## **Six Sermons On The Nature Occasions Signs Evils And Remedy Of Intemperance 1829:**

Six Sermons on the Nature, Occasions, Signs, Evils, and Remedy of Intemperance ... Tenth edition Lyman BEECHER,1829     **Six Sermons on Intemperance. Delineating Its Nature, Occasions, Signs, Evils, and Remedy** Lyman Beecher,1830     **Six Sermons on the Nature, Occasions, Signs, Evils and Remedy of Intemperance** Lyman Beecher,2014-03 This Is A New Release Of The Original 1829 Edition     *Six Sermons on the Nature, Occasions, Signs, Evils, and Remedy of Intemperance* Lyman Beecher,1830     *Six Sermons on the Nature, Occasions, Signs, Evils & Remedy of Intemperance* Lyman Beecher,1833     *The Liquor Problem in All Ages* Daniel Dorchester,1888 This volume has not been a hot bed growth but is the result of twenty two years of special attention to the various questions comprised within its scope It was originally undertaken as a relaxation from the regular duties of the Christian ministry and though not pursued continuously but at irregular intervals sometimes of more than a year few days have passed without some serious thought and inquiry with reference to the great problem The plan of discussion of the Liquor Problem is historical The argument is quietly implied in the general structure of the book and gathered to a focus in the three closing chapters The historical portion of the book is brought down to near the end of 1883 While the author has made himself acquainted with what has been written by others upon the topics under consideration and has fully credited his indebtedness for valuable materials he has also made extensive original researches enabling him to bring together much fresh matter not before comprised in volumes of temperance literature An important feature of this book is eleven colored diagrams strikingly illustrating the economic aspects of intemperance and its relative progress to the population in the British Isles and in the United States It has been the aim to make this volume a thesaurus of facts and principles so arranged as to show the trend of temperance sentiment and also to be convenient for use by advocates of the Temperance Reform now a great multitude Nov 1 1887 This book is now closely revised and brought down to the year 1888 The developments and movements of the past few years are summed up in a large additional chapter and valuable material for the use of students and advocates of the temperance cause is added adapting the book to the present phase of the great reform January 1 1888     *The Christian guardian (and Church of England magazine)*. ,1830     **Bibliotheca Theologica** John Fletcher Hurst,1883     **Thrift and Thriving in America** Joshua Yates,James Davison Hunter,2011-07-29 Thrift and Thriving in America is a collection of groundbreaking essays on the significance of thrift throughout American history It reveals thrift as a dynamic moral ideal and practice that not only provides insight into evolving meanings of material wellbeing but also into the changing understandings of the good life and the good society more generally     *An Address Delivered Before the Temperance Society of Bath, N.H. July 4, 1828* Jonathan Kittredge,1829     The Eclectic Review ,1830     **Revelations in Context** The Church of Jesus Christ of Latter-day Saints,2017-08-16 This book contains stories told from the point of view of those who experienced the revelations in the Doctrine and Covenants giving us insight into their meaning While the section headings provide context for the revelations

they don't tell the complete story. What questions prompted the revelations? What did the Lord's responses mean to those He addressed? How did they respond? Perfect for study with the Doctrine and Covenants. *Welfare Reform in the Early Republic* Seth Rockman, 2014-05-23. Nothing provided.

**The Oxford History of Protestant Dissenting Traditions, Volume III** Timothy Larsen, Michael Ledger-Lomas, 2017-04-28. The five-volume Oxford History of Dissenting Protestant Traditions series is governed by a motif of migration out of England. It first traces organized church traditions that arose in England as Dissenters distanced themselves from a state church defined by diocesan episcopacy, the Book of Common Prayer, the Thirty-Nine Articles, and royal supremacy, but then follows those traditions as they spread beyond England and also traces newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent. Secondly, it does the same for the doctrines, church practices, stances toward state and society, attitudes toward Scripture, and characteristic patterns of organization that also originated in earlier English Dissent but that have often defined a trajectory of influence independent ecclesiastical organizations. The Oxford History of Protestant Dissenting Traditions, Volume III considers the Dissenting traditions of the United Kingdom, the British Empire, and the United States in the nineteenth century. It provides an overview of the historiography on Dissent while making the case for seeing Dissenters in different Anglophone connections as interconnected and conscious of their genealogical connections. The nineteenth century saw the creation of a vast Anglo world which also brought Anglophone Dissent to its apogee. Featuring contributions from a team of leading scholars, the volume illustrates that in most parts of the world, the later nineteenth century was marked by a growing enthusiasm for the moral and educational activism of the state, which played against the idea of Dissent as a static, purely negative identity. This collection shows that Dissent was a political and constitutional identity which was often only strong where a dominant Church of England existed to dissent against.

*Drink in Canada* Cheryl Krasnick Warsh, 1993-10-15. Through an international comparison, Cheryl Warsh introduces the major themes in both historical and anthropological studies of beverage alcohol use. In a separate essay, she describes the stigma attached to female alcoholism, particularly its association with prostitution and child neglect. James Sturgis presents the collective biography of the Rennie brothers, who fell victim to alcoholism while attempting to make their fortunes in the late nineteenth-century boom-bust economies of Canada and the United States. Jim Baumohl recounts attempts to establish institutions for alcoholics on the model of insane asylums. Jan Noel describes the revivals organized by Father Chiniguy, a Catholic evangelist, which swept Lower Canada in the 1840s, unifying a French Canadian populace threatened by the rapid influx of Anglophone settlers. Glenn Lockwood pursues a similar theme in his essay, concluding that Ottawa Valley temperance lodges solidified loyalist American opposition to immigrant competitors for regional dominance. Jacques Paul Couturier analyses the regulation of prohibition in a mixed Anglophone Acadian community. Ernest Forbes demonstrates that Canadian and American prohibition provided vital economic opportunities during the prolonged Maritime depression. Finally, Robert Campbell surveys the post-prohibition experience of state monopoly.

as a means of liquor control Each author brings new sources and new research techniques to the discussion of alcohol posing methodological and public policy challenges for the future as well as a solid survey of the past **The ^AEnd of Empathy**

John W. Compton,2020-07-01 How did white evangelicals a group that had once rallied national support for the federal minimum wage and progressive child labor laws vote overwhelmingly for Donald Trump in 2016 In *The End of Empathy* John W Compton presents a nuanced portrait of the changing values of evangelical voters over the last century To explain the rise of white Protestant social concern in the latter part of the nineteenth century and its sudden demise at the end of the twentieth Compton argues that religious conviction by itself is rarely sufficient to motivate empathetic political behavior When believers do act empathetically championing reforms that transfer resources or political influence to less privileged groups within society for example it is typically because strong religious institutions have compelled them to do so Gale Researcher Guide for: Social Reform Edward L. Bond,2018-09-28 Gale Researcher Guide for Social Reform is selected from Gale s academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research

**American Religious History** Gary Scott Smith,2020-12-07 A mix of thematic essays reference entries and primary source documents covering the role of religion in American history and life from the colonial era to the present Often controversial religion has been an important force in shaping American culture Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic Religious teachings values and practices deeply affected political structures and policies economic ideology and practice educational institutions and instruction social norms and customs marriage and family life By analyzing religion s interaction with American culture and prominent religious leaders and ideologies this reference helps readers to better understand many fascinating often controversial religious leaders ideas events and topics The work is organized in three volumes devoted to particular periods Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10 essays that explore significant themes These essays are followed by approximately 120 alphabetically arranged reference entries providing objective fundamental information about topics related to religion in America Each volume presents nearly 50 primary source documents each introduced by a contextualizing headnote A selected general bibliography closes volume three **Six Sermons on the Nature, Occasions, Signs, Evils, and Remedy of Intemperance ... Tenth edition** Lyman BEECHER,1830

*Encyclopedia of Addictions* Kathryn H. Hollen,2008-12-30 This two volume set contains frank and factual information about symptoms causes effects prevention and treatment of substance abuse alcohol nicotine and drugs and of behavioral addictions such as eating disorders pathological gambling and compulsive sexual activity Including the most up to date research the addiction entries are based largely on criteria established by the American Psychiatric Association in its

Diagnostic and Statistical Manual of Mental Disorders Tracing the history of the debate over whether addiction is a choice or a disease the volumes explain how genetic and biological findings support the disease concept while lifestyle choices affect the course of the disease Graphics and discussions of the brain structures that support this self reinforcing mechanism illustrate why treatments that obstruct the pathway are showing such promise
