

*These stories reveals the unknown literary and sensitive facet of Narendra Modi's personality*

# Abode of Love

Narendra Modi –as the charismatic politician and successful Chief Minister of Gujarat is well known- but very few people know that he is a writer as well. Written when Narendra Modi was in his youth, the stories in the book reveal a hitherto unknown, sensitive and emotional, aspect of his personality.

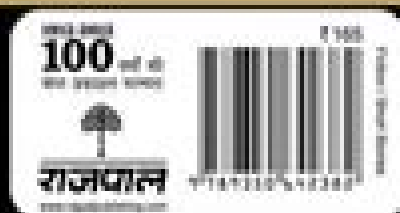

Narendra Modi's belief is that a mother's love is the source of all love and there is no greater love than a mother's love. The different kinds of love we experience in our life, whether the love between two friends, the love of a teacher for his students, the love of a doctor for his patient or even the love between a husband and wife, are all reflections and shades of a mother's love.

These stories were written during 1975-1977 when Emergency had been imposed in the country. Rashtriya Sevak Sangh, for which Narendra Modi worked with, was banned and consequently he had to go underground. Several times he changed disguises to avoid being recognized and arrested. While underground, the young Narendra Modi was charged with the responsibility of preparing and distributing pamphlets and posters. These long periods of forced isolation and living incognito turned out to be a blessing in disguise, as Narendra Modi says "Till then the only writing I had done was on the answer sheets during exams. But now that I was charged with the responsibility for preparing pamphlets and posters for the mission, I perforce had to write and gradually writing became a habit. And I discovered the power and might of the humble pen."

Originally written in Gujarati, the stories have been translated into English and Hindi.

psychology of humankind's deepest spiritual encounters. It identifies ten distinct psychological states common to all religious experience. A study of the specific characteristics of each state reveals that sages from widely different theologies, times, and cultures have experienced God's love in remarkably similar ways. Their words show us what intimate encounters with the Great Beloved feel like and how we can cultivate these mystical unions in our own lives. The compassionate wisdom in the pages of this book are a moving testament to the majesty, variety, and splendor of the direct experience of God's love. **The Feeling** Clayten Tylor, 2019-03-13. This book is an Esoteric interpretation of Emanuel Swedenborg's spiritual writings. It is written from a sinner's perspective as a personal memoir meant to impart spiritual guidance by example. It is a hands-on self-help book on how to birth the Divine Feminine Essence of Love from within. The author traces the Divine back to its original source as Essential Love and Essential Innocence, which begins in the body as a sensual feeling of love and through the process of regeneration it becomes the Word of God. By sharing the spiritual feeling of the Word as love, it becomes a blissful union with the Divine within as the feeling of the New Church. The New Church is the perception of an influx of spiritual love flowing from within as happiness. But it also has a two-fold purpose. For when the feeling of love from a sensual life has been transformed into the spiritual feeling of love and when done on a mass scale, it ultimately manifests as the true purpose of the New Church: Swedenborg's New Jerusalem, the Brotherhood of Mankind, as the feeling of Heaven on Earth. *Unity*, 1919.

The teachings of Ahmad al-Ghazālī changed the course of Persian Sufism forever, paving the way for luminaries such as Rūmī and Ḥafiz. Yet he remains a poorly understood thinker with many treatises incorrectly attributed to him and conflicting accounts in the historiographical literature. This work provides the first examination of Ahmad al-Ghazālī and his work in Western scholarly literature. Joseph E. B. Lumbard seeks to ascertain the authenticity of works attributed to this author, trace the development of the dominant trends in the biographical literature, and reconstruct the life and times of Ahmad al-Ghazālī with particular attention to his relationship with his more famous brother Abū Ḥamid al-Ghazālī. Lumbard's findings revolutionize our understanding of Ahmad al-Ghazālī's writings, allowing for focus on his central teachings regarding Divine Love and the remembrance of God. **Preacher and Homiletic Monthly**, 1912. *The Kashf Al-Mahjūb* 'Alī ibn 'Uṣmān Hujvīrī, 1911.
