

Local and regional government in Sweden

- ▶ Today we have 290 municipalities and at the regional level 20 county councils (three are called regions). They have different responsibilities but no hierarchy between them.
 - ▶ Municipalities (and county councils) are governed by directly elected councils, they have a right to levy income taxes on individuals and are responsible for a broad range of services.

Local Government in Europe Carlo Panara, Michael R. Varney, 2013-12-04 This work considers the role of local government in 13 EU Member States Austria Belgium Czech Republic France Germany Greece Hungary Italy Netherlands Poland Spain Sweden and the United Kingdom The book aims to provide an account of the system of local government in each of the countries studied along with a critical and contextual approach to the level of autonomy that local government enjoys The approach is comparative based on a questionnaire which all of the authors considered There is then a detailed conclusion to the book which offers a detailed summary and comparative analysis of the responses in order to better consider the role of local authorities as the fourth level of governance in the EU The book aims to offer a detailed introduction to and account of each system of local government which may appeal to those seeking an overview of the area but also a critical and contextual approach that will be of interest to those actively researching in the areas of local and regional government or EU central local government relations The book contains details of reform in local government up to November 2012 including an analysis of the impact of austerity measures on local autonomy where these have become significant **Europe,**

Regions and European Regionalism Roger Scully, Richard Wyn Jones, 2010-10-13 Europe Regions and European Regionalism examines the political role of regions and regionalism within contemporary Europe Offering an up to date analysis of regionalism with a broad empirical scope this book explores regions and regionalism in the period after the substantial enlargements of the European Union *Local Government in Ireland* Mark Callanan, Justin F. Keogan, 2003

Europeanization and Territorial Politics in Small European Unitary States Sandrina Antunes, John Loughlin, 2020-12-17 The book addresses the impact of the European Union EU on subnational mobilization in small unitary states Located at the intersection of contributions from the literatures on multilevel governance and Europeanization this book offers a new theoretical framework to account for state rescaling processes in small unitary states By means of a comparative analysis of eight small unitary states in Europe this book shows that the impact of the EU on subnational mobilization is filtered through domestic mediating factors which can lead to three possible outcomes decentralization recentralization or no change The book offers a balanced combination of analytical clarity and the richness of empirical accounts in a wide diversity of case studies It sheds a new light on the hybrid nature of the European polity and demonstrates that member state governments have remained the most important pieces of the European puzzle Overall it arrives at two conclusions first that we are witnessing a transformation of the state rather than its demise second the notion of a Europe of the Regions in small unitary states was no more than a damp squib The chapters in this book were originally published as a special issue of the journal *Regional Federal Studies* Six years in the EU, 2001 It is six years since Sweden joined the European Union The aim of this report is to analyse the consequences of EU membership for Sweden s municipalities county councils and regions It is based on interviews with experts at the Swedish Association of Local Authorities and the Swedish Federation of County

Councils as well as with councillors and EU coordinators in several municipalities county councils and regions in various parts of the country **Absenteeism in European Schools** Norbert Grewe,2005 This book is the first detailed survey of absenteeism in Europe It is the result of a research carried out by the partners of the EU project Absenteeism Strategies Concepts and Materials to Fight Truancy in 17 European countries The country reports include detailed information about national statistics on absenteeism as well as general strategies and exemplary projects to fight truancy The book is completed by summarized recommendations for dealing with the problem of absenteeism and includes a glossary

Regional Development in the Nordic Countries Nordic Group For Regional Analysis Staff,1996 On cover Regional policy NOGRAN Nordic Group for Regional Analysis **Political Institutions in Europe** Josep Colomer,2003-08-29 A clear accessible introduction to the institutional regimes of 15 countries in western Europe by an outstanding team of leading European political scientists Each chapter is devoted either to a single country or to a small group of countries allowing students to draw sophisticated comparisons of their political parties electoral systems and institutions of government at national regional and local level **Administracja publiczna w procesie dostosowywania państwa do Unii Europejskiej** Tadeusz Mołdawa,Konstanty Adam Wojtaszczyk,Marcin Małecki,2003

Policy Making at the Second Tier of Local Government in Europe Xavier Bertrana,Björn Egner,Hubert Heinelt,2015-09-07 Debates about multi level governance have led to a profound restructuring of regional and local government The second level of local government is under review in most European countries with the aim to strengthen the institutional capacity of municipalities or to develop appropriate institutional structures for governing fragmented urban areas This book provides a thematic and cross national analysis of the key actors in local government that form the crucial components of effective and democratic policy making Focussing on the second tier of local government it examines new empirical data on councillors from this level of government in 15 European countries and integrates important variables such as party politics notions of democracy finance multi level settings Divided into five parts it addresses Attitudes of county provincial councillors towards administrative and territorial reforms Their role perceptions and role behaviour Their political orientation Actor constellations and governance arrangements Political socialization and recruitment professionalization and career patterns of county provincial councillors This book will be of interest to students and scholars of local government urban studies regional studies political science sociology and geography **Reducing Inequalities in Health** Martijntje Bakker,Johan Mackenbach,2003-09-02 Socio

economic inequalities in health are present to a greater or lesser extent in all European countries and the available data suggests that the health gap is increasing Many studies have been conducted to explain inequalities in health and from them much has been learnt about the different contributory factors However in practice it seems hard to translate the knowledge of causes into effective interventions and policies Reducing Inequalities in Health a European Perspective brings together an unrivalled collection of contemporary data on successful policies and interventions compares differences in approach in

several European countries includes recent evaluation studies discusses conceptual issues for research provides examples of good and bad practice in Europe draws out the policy and research implications for the future With contributions from leading researchers in 14 different European countries this book provides a comprehensive source of reference for the reader interested in what really works in the field of health promotion and what sort of policies reduce the health gap

The Oxford Handbook of Swedish Politics Jon Pierre, 2015-12-17 The Oxford Handbook of Swedish Politics provides a state of the art analysis of political development in Sweden Covering all essential aspects of politics in Sweden this volume provides detailed accounts of policy making governance institutional arrangements foreign relations electoral behavior the party system the public administration the constitutional framework and the welfare state The Handbook shows how many of the features that once were exceptional to Sweden for example the welfare state the consensual policy making the historical compromise between capital and labor and the dominance of social democracy are less prominent today compared to a few decades ago although they are still certainly present Global forces increasing affluence and an ideological shift towards neo liberalism have contributed to making Sweden more of an average European industrialized democracy The Handbook is divided into ten thematic Sections with four chapters and an Introduction in each Section Thus each theme is studied from different perspectives in order to provide the reader with a more multi faceted picture of the political development in each theme

The Coherence of EU Regional Policy John Bachtler, Ivan Turok, 2013-12-16 This book brings together a rich selection of up to date practical experience of EU regional policy from across Europe It provides different perspectives on the design and operation of regional development strategies under the Structural Funds from people closely involved in studying managing or advising on the process at EU national and regional levels It therefore offers a more comprehensive and detailed understanding of the structural policies than has been available hitherto This will prove particularly useful to researchers practitioners and students interested in European regional policies and processes
