The Heart of a Distant Forest Philip Lee Williams, 2005-09-01 Retired to his family home on a Georgia lake and facing death former history professor Andrew Lachlan becomes alive to the wonders of nature and enters new relationships with a country boy named Willie Sullivan and a former love Callie MacKenzie Reprint *The Heart of a Distant Forest* Philip Lee Williams, 1984 Retired professor Andrew Lachlan has returned to his family home on a lake in central Georgia to die And yet he has never felt so alive so ready to learn about the natural world around him Having taught all his life he is ready for solitude But a young country boy Willie Sullivan disrupts Lachlan's search for order and rekindles memories he thought long dead Lachlan also finds Callie McKenzie a woman he loved years earlier and they soon begin to see in each other reflections of the lives they once led Lachlan's journal of his year by the lake leads him to a deeper understanding of himself and the world *In the Heart of the Amazon Forest* Henry Walter Bates, 2007-02-01 One of the most impressive of all Victorian scientists but also a marvellous writer Bates 1825-1892 account of his years in the upper reaches of the Amazon is almost too good to be true a great monument to human inquisitiveness as he battles great hoards of malevolent reptiles and insects in his quest for ever more obscure specimens on ever more narrow and creeper choked tributaries *Great Journeys* allows readers to travel both around the planet and back through the centuries but also back into ideas and worlds frightening ruthless and cruel in different ways from our own Few reading experiences can begin to match that of engaging with writers who saw astounding things Great civilisations walls of ice violent and implacable jungles deserts and mountains multitudes of birds and flowers new to science Reading these books is to see the world afresh to rediscover a time when many cultures were quite strange to each other where legends and stories were treated as facts and in which so much was still to be discovered **The Songs of Phera Main** Simon Yates, 2011-12-01 *The Songs of Phera Main* is a fast paced and topical fantasy novel It touches upon the consequences of our mismanagement of the environment and the abuse of power by those who govern us When a young woman goes missing from an isolated village in the north of the country Helannon a member of the ruling Brotherhood and his assistant are dispatched to investigate Very soon their suspicions fall on Dvalon a simpleton with a dubious past and the case seems all but resolved But when Dvalon and the assistant mysteriously vanish overnight Helannon increasingly finds himself out of control and out of his depth Meanwhile Phera Main Lord General of the army and hero to the nation has fought and lost her final battle Terribly wounded and traumatically disfigured she is exiled to an unfamiliar life of seclusion on a farmstead in the great plain Surrounded by her constant companion Kera and a cacophony of orphan children she resigns herself to her fate However when ancient forces collide with tragic consequences Phera Main finds herself at the centre of a struggle not only for her own existence and that of those she cares for but for the very survival of mankind itself Her final battle was only the beginning Now she must look into the abyss that confronts her and face the demons that have tormented her from the moment of her birth **The New Georgia Encyclopedia Companion to**
