Bells of St Mary s 1945 Black Narcissus 1947 Heaven Knows Mr Allison 1957 Sea Wife 1957 The Nun s Story 1959 The Sound of Music 1965 Change of Habit 1969 In This House of Brede 1975 Agnes of God 1985 Dead Man Walking 1995 and Doubt 2008 Veiled Desires considers how the beautiful and charismatic stars who play chaste nuns from Ingrid Bergman and Audrey Hepburn to Susan Sarandon and Meryl Streep call attention to desires that the veil concealed and the habit was thought to stifle In a theologically and psychoanalytically informed argument Sabine responds to the critics who have pigeonholed the film nun as the obedient daughter and religious handmaiden of a patriarchal church and the respectful audience who revered her as an icon of spiritual perfection Sabine provides a framework for a more complex and holistic picture of nuns onscreen by showing how the films dramatize these women s Christian call to serve sacrifice and dedicate themselves to God and their erotic desire for intimacy agency achievement and fulfillment

**The New Nuns** Amy L. Koehlinger,2007-04-30 In the 1960s a number of Catholic women in the U S abandoned traditional apostolic works to experiment with new and often unprecedented forms of service among non Catholics Koehlinger explores this phenomenon through close examination of one of its most visible forms the experience of white sisters working in African American communities

**The Films of Fred Zinnemann** Arthur Nolletti Jr.,1999-06-24 Fred Zinnemann celebrated director of such classic films as High Noon From Here to Eternity and A Man for All Seasons is studied here in a book length work for the first time Zinnemann s fifty year career includes twenty two feature films which are characterized by an unshakable belief in human dignity a preoccupation with moral and social issues a warm and sympathetic treatment of character and consummate technical artistry In discussing such issues as the role of Zinnemann s documentary aesthetic throughout his career the relationship between his life and his art his use and construction of history and the central importance of women characters in his films The Films of Fred Zinnemann lends new perspectives to the work of a major filmmaker and makes a significant contribution to the study of American cinema

**A Promise and a Way of Life** Becky W. Thompson,2001 Beginning with the diverse catalysts that started these activists on their journeys this book demonstrates the contributions and limitations of white antiracism in key social justice movements

**BOOK JACKET** *Faithful and Fearless* Mary Fainsod Katzenstein,2021-01-12 Riots and demonstrations the lifeblood of American social and political protest in the 1960s are now largely a historical memory But Mary Fainsod Katzenstein argues that protest has not disappeared it has simply moved off the streets into the country s core institutions As a result conflicts over sexual harassment affirmative action and the rights of women gays and lesbians and people of color now touch us more than ever in our daily lives whether we are among those seeking change or those threatened by its prospects No one is more aware of this than women demanding change from within the United States military and the American Catholic church Women in uniform are deeply patriotic and women active in the church are devoted to their callings Yet Katzenstein shows that these women often feel isolated and demeaned confronted by challenges as subtle as condescension and as blatant as career obstruction Although faithful to their

institutions many have proved fearless in their attempts to reshape them Drawing on interviews with over a hundred women in the military and the church including senior officers combat pilots lay activists and nuns this book gives voice to the struggles and vision of these women as they have moved protest into the mainstream Katzenstein shows why the military and the church similarly hierarchical and insistent on obedience have come to harbor deeply different forms of protest She demonstrates that women in the military have turned to the courts and Congress whereas feminists in the church have used discursive protests writing organizing workshops and conferences to rethink in radical ways the meanings of faith and justice These different strategies she argues reflect how the law regulates the military but leaves the church alone Faithful and Fearless calls our attention to protest within institutions as a new stage in the history both of feminism and of social movements in America The book is an inspiring account of strength in the face of adversity and a groundbreaking contribution to the study of American feminism social protest and the historical development of institutions in American society

Elmore,Sergio M.
