Sintra A Glorious Eden:

Sintra Malcolm Jack,2002 Sintra is a unique and fantastic place It is a place to be visited and explored time and time again both on account of its magnificent natural scenery an alpine setting in the south of Portugal and its rich history entwined with that of the Portuguese Royal family Sintra A Glorious Eden evokes the spirit of this magical place a cool sanctuary for the monarchy from the overwhelming heat of the city of Lisbon The reader is introduced to the historical and literary background to what has become a symbol of Portuguese romanticism at home and abroad Lisbon, City of the Sea Malcolm Jack,2019-08-22 Lisbon City of the Sea is a beautifully written portrait of a much loved city from its origins in Greek legend to the present day Malcolm Jack vividly captures the rich and unique history of this haunting and attractive port whose prominent position on the Tagus estuary has inextricably bound its character with the sea Lisbon is a city of steep inclines and complicated unsymmetrical streets that criss cross the hills only in the Baixa area near the river and in the more modern northern part of the city does any form of a grid system appear It has enjoyed a political history that has directed Portugal's focus more overseas than inland towards continental Europe in part because of Spain's geographical position Thus the city has been stretched in one direction toward Brazil and in another toward the Cape of Good Hope and from there to Asia and the East Beginning with its earliest inhabitants Jack traces the city's life through its imperial success in the sixteenth century and the devastating earthquake that humbled the city and shocked Europe in 1755 to its current position as a vibrant and successful European capital Lisbon's romantic atmosphere has captured the imaginations of foreigners through the ages Poets writers and musicians have all drawn inspiration from different parts of Lisbon This sensitive exploration of the city's many aspects draws out its cosmopolitan nature as well as its colourful culture and self image and brings us closer to understanding its true spirit Engaging and accessible this book will appeal to Lisbon's many visitors as well as anyone interested in European history **National Geographic Traveler: Portugal, 2nd Edition** Fiona Dunlop,2013 Presents information on Portugal's culture history and people offers walking and driving tours enhanced by color coded maps and suggests excursions off the beaten path **Supplying Salt and Light** Lorna Goodison,2013-03-26 This stunning new book of poems from internationally renowned poet Lorna Goodison opens in Spain and Portugal conjuring up a new history of the Caribbean and a new way of setting up its heritage The title sets the tone for poems about backgrounds and outlines and shadows and sources of light This extraordinary book a wide lotus on the dark waters of song is filled with surprises at every turn as a Moorish mosque becomes a cathedral in Seville a country girl dresses in Sunday clothes to visit a Jamaican bookmobile and a bear appears suddenly only to slip away silently into the trees on a road in British Columbia The heartache of Billy Holliday singing the blues the burden of Charlie Chaplin tramping the banana walks of Jamaica's Golden Cloud and the paintings of El Greco the quintessential stranger come together on the poet's pilgrimage to Heartease guided by a limping angel and inspired by the passage making of Dante the book ends with a superb version of

the first of his cantos translated into the poet's Jamaican language and landscape with the gift of love *Trouvaille*
Sreetanwi Chakraborty, 2022-03-20 The onslaught of the worldwide pandemic has clearly revealed a strong yet suspicious binary One what the world was before the pandemic and two what the world is after the pandemic Across the serrated passages of time the gongs and the old churchbells cityscapes waves of the ocean and the miniature heavens on the earth what ensued is the thirst the thirst to rekindle the passion for travelling Travel tours peregrination globe trotting voyage journey in fact the trail to synonyms is matchless in this respect The issues of mobility and migration give rise to several cultural exchanges and hence the nature of travel narratives has also expanded manifold For quite a long time travel stories or travel narratives were considered to be part of creative writing only highlighting the non academic flavour that was associated with it However over the years several researchers and academicians have incorporated their own arguments about the academic importance of travel narratives As Jacqueline Tivers and Tijana Rakie have pointed out in their praiseworthy work *Narratives of Travel and Tourism* Travel and tourism stories have been told and recorded in almost every culture and period of oral and written history and across the breadth of the fact fiction continuum in fact storytelling is an essential part of human nature McCabe and Foster 2006 194 and narration in its many forms may be seen to lie at the very heart of both travel and tourism Bendix 2002 Hence any type of travel narrative is not just a collection or collage of memories and places locales and geographical details it is a fine blend of the recreational the contemplational the facts and the fictional The concept of *Trouvaille* occurred to me during one of those lazy afternoons when the entire world was in the tentacles of this deadly pandemic Connecting with the finest narrators of short stories poems travel narratives was not sudden All our contributors have woven some of the finest travel stories narrated experiences that are enriching refreshing and that bring a fresh relief after the pandemic if you call this an excellent version of wanderlust Ketaki Datta apart from her academic pursuits is an avid traveller and a voracious reader The account of her visit to Lisbon is filled with marvellous picturesque description of the archeological enigma of the place City gardens fountains palaces and everything from chandelier to her experiences at the airport she has portrayed intricate details in the most moving forms Sunil Sharma's travel narrative is succinct giving our readers an exquisite variety of photos and special moments that our author spent near the Niagara Falls He has drawn a ubiquitous comparison when it comes to assessing different cities with their supine charms and overactive glories The photos of light and sound around the Niagara Falls are a feast to the tired eyes To see the cascade falling with a staggering force as the author narrates is a delight in itself Cityscapes and monuments the cacophonies and symphonies of the city across the larger pixels of time travel author Gopal Lahiri takes us on a wonderful journey to New York the city that never sleeps the city that is punctuated by different cultures festive moments songs Thanksgiving changes splendid cathedrals and colossal Empire State Buildings How to interpret change How to rekindle the enigma of a melting pot of several cultures Read to know Next comes our author Aneek Chatterjee who writes It was a chilly but sunny November

morning in the year 2005 when my TGV train reached Gare du Rennes the train station in the city of Rennes in Northwest France I boarded the train from Montparnasse station in Paris about two hours ago The travel narrative is enthralling about half timbered houses about the rich history of France The author weaves a rich tapestry of images descriptive passages light hearted conversations and scenic grandeur to highlight what constitutes an ideal holidaying Gayatri Majumdar our next author is eloquent about her wish fulfillment journey after all we all do have our own bucket list ready isn't it to Boudhanath Kathmandu She is a wizard of words weaving leisure with studies often verging on the more reflective and detailed portrayal of the places in a fresh and innovative manner Her journey is tinged not with a replica of boredom or exhaustion but soothes allows us to contemplate and re discover Boudhanath Our next author for Trouvaille is Paramita Mukherjee Mullick an ardent reader an active traveller trying to structure her journey narrative in the most photographic pattern The Masai tribes the majestic lions and the wild rugged landscape in Kenya are sure to quench the travel thirst in all our readers There is a certain sense of domestic dimension contrasted with the wilderness that allows the moments to seep in slowly so that the readers can participate in Paramita's excursion From wildlife lens to a splash in the azure crystal water of the Maldives Trouvaille author Sangeeta Sharma presents what an ideal rendezvous with Maldives can be what can be the more delectable way other than enjoying the moments at Nalaguraidhoo Island This serene pristine island as the author says is among the top Maldives points of interest and engages the reader's attention with her unique description of the beaches beautiful tropical flowers and lavish greenery Next author Rajorshi Patranabis takes us on a coffee and culture ride to one of my most favourite destinations in India The spirit of Pondicherry the tunes of Auroville are enlivened with Rajorshi's often terse simple narrative verging on personal beginning journey penance and passion Instances arise when we do question myriad experiences which are bittersweet in nature but the travel narrator is consistent enough not to leave us with a bruised soul but with a promise to describe some future vigorous pursuits in the same place A special point to be noted is how Rajorshi explains calculates relates to highlights re affirms analyzes the whole concept of UTOPIA Prasasti Pandit just like the heading of her write up presents us with an incredible journey to Yellowstone National Park USA She has a pattern of enumerating the various natural structures across ages the fluidity in her narrative moving forward profoundly to a direction across the abyss of time Through her writing we explore not just the vastness of the spring and the hot geysers but as if the subconscious that wails from somewhere dark deep penetrating and wild The vulnerability of human life against an all encompassing omnipotent force of nature is tremendous Our next author Jagari Mukherjee gifts a fine blend of Oriental finesse combined with the parallel narratives at two places that offer her reason to celebrate Summer Christmas and a German Town in Michigan are not just spots in Jagari's poignant account they play an incessant role in redefining how a tourist re explores a certain place Her personal threads bustling market scenes trade shows dolls fairy tale like atmosphere holiday mood all are set to do a fine tuning of a traveller's actual paradise As a slight departure author Amanita Sen's

reflective travel story raises some of the most pertinent questions that perhaps any traveller would ask Revisiting Berlin is enigmatic and this is also a parallel story that Amanita writes For me however dramatic it might sound it was revisiting the concepts of existentialism nihilism mortality justice God and His ever questionable verdict on death of few million people I instantly knew this visit to Berlin will not be easy for the senses History and myth past and present war and peace people and memorial condense into a composite whole Time stops trots and then gallops at a pretty faster pace as the Bard himself had said and what remains is the tourist's vision the writer's pen and the artist's palette Our next author Rolf E Doppenberg discusses Anugraha Durga Devi Mandir in Vijaywada exploring the rich culture and heritage of India The Temple town of Vijaywada glimpses of Rangoli the carvings on the wall interiors cultures associated with the shrine all of these clubbed with the daily diary account of Rolf's stay in India is an explorer's dream collection It is a fine testament to the kaleidoscopic vision of India in all its colourful heterogeneous glory where we still believe atithi devo bhava As the pages move on we find one of the shortest travels that I found extremely interesting how author Ronnie Tucker describes the journey to the grave of his father Mortal wounds and pains that have no anodyne but someone resting peacefully inside the grave still beckons across borders in the woods standing on the countryside soil the present and the eternity accompany him to toss and turn to cry in anguish and loving his father even more And after this we are happy to have with us author Ashraf Aboul Yazid who writes about two weddings in Vietnam From the authentic delicacies of the place to the marriage rituals crockery guest honour and places of interest Vietnam gets a new splash of colours this summer So the editor here presents a palette of destinations for you all our dear readers Life is a highway as the song says Travel Innovate explore find delight in the smallest moments cityscapes undulated lands and offbeat bays let the wings of imagination spread in the distant sky enjoy the nectar of happiness like never before get enthralled about what an ideal sojourn looks like Trouville is all yours Bon Voyage Cheers Sreetanwi Chakraborty Editor Trouville
