The Orange Order Eric P. Kaufmann,2009-04-17 Based on unprecedented access to the Order s internal documents this book provides the first systematic social history of the Orange Order the Protestant association dedicated to maintaining the British connection in Northern Ireland Kaufmann charts the Order s path from the peak of its influence in the early 1960s to its present day crisis Along the way he sketches a portrait of many of Orangeism s leading figures from ex Prime Minister John Andrews to Ulster Unionist Party politicians like Martin Smyth James Molyneaux and David McNarry and also includes the highly revealing correspondence with adversaries such as Ian Paisley and David Trimble Packed with analyses of mass membership trends and attitudes the book also takes care to tell the story of the Order from below as well as from above In the process it argues that the traditional Unionism of West Ulster is giving way to the more militant Unionism of Antrim and Belfast which is winning the hearts of the younger generation in cities and towns throughout the province The Orange County Fair Chris Epting,2015-07-20 The Orange County Fair is one of Southern California s most anticipated summer events From its first year in 1890 with a few livestock exhibits and horse races the fair evolved into what is now a month long extravaganza of rides games and entertainment that still celebrates the importance of local agriculture Millions of visitors have crowded the grounds over the years to enjoy the spectacle of everything from ostrich races and demolition derbies to its unique Centennial Farm and the time honored All Alaskan pig race Author Chris Epting recounts more than a century of community history and revelry at the OC Fair **The Little Dog Trusty; The Orange Man; and the Cherry Orchard; Being the Tenth Part of Early Lessons (1801)** Maria Edgeworth,2021-03-16 **Aspects of the Orange Revolution VI**
