Reconstructing American Historical Cinema J.E. Smyth, 2006-10-27 In *Reconstructing American Historical Cinema* From Cimarron to Citizen Kane J E Smyth dramatically departs from the traditional understanding of the relationship between film and history By looking at production records scripts and contemporary reviews Smyth argues that certain classical Hollywood filmmakers were actively engaged in a self conscious and often critical filmic writing of national history Her volume is a major reassessment of American historiography and cinematic historians from the advent of sound to the beginning of wartime film production in 1942 Focusing on key films such as Cimarron 1931 The Public Enemy 1931 Scarface 1932 Ramona 1936 A Star Is Born 1937 Jezebel 1938 Young Mr Lincoln 1939 Gone with the Wind 1939 Stagecoach 1939 and Citizen Kane 1941 Smyth explores historical cinema s connections to popular and academic historiography historical fiction and journalism providing a rich context for the industry s commitment to American history Rather than emphasizing the divide between American historical cinema and historical

writing Smyth explores the continuities between Hollywood films and history written during the first four decades of the twentieth century from Carl Becker's famous *Everyman His Own Historian* to Howard Hughes's *Scarface* to Margaret Mitchell and David O. Selznick's *Gone with the Wind*. Hollywood's popular and often controversial cycle of historical films from 1931 to 1942 confronted issues as diverse as frontier racism and women's experiences in the nineteenth century South, the decline of American society following the First World War, the rise of Al Capone and the tragic history of Hollywood's silent era. Looking at rarely discussed archival material, Smyth focuses on classical Hollywood filmmakers' adaptation and scripting of traditional historical discourse and their critical revision of nineteenth and twentieth century American history. *Reconstructing American Historical Cinema* uncovers Hollywood's diverse and conflicted attitudes toward American history. This text is a fundamental challenge to the prevailing scholarship in film history and cultural studies.

We Did Ok, Kid
Anthony Hopkins, 2025-11-04 Academy Award winning actor Sir Anthony Hopkins delves into his illustrious film and theatre career, difficult childhood and path to sobriety in his honest moving and long awaited memoir *Born and raised in Port Talbot*, a small Welsh steelworks town amid war and depression. Sir Anthony Hopkins grew up around men who were tough to say the least and eschewed all forms of emotional vulnerability in favor of alcoholism and brutality. A struggling student in school, he was deemed by his peers, his parents and other adults as a failure with no future ahead of him. But on a fateful Saturday night, the disregarded Welsh boy watched the 1948 adaptation of *Hamlet*, sparking a passion for acting that would lead him on a path that no one could have predicted. With candour and a voice that is both arresting and vulnerable, Sir Anthony recounts his various career milestones and provides a once in a lifetime look into the brilliance behind some of his most iconic roles. His performance as Iago gets him admitted into the prestigious Royal Academy of Dramatic Art and places him under the wing of Laurence Olivier. He meets Richard Burton by chance as a young boy in his art teacher's apartment and later backstage before a performance of *Equus* as an established actor meeting his hero. His iconic portrayal of Hannibal Lecter was informed by the creepy performance of Bela Lugosi in *Dracula* and the razor sharp precision of his acting teacher. He pulls raw emotion from the stoicism of his father and grandfather for an unforgettable performance in *King Lear*. Sir Anthony also takes a deeply honest look at the low points in his personal life. His addiction cost him his first marriage, his relationship with his only child and nearly his life, the latter ultimately propelling him toward sobriety, a commitment he has maintained for nearly half a century. He constantly battles against the desire to move through life alone and avoid connection for fear of getting hurt, much like the men in his family, and as the years go by, he deals with questions of mortality, getting ready to discover what his father called *The Big Secret*. Featuring a special collection of personal photographs throughout, *We Did OK, Kid* is a raw and passionate memoir from a complex iconic man who has inspired audiences with remarkable performances for over sixty years.
