The Hero of Hampton Hills John A. Perry,2001-12-01 **Heroes of the Skies** Michael Ashcroft,2012-09-13 Since the dawn of aerial combat in the First World War the heroism of the men who put their lives at risk in the air has known no bounds There were no more heroic airmen than the fighter pilots and bomber crews of the Second World War men who sacrificed their own lives in order to save their crew or who although in extreme pain managed to get their aircraft home rather than risk becoming PoWs In telling the stories of more than eighty such men *Heroes of the Skies* paints a picture of aerial combat from the First World War right through to Afghanistan and allows us to celebrate the extraordinary feats of our flying heroes *Only Heroes and Horses* Natalie O'Rourke,2022-05-26 Including a brand new bonus chapter Park Lane Stables is such a force for good Rob Brydon An uplifting story Horse and Rider This is the story of Park Lane Stables It is about hope about horses and about lots and lots of heroes Natalie O Rourke was an ordinary little girl from Birmingham in all respects save one she was lonely When she discovered how much she loved horses she decided she wanted to grow up and run a riding stables She wanted her stables to cater for children and adults with disabilities additional needs and anyone who needed a friend people who you might not expect to find riding but who she knew could find happiness through horses because she had Full of guts and optimism Natalie fought tooth and nail to achieve that dream in the face of some hefty tragedy heartbreak and hardship Even the Covid 19 crisis couldn't slow her or her league of fearless Park Lane colleagues down despite barely surviving financially in lockdown the stables Pavement Ponies paid visits to the community on a mission to cheer their neighbours up and tirelessly supported the NHS But when the news came that the landlord was selling the stables and that the Park Lane horses and their humans would be evicted unless they found a whopping 1 000 000 to buy the plot it seemed a mountain too high even for this plucky team to climb Could they win the support of the nation and with it their fight to save the stables *The Heroes* Stephen Franklin,1967 *Some Heroes of the American Revolution* James Davis Bailey,1924 **Victoria Cross Heroes** Michael Ashcroft,2012-10-25 This ebook edition contains the full text version as per the book Doesn't include original photographic and illustrated material VICTORIA CROSS HEROES tells the stories of over 150 individuals whose bravery has earned them the Victoria Cross Britain's most prestigious medal for courage in action The book is introduced by Michael Ashcroft who owns over ten per cent of all VCs ever awarded He explains the history of the medal and the story of his fascination with it The main text of the book tells the stories of both those recipients whose medals are in his collection and those whose stories featured in the television series Each chapter covers a different conflict from the Crimean War to Iraq **Heroes** Ann Spangler,Charles Turner,1990 *Come Away With Me* Thomas Grisham,2020-06-30 This is a book of short stories Some of them are true some partly true and some complete fiction They come from my exploration of people ideas and places in this amazing world we share When you see a bold underlined word or phrase it is a link I hope you find curiosity and diversion in these pages **King's Mountain and its heroes : history of**

Gilmour,2005-06-24 One of very few books on religion and popular music Covers a wide range of musical styles from heavy metal and rap to country jazz and Broadway musicals The essays are written by academics and informed by their enthusiasm for the music Many books have explored the relationship between religion and film but few have yet examined the significance of religion to popular music Call Me The Seeker steps into that gap Michael Gilmour's introductory essay gives a state of the discipline overview of research in the area He argues that popular songs frequently draw from and interpret themes found in the conceptual and linguistic worlds of the major religions and reveal underlying attitudes in those who compose and consume them He says these texts deserve more serious study The essays in the book start an on going conversation in this area bringing a variety of methodologies to bear on selected artists and topics Musical styles covered range from heavy metal and rap to country jazz and Broadway musicals

Where Have All the Heroes Gone? Bruce Peabody,Krista Jenkins,2017-02-14 From the men and women associated with the American Revolution and Civil War to the seminal figures in the struggles for civil and women's rights Americans have been fascinated with icons of great achievement or at least reputation But who spins today's narratives about American heroism and to what end In *Where Have All the Heroes Gone* Bruce Peabody and Krista Jenkins draw on the concept of the American hero to show an important gap between the views of political and media elites and the attitudes of the mass public The authors contend that important changes over the past half century including the increasing scope of new media and people's deepening political distrust have drawn both politicians and producers of media content to the hero meme However popular reaction to this turn to heroism has been largely skeptical As a result the conversations and judgments of ordinary Americans government officials and media elites are often deeply divergent Investigating the story of American heroes over the past five decades provides a narrative that can teach us about such issues as political socialization institutional trust and political communication Journal of
