Rapture What if the time at which both the Rapture and the Second Coming will occur is unknown What if Jesus Paul and Daniel presented the exact same end time scenario What if a literal interpretation of Scripture reveals a Post Tribulational Rapture In a detailed and thorough analysis of Scripture The Rapture From the Ground Up explores these and many more questions related to the end time events surrounding the Rapture in a step by step approach This eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic simple and straightforward for the novice Using a literal interpretation of Scripture the Post Tribulational Rapture is the undeniable result of such a diligent and literal study of God's
