

Sioux People Of The Great Plains

David J. Wishart

Sioux People Of The Great Plains:

Encyclopedia of the Great Plains David J. Wishart, 2004-01-01 Wishart and the staff of the Center for Great Plains Studies have compiled a wide ranging and intended encyclopedia of this important region. Their objective was to give definition to a region that has traditionally been poorly defined and they have [Encyclopedia of the Great Plains Indians](#) David J. Wishart, 2007-03-01 Until the last two centuries the human landscapes of the Great Plains were shaped solely by Native Americans and since then the region has continued to be defined by the enduring presence of its Indigenous peoples. The *Encyclopedia of the Great Plains Indians* offers a sweeping overview across time and space of this story in 123 entries drawn from the acclaimed *Encyclopedia of the Great Plains* together with 23 new entries focusing on contemporary Plains Indians and many new photographs. Here are the peoples, places, processes and events that have shaped lives of the Indians of the Great Plains from the beginnings of human habitation to the present not only yesterday's wars, treaties and traditions but also today's tribal colleges, casinos and legal battles. In addition to entries on familiar names from the past like Sitting Bull and Crazy Horse, new entries on contemporary figures such as American Indian Movement spiritual leader Leonard Crow Dog and activists Russell Means and Leonard Peltier are included in the volume. Influential writer Vine Deloria Sr, Crow medicine woman Pretty Shield Nakota, blues rock band Indigenous and the Nebraska Indians baseball team are also among the entries in this comprehensive account. Anyone wanting to know about Plains Indians past and present will find this an authoritative and fascinating source.

Bison and People on the North American Great Plains Geoff Cunfer, Bill Waiser, 2016-10-04 The near disappearance of the American bison in the nineteenth century is commonly understood to be the result of over hunting, capitalist greed and all but genocidal military policy. This interpretation remains seductive because of its simplicity: there are villains and victims in this familiar cautionary tale of the American frontier. But as this volume of groundbreaking scholarship shows, the story of the bison's demise is actually quite nuanced. *Bison and People on the North American Great Plains* brings together voices from several disciplines to offer new insights on the relationship between humans and animals that approached extinction. The essays here transcend the border between the United States and Canada to provide a continental context. Contributors include historians, archaeologists, anthropologists, paleontologists and Native American perspectives. This book explores the deep past and examines the latest knowledge on bison anatomy and physiology, how bison responded to climate change, especially drought, and early bison hunters and pre-contact trade. It also focuses on the era of European contact, in particular the arrival of the horse and some of the first known instances of over hunting. By the nineteenth century, bison reached a tipping point as a result of new tanning practices, an early attempt at protective legislation and ventures to introducing cattle as a replacement stock. The book concludes with a Lakota perspective featuring new ethnohistorical research. *Bison and People on the North American Great Plains* is a major contribution to environmental history, western history and the growing field of transnational history.

The Pueblo Mary Englar, Jane Duden, 2002-09 An account of the

history and current situation of the Pueblo Indians **The Powhatan** Tracey Boraas,2003 The history and culture of the proud Virginia Powhatan people is far deeper than the story of Pocahontas In The Powhatan readers look inside the life and society of a people who have overcome hardships disease and war and who continue to thrive in a modern world Book jacket

Tribes of Timeless Tradition MD Sharr,101-01-01 Tribes of Timeless Tradition explores the lives of 51 indigenous tribes worldwide celebrating their unique cultures rituals and enduring wisdom Set in forests mountains and plains these communities have preserved their identities despite global pressures toward uniformity The book offers rich authentic stories about their origins social structures spiritual beliefs and ceremonies like the Sun Dance and Rambu Solo It highlights how tribes balance tradition and change with insights into gender roles leadership and family life Written in an accessible style the book invites readers to understand and empathize with these cultures beyond stereotypes revealing their resilience amid modern challenges such as globalization and climate change By showcasing the deep connection between people and nature the book emphasizes the importance of protecting indigenous heritage as living wisdom It serves as both a cultural celebration and a call to action urging respect preservation and advocacy for these vibrant communities **South Dakota**

The Great Spirit's Whisper Pasquale De Marco, 2025-05-18
The Great Spirit's Whisper: A Journey Through the History and Culture of the Native American Tribes of the Great Plains. The Great Plains of North America are a vast and diverse landscape, home to a rich and vibrant Native American culture. For centuries, these tribes have lived in harmony with the land, their traditions and beliefs deeply intertwined with the natural world. In this book, we take a journey through the history and culture of the Native American tribes of the Great Plains. We begin with a look at the land itself, its geography, climate, and plant and animal life. We then turn our attention to the indigenous peoples who have called this region home for generations. We learn about their diverse languages, traditions, and ways of life. We also examine the complex relationship between Native Americans and European settlers. From the early days of exploration and trade to the bloody conflicts of the Indian Wars, we explore the events that shaped the history of the Great Plains. We discuss the impact of government policies, such as the Indian Removal Act and the allotment era, on Native American tribes. Finally, we turn our attention to the present day. We examine the challenges facing Native Americans today, from poverty and unemployment to the loss of traditional lands and cultures. We also celebrate the resilience of Native American communities and their efforts to preserve their heritage and culture. This book is an introduction to the rich and complex history and culture of the Native American tribes of the Great Plains. It is a story of survival, resilience, and adaptation. It is a story that deserves to be told.

Key Features: A comprehensive overview of the history and culture of the Native American tribes of the Great Plains. Detailed accounts of major events in Native American history, such as the Indian

Wars and the Indian Removal Act In depth examinations of the challenges facing Native Americans today such as poverty and unemployment Profiles of inspiring Native American leaders and activists Stunning photographs and illustrations that bring the Great Plains and its people to life If you like this book write a review on google books *THE BATTLE OF JETTENA JUNCTION* A.W. Bennett, Ben Lewis, 2024-02-28 The Battle of Jettena Junction is a remarkable work This intriguing combination of fiction work and history textbook subverts and reverses the expectations of historical fiction using plot as the backdrop of history rather than history as the backdrop for the plot a history book with a dash of fiction rather than a fiction book with a dash of history The Confederate States of America had suffered recent devastating defeats at the hands of the Union in recent months Their capital Richmond was now a smoldering ruin Though their spirits were still high the Confederacy was on the verge of collapse One more devastating battle one more dramatic defeat would see the end of the newly formed nation before the eyes of the world So when the opportunity arose to conclude the most devastating war in America s history to end in their favor what better way to end it but by capturing the Federal s leader President Abraham Lincoln a she traveled from Washington D C to Gettysburg to honor the fallen The question was Where was the best location to conduct their hit and run attack Why a small siding in Pennsylvania named Jettena Junction But what was to be a simple in and out raid turned into a total rout the Confederacy Deceit disobeyed orders and commands betrayal glory hunting poor intelligence All played their part as the cream of their military faced a determined foe **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** ,2003 *Advancing Indian Health Care* United States.
