The Navajos are Coming to Jesus Thomas Dolaghan, David Scates, 1978-01-01

The Navajo as Seen by the Franciscans, 1898-1921 Howard M. Bahr, 2004-06-24 The Navajo as Seen by the Franciscans is the story of one of the great cultural confluences in American history the coming of Franciscan missionaries to the Navajo people Here in the words of the friars who lived it is part of that remarkable story Utilizing both primary and secondary materials this sourcebook aims to make more readily accessible the views of the Franciscans both in their personal writings and in national publications and mission magazines addressing the Catholic laity and potential donors Selections include internal reports and position papers not intended for publication diaries and personal correspondence and notes and unfinished drafts Each text is introduced by the editor and has been carefully selected for inclusion to provide a comprehensive view of the Navajo of the late 19th and early 20th century as well as insights into those that served them as teachers advocates counselors and medical missionaries Because most Franciscan missionaries came to live among the Navajo for their entire lives their primary commitment was neither to science nor to publication for their academic peers but to the welfare both here and in the hereafter of those among whom they served allowing for a complex and mutually beneficial relationship between the two This volume covers the remarkably productive first decades of the Franciscan missions to the Navajo during the ministry of Father Anselm Weber from the arrival of the first missionaries in 1898 to Fr Anselm s passing in 1921 Its 43 chapters are divided into six parts Beginnings Indian Policy Early Ministry 1901 1910 Navajo Land Among the People 1911 1920 and Navajo Customs and Character Supplemented by 16 rare black and white photographs this reference work is a fascinating glance into the lives of two cultures forever changed by each other

Navajos Wear Nikes Jim Kristofic, 2011-03-15 Just before starting second grade Jim Kristofic moved from Pittsburgh across the country to Ganado Arizona when his mother took a job at a hospital on the Navajo Reservation Navajos Wear Nikes reveals the

complexity of modern life on the Navajo Reservation a world where Anglo and Navajo coexisted in a tenuous truce After the births of his Navajo half siblings Jim and his family moved off the Reservation to an Arizona border town where they struggled to readapt to an Anglo world that no longer felt like home With tales of gangs and skinwalkers an Indian Boy Scout troop a fanatical Sunday school teacher and the author's own experience of sincere friendships that lead to ho zho beautiful harmony Kristofic's memoir is an honest portrait of growing up on and growing to love the Reservation Witness James Wm. McClendon JR.,2010-09-01 Ethics the first volume of McClendon's Systematic Theology explored the shape of life in the Christian community Doctrine the second volume investigated the teaching necessary to sustain that life Witness the third and final volume of the work considers the wider context in which that life takes place It asserts that the church's identity is established not only by how it lives and what it teaches but also by how it enters into conversation and connects with systems of thought and social structures outside itself McClendon continues here his exploration of the baptist vision a tradition of the church's understanding of itself its relation to Scripture and its place in the larger society which flows from the Radical Reformation of the 16th century He employs that vision to engage in conversation with three principal partners other theologies current philosophy and culture including science and letters the fine and performing arts and politics in short what Scripture calls the world *Crow Jesus* Mark Clatterbuck,2017-02-10 Crow Christianity speaks in many voices and in the pages of Crow Jesus these voices tell a complex story of Christian faith and Native tradition combining and reshaping each other to create a new and richly varied religious identity In this collection of narratives fifteen members of the Aps alooke Crow Nation in southeastern Montana and three non Native missionaries to the reservation describe how Christianity has shaped their lives their families and their community through the years Among the speakers are elders and young people women and men pastors and laypeople devout traditionalists and skeptics of the indigenous cultural way Taken together the narratives reveal the startling variety and sharp contradictions that exist in Native Christian devotion among Crows today from Pentecostal Peyotists to Sun Dancing Catholics to tongues speaking Baptists in the sweat lodge Editor Mark Clatterbuck also offers a historical overview of Christianity's arrival growth and ongoing influence in Crow Country with special attention to Christianity's relationship to traditional ceremonies and indigenous ways of seeing the world In Crow Jesus Clatterbuck explores contemporary Native Christianity by listening as indigenous voices narrate their own stories on their own terms His collection tells the larger story of a tribe that has adopted Christian beliefs and practices in such a way that simple unqualified designations of religious belonging whether Christian or Sun Dancer or Peyotist are seldom if ever adequate

Navajo Night Carol Ann Didier,2009-09-01 A white woman and a Navajo holy man dare a perilous love on the Wild West's most treacherous frontier Unspoken Passion Yields To JoAnna Lund and her father are risking everything to settle safely out west and leave their tragic past far behind And as a lone rider blocks their trail they are prepared for trouble But from the moment JoAnna locks eyes with the tall proud Navajo brave she feels an irresistible dangerous desire Forbidden Pleasure

Notah Begay wonders why the young woman and her father have ventured so deep into his people's territory. But he is fascinated by JoAnna's gentle spirit and her honesty sparks a passion that his carefully guarded heart can't deny. And nothing and no man will prevent him from claiming the woman who has made him hers forever. An outstanding romance novel, pure reading pleasure and hard to put down. *Affaire de Coeur* Didier creates likable characters, a romantic setting and romantic tension. *Romantic Times* *The Dialogical Spirit* Amos Yong, 2015-04-30 Contemporary proposals for Christian theology from post liberalism to Radical Orthodoxy and beyond have espoused their own methodological paradigms. Those who have ventured into this domain of theological method however have usually had to stake their claims vis a vis trends in what may be called the contemporary post-al age whether of the post modern, post Christendom, post Enlightenment, post Western or post colonial varieties. This volume is unique among offerings in this arena in suggesting a way forward that engages on each of these fronts and does so from a particularistic Christian perspective without giving up on Christian theology's traditional claims to universality. This is accomplished through the articulation of a distinctive dialogical methodology informed by both Pentecostalism and Evangelicalism, one rooted in the Christian salvation history narrative of Incarnation and Pentecost that is yet open to the world in its many and various cultural, ethnic, religious and disciplinary discourses. Amos Yong here engages with twelve different interlocutors representing different ecumenical, religious and disciplinary perspectives. *The Dialogical Spirit* thus not only proffers a model for Christian theological method suitable for the twenty-first century global context but also exemplifies this methodological approach through its interactions across the contemporary scholarly inter-religious and theological landscape. **The Navajo Yearbook**, 1958 *Indian Playmates of Navajo Land* Ethel M. Baader, 1927

Systematic Theology James William McClendon, 1986 *Ethics* the first volume of McClendon's *Systematic Theology* explored the shape of life in the Christian community. *Doctrine* the second volume investigated the teaching necessary to sustain that life. *Witness* the third and final volume of the work considers the wider context in which that life takes place. It asserts that the church's identity is established not only by how it lives and what it teaches but also by how it enters into conversation and connects with systems of thought and social structures outside itself. McClendon continues here his exploration of the Baptist vision, a tradition of the church's understanding of itself, its relation to Scripture and its place in the larger society which flows from the Radical Reformation of the 16th century. He employs that vision to engage in conversation with three principal partners: other theologies, current philosophy and culture, including science and letters, the fine and performing arts and politics in short what Scripture calls the world. *The Navajo Yearbook* United States. Bureau of Indian Affairs Navajo Agency, 1957 **Missiology**, 1979 An international review *Health Care & Spirituality* Richard Gilbert, 2019-03-14 Few areas in life have experienced the rapid pace of change that has been the experience of health care. It is an area where nothing feels safe and everything is threatened with reexamination and redefinition. Accompanying this situation is a new appreciation for the human spirit and the gift of things spiritual, including the soul of the work place.

Addressing this situation is a vital new book Health Care and Spirituality Listening Assessing Caring an anthology of the human predicament the health care professional s story and the health care work place Health Care and Spirituality explores this area that is continually being introduced to new treatments new challenges new people new regulations new expectations and new time limits
