Sir Eldon Gorst The Overshadowed Proconsul:

Sir Eldon Gorst Peter Mellini, 1977 **A Life of Sir John Eldon Gorst** Archie Hunter, 2013-10-23 This is the first book to tell the story of one of the most contentious figures in Victorian and Edwardian politics that of the independent minded and exceptionally able Conservative politician Sir John Eldon Gorst **Sir Eldon Gorst** Peter Mellini, 1977 *Nationalism and Minority Identities in Islamic Societies* Maya Shatzmiller, 2005 The movement of nation building in Islamic societies away from the secular or Pan Arab models of the early twentieth century toward a variety of nationalisms was accompanied by growing antagonism between the Muslim majority and ethnic or religious minorities The papers in *Nationalism and Minority Identities in Islamic Societies* offer a comparative analysis of how these minorities developed their own distinctive identities within the modern Islamic nation state The essays focus on identity formation in five minority groups Copts in Egypt Baha'is and Christians in Pakistan Berbers in Algeria and Morocco and Kurds in Turkey and Iraq While every minority community is distinctive the experiences of each show that a state's authoritarian rule uncompromising attitude towards expressions of particularism and failure to offer tools for inclusion are all responsible for the politicization and radicalization of minority identities The place of Islam in this process is complex while its initial pluralistic role was transformed through the creation of the modern nation state the radicalization of society in turn radicalized and politicized minority identities Minority groups though at times possessing a measure of political autonomy remain intensely vulnerable Contributors include Juan R I Cole University of Michigan David L Crawford Fairfield University Michael Gunter Tennessee Technological University Azzedine Layachi St John's University Richard C Martin Emory University Paul S Rowe University of Western Ontario Maya Shatzmiller University of Western Ontario Charles D Smith University of Arizona Pieternella van Doorn Harder Valparaiso University the late Linda S Walbridge University of Oklahoma and M Hakan Yavuz University of Utah Announcing the series *Studies in Nationalism and Ethnic Conflict* General Editors Sid Noel and Richard Vernon co directors of University of Western Ontario's Nationalism and Ethnic Conflict Research Group *Studies in Nationalism and Ethnic Conflict* is a series that examines the political dimensions of nationality in the contemporary world The series includes both scholarly monographs and edited volumes which consider the varied sources and political expressions of national identities the politics of multiple loyalty the domestic and international effects of competing identities within a single state and the causes of and political responses to conflict between ethnic and religious groups The volumes are designed for use by university students scholars and interested general readers **Christians Versus Muslims in Modern Egypt** S. S. Hasan, 2003 Review *Christians versus Muslims in Modern Egypt* is the first study of Christian identity politics in contemporary Egypt S S Hasan begins by looking at how the Coptic generation of the 1940s and 1950s remembered recovered and imagined the ancient history of Christianity in Egypt in order to weld the Copts into a unified nation resistant to the growing encroachments of Islam She argues that this interpretation of history in which Egyptian martyrs figure prominently made possible the rebirth of the

Coptic church and community in much the same way as the preservation of Hebrew and the historical memory of Jewish tribulations served the purpose of national reconstruction of the state of Israel Jacket *Historical Dictionary of Egypt* Arthur Goldschmidt, Jr., 2013-10-10 Egypt was the first non Western country to undergo an industrial revolution It was a major commercial center during the 19th and early 20th centuries It was one of the first countries to have albeit briefly a constitutional government Its struggle for independence was among the earliest in the non Western world Its capital Cairo has served as a headquarters and a meeting place for nationalist leaders Its schools and universities attracted students from many other African and Asian countries For the Arab world its educational and legal institutions set the pattern that most other Arabic speaking countries have followed Its books magazines and newspapers circulate widely Its radio and television broadcasting became the model for other Arab states The leadership of Jamal Abd al Nasir and Anwar al Sadat profoundly influenced other Arab and Third World leaders And the demonstrations in Cairo s Tahrir Square became the iconic movement for the so called Arab Spring in the rest of the Middle East This fourth edition of Historical Dictionary of Egypt covers its history from its emergence as an independent actor during the reign of Ali Bey 1760 1772 up to and including the first two years of the Arab Spring February 2013 This is done through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on of persons events institutions political groups economic and social conditions policies relationships with other countries ideas religions ideologies and commodities relevant to the modern history of Egypt This book is an excellent access point for students researchers and anyone wanting to know more about Egypt *Histories of the Modern Middle East* I. Egypt Jayne Gifford, 2019-12-12 Egypt under the British tends to be looked at now through a post Suez lens an inevitable disaster and the last puncturing of a doomed empire But in fact Egypt for many years was the cornerstone of British success across the Middle East and North Africa This image of empire was shattered after the First World War by the development of nationalism in Egypt the foundation and growth of the nationalist Wafd party led by Saad Zaghlul and the creation of the Muslim Brotherhood in 1928 Throughout this period Britain continued to control the Nile Valley under Field Marshal Allenby and then George Lloyd through a policy of deliberate containment of nationalism and a slow relinquishing of powers culminating in the Anglo Egypt Treaty of 1936 This book will be the first to study that process in the Nile Valley in any great detail and contains previously unpublished primary sources

Britain in the Middle East Robert T. Harrison, 2016-05-05 Britain in the Middle East provides a comprehensive survey of British involvement in the Middle East exploring their mutual construction and influence across the entire historical sweep of their relationship In the 17th century Britain was establishing trade links in the Middle East using its position in India to increasingly exclude other European powers Over the coming centuries this commercial influence developed into political power and finally formal empire as the British sought to control their regional hegemony through military force Robert Harrison charts this relationship exploring how the Middle East served as the launchpad for British offensive action in the World Wars and how resentment against colonial rule in the region led ultimately to political and Islamic revolutions and Britain's demise as a global imperial power

The Cambridge History of Egypt M. W. Daly, Carl F. Petry, 1998-12-10 The Cambridge History of Egypt offers the first comprehensive English language treatment of Egyptian history through thirteen centuries from the Arab conquest to the present day The two volume survey considers the political socio economic and cultural history of the world's oldest state summarizing the debates and providing insight into current controversies As today's Egypt reclaims a leading role in the Islamic Arab and Afro Asian worlds the project stands as testimony to its complex and vibrant past Volume 2 traces Egypt's modern history from the Ottoman conquest to the end of the twentieth century A wide range of scholars from the humanities and social sciences have been brought together to explore the history of the period Their conclusions reflect the work of traditional scholarship and also indicate present trends and future directions in historical writing in Egypt

Modernity and Culture Leila Fawaz, C. A. Bayly, 2002-05-15 Between the 1890s and 1920s cities in the vast region stretching from the Mediterranean Sea to the Indian Ocean were experiencing political social economic and cultural changes that had been set in motion at least since the early nineteenth century As the age of pre colonial empires gave way to colonial and national states there was a sense that a particular liberalism of culture and economy had been irretrievably lost to a more intolerant age Avoiding such dichotomies as East West and modernity tradition this book provides a comparative analysis of contested versions of the concept of modernity The book examines not only the high culture of scholars and the literati but also popular music the visual arts and journalism The contributors incorporate discussion of the way in which the business in both commodities and ideas was

conducted in the increasingly cosmopolitan cities of the time **Sayyid 'Abd al-Raḥmān al-Mahdī** Hassan Ibrahim,2004-09-01 This is a pioneering scholarly study of the colourful career of Sayyid Abd al Ra m n al Mahd and his brainchild Neo Mahdism It explains his calculative strife to deal with the British onslaught on his father s Mahdiyya and to gradually attain the essence of its political and religious mission The discourse contests the long held presumption of Abd al Ra m n s subservience to Britain and portray s him as the architect of national independence and the Sudan s most towering celebrity in the 20th century It highlights al Sayyid s mastery of manipulation that perplexed occasionally paralysed British and Egyptian policy makers and explores his attempts to establish an inclusive religious and political system The book is important to scholars of Africa the Middle East and Islamic revivalism It may trigger revisits to similar leaders whose images could have likewise been unfairly tarnished **Saluki** Brian Patrick Duggan,2014-01-10 One of the oldest known breeds of domesticated dogs the Saluki traveled throughout the Middle East with desert tribes who valued the dogs for their ability to hunt gazelles Famously painted on the walls of the Pharaohs tombs the Salukis history intrigued English dog enthusiasts who were instrumental in popularizing the breed and importing it to Europe and the United States in the early 20th century This book tells the story of those who brought the Saluki to the West most notably Florence Amherst who discovered the dogs while in Egypt and went on to breed 50 litters Other world travelers who fell under the Salukis spell included Lady Anne Blunt Austen Layard and Gertrude Bell Also covered are lesser known Saluki aficionados mainly military officers who hunted with their hounds in Iraq Syria Palestine and Egypt and sought to replicate that experience at home *Biographical Dictionary of Modern Egypt* Arthur Goldschmidt,2000 This desk reference provides biodata biographical sketches and source material for approximately 500 men and women who have played a major role in Egypt s national life *In "Vanity Fair"* Roy T. Matthews,Peter Mellini,1982-01-01 Gathers caricatures and portraits depicting royalty politicians artists lawyers journalists and sportsmen of Victorian England and includes notes on each subject s life **Cairo University and the Making of Modern Egypt** Donald Malcolm Reid,2002-07-04 Cairo University has been crucially important in shaping the national life of modern Egypt In this history Professor Reid explains the university s part in the national quest for independence from Britain in the perennial tension between secular and religious world views and in the push for a more egalitarian society *Africana Journal* ,1979 **Power and Passion in Egypt** Archie Hunter,2007-06-29 When Sir Eldon Gorst succeeded Lord Cromer as Agent and Consul General in Cairo in 1907 Britain effectively ruled Egypt and the Sudan The period Gorst spent in Egypt was critical in shaping Africa s history The British government gave Gorst the task of liberalising the Egyptian regime a role he pursued with vigour However the reforms he introduced satisfied neither Egyptian nationalists nor British expatriates who believed he was merely pandering to agitators Pressure increased after Boutros Ghali the Egyptian Prime Minister and Gorst s close ally was assassinated in 1910 Under immense strain Gorst suspended his reform programme and a year later he was dead from cancer Gorst s role in determining the path taken by the government of

Egypt is often overlooked Power and Passion in Egypt offers a timely assessment of his contribution and argues that his was an honourable attempt to share government with the Egyptian people Empire and sexuality Ronald Hyam,2017-03-01

Established in the belief that imperialism as a cultural phenomenon had as significant an effect on the dominant as it did on the subordinate societies the Studies in Imperialism series seeks to develop the new socio cultural approach which has emerged through cross disciplinary work on popular culture media studies art history the study of education and religion sports history and children s literature The cultural emphasis embraces studies of migration and race while the older political and constitutional economic and military concerns are never far away It incorporates comparative work on European and American empire building with the chronological focus primarily though not exclusively on the 19th and 20th centuries when these cultural exchanges were most powerfully at work This work explores the sexual attitudes and activities of those who ran the British Empire The study explains the pervasive importance of sexuality in the Victorian Empire both for individuals and as a general dynamic in the working of the system Among the topics included in the book are prostitution the manners and mores of missionaries and aspects of race in sexual behaviour **Political Violence in Egypt 1910-1925** Malak Badrawi,2014-01-21

The murder of the Prime Minister Butrus Ghali in February 1910 was the first incident of its kind to take place in Egypt for over a century and it reflected the mood of Egypt s youth at the time It also set a precedent as some of the more extreme elements of the population henceforth came to regard assassination as the only way to rid the country of those who were regarded as traitors and as the most potent expression of political dissatisfaction and dissent This study is an account of the circumstances that led to the violence and an attempt to understand the mood and motives that provoked it
