Six The Mark Unleashed:

Between Heaven & Hollywood David A.R. White, 2016-10-25 *Between Heaven & Hollywood* is David's inspirational journey from the wheat fields of his Mennonite home outside of Dodge City Kansas to the bright lights of Los Angeles. This story of perseverance will assure you that your dreams aren't frivolous. They might be the most important part of your life. White has starred in more than twenty-five movies and produced forty films including the blockbuster *God's Not Dead*. He serves as a Managing Partner of Pure Flix, the largest faith-based movie studio in the world. With his signature wit and sidesplitting hilarity, David's story of faithfulness grounded in the biblical truth that no dream is too big for God will inspire you to relentlessly pursue your dreams and in the process bring the reality of God's kingdom a little closer to the here and now. God has planted a dream in your heart that is both unique to you and essential to the world. White reminds us that there is no one too common, too uneducated, too poor, too inexperienced, or too broken that he or she cannot be used by God. **Surviving Armageddon** Juliet Nickels, 2012-01-04 The end of the world is coming. Nearly every person on earth can feel it, but what does that mean? What can we expect of Armageddon and how do we survive? Author Juliet Nickels has compiled all the evidence and information you need to survive Armageddon, including a timeline of events. There is hope, and Juliet guides you to the path of safety until these treacherous times have passed. *Body Piercing Saved My Life* Andrew Beaujon, 2007-04-02 *Body Piercing Saved My Life* is the first in-depth journalistic investigation into a subculture so large that it's erroneous to even call it a subculture. Christian rock, Christian rock culture is booming, not only with bands but with extreme teen Bibles, skateboarding ministries, Christian tattoo parlors, paintball parks, coffeehouses, and nightclubs encouraging kids to form their own communities apart from the mainstream. Profiling such successful Christian rock bands as P.O.D., Switchfoot, Creed, Evanescence, and Sixpence None the Richer, as well as the phenomenally successful Seattle Christian record label Tooth & Nail, enormous Christian rock festivals, and more. Spin journalist Andrew Beaujon lifts the veil on a thriving scene that operates beneath the secular world's radar. Revealing sympathetic and groundbreaking, *Body Piercing Saved My Life* named for a popular Christian rock T-shirt depicting Christ's wounds is a fascinating look into the hearts and minds of an enormous and growing youth culture. **Rapture Ready!** Daniel Radosh, 2008-04-08 What does it mean when a band is judged by how hard they pray rather than how hard they rock? Would Jesus buy Jesus junk or wear witness wear? What do Christian skate parks, raves, and romance novels say about evangelicalism and America? Daniel Radosh went searching for the answers and reached some surprising conclusions. Written with the perfect blend of amusement and respect, *Rapture Ready* is an insightful, entertaining, and deeply weird journey through the often hidden world of Christian pop culture. This vast and influential subculture, a \$7 billion industry and growing, can no longer be ignored by those who want to understand the social, spiritual, and political aspirations of evangelical Christians. In eighteen cities and towns throughout thirteen states, from the Bible Belt to the outskirts of Hollywood, Radosh encounters a fascinating cast of characters, including Bibleman, the Caped Christian, Rob

Adonis the founder and star of Ultimate Christian Wrestling Ken Ham the nation's leading prophet of creationism and Jay Bakker the son of Jim and Tammy Faye Bakker and pastor of his own liberal punk rock church From Christian music festivals and theme parks to Passion plays and comedy nights Radosh combines gonzo reporting with a keen eye for detail and just the right touch of wit Rapture Ready is a revealing survey of a parallel universe and a unique perspective on one of America's most important social movements

Nightmare Movies Kim Newman, 2011-04-18 Now over twenty years old the original edition of Nightmare Movies has retained its place as a true classic of cult film criticism In this new edition Kim Newman brings his seminal work completely up to date both reassessing his earlier evaluations and adding a second part that assesses the last two decades of horror films with all the wit intelligence and insight for which he is known Since the publication of the first edition horror has been on a gradual upswing and taken a new and stronger hold over the film industry Newman negotiates his way through a vast back catalogue of horror charting the on screen progress of our collective fears and bogeymen from the low budget slasher movies of the 60s through to the slick releases of the 2000s in a critical appraisal that doubles up as a genealogical study of contemporary horror and its forebears Newman invokes the figures that fuel the ongoing demand for horror the serial killer the vampire the werewolf the zombie and draws on his remarkable knowledge of the genre to give us a comprehensive overview of the modern myths that have shaped the imagination of multiple generations of cinema goers Nightmare Movies is an invaluable companion that not only provides a newly updated history of the darker side of film but a truly entertaining guide with which to discover the less well trodden paths of horror and re-discover the classics with a newly instructed eye
